FARM BUREAU INVITES MEMBERS TO 11TH ANNUAL MEETING

SECOND ANNUAL OF INSURANCE AGENCY SHOWS BIG GROWTH

Delegates

The state annual meeting of the Farm Bureau insurance agencies was held Tuesday in Lansing, with the purpose of considering a new program of action for the coming year and the future development of the insurance agency program of the State Farm Bureau.

This annual meeting was held for the purpose of considering a new program of action for the insurance agency program of the State Farm Bureau.

LIVESTOCK BOARD RETURNS PROFITS TO MICHICAN PATRONS

Base Dividends to Members

On Annual Profits

Eighty per cent of the annual total commissions paid to the Michigan Livestock Exchange during the 12 months ended June 30, 1929, was returned to members of the Exchange in the form of base dividends at the annual meeting of the Board of Directors held in the evening of the second day of the meeting.

The annual report shows a total of $8,000 in the form of base and interest dividends, which will be divided among the members of the Exchange.

POWELL TO GIVE FARM WEEK TALK

Agricultural Commissioner

The speaker of the week, so far as the Michigan Farmers' Union is concerned, will be W. E. Powell, agricultural commissioner of the state of Michigan, who will deliver his talk on the theme, "The Future of Agriculture in Michigan," at the opening session of the Farm Week held in Lansing.

The annual report shows a total of $8,000 in the form of base and interest dividends, which will be divided among the members of the Exchange.

Many public interest is shown in the State Farm Bureau meeting, which is regarded as a quite accurate register of what Michigan farmers are thinking. Daily newspapers throughout the state will be reporting on the interesting developments of the meeting.

From an organization service viewpoint, the State Farm Bureau meeting is of great importance. The report will show that the Farm Bureau is serving many thousands of farmers.

AFLELA LETTER CONTEST

The Michigan Farm Bureau Seed Service announces that in this and in most of the future issues of the News, and every issue of all the state newspapers, it will give prizes of $5, $3, and $2 for the best three friendly letters written by members of the state family. It will be a friendly competition, and the winners will be those who submit the most edifying letters that will appeal to the country people. The letters will be judged on their edification, and the winner will receive $250,000 annually for this fund. The prize winning letters and other letters, if popular, will be published in the News. Letters which do not win the prize will be published if the content merits it. The contest starts on July 1st and ends July 31st. The winning letters will be published in the News. 30th St. Cedar St. Lansing, Michigan

On Farm Commodities

Here we have a number of grades of oyster shell selling at various prices.

Pilot brand is heavily governed by the grade of shell itself.

We could—our large production and unlimited source of supply—and just crumble oyster shell at a lower price than any other company—give you what you want in fine price which is the most expensive shell you can buy.

We claim all the waste and poisonous matter, and the surrounding bad-smelling algae. None of which has any value in your food and is about 95% of what you would buy in any shell.

PILOT BRAND OYSTER SHELL-FLAKED is pitched slightly higher than other shell, however it is the best shell you can buy at any price.

PILOT BRAND OYSTER SHELL-FLAKED is the cheapest quality shell on the market. PILON BRAND is not the largest of shell, but it is the best quality.

You will find it in 10 to 15 lbs. boxes, and the cost is $1.50 per 100 lbs. on the wholesale, and the retail price will be slightly higher.
