IMPORTANT.

We call attention to our Cow Brand of Soda, which is the purest made, and in order that Consumers may be sure to get it, and not a poor imitation, we recommend their insisting on having the best, put up in packages bearing our name and the picture of a Cow in a Gilt Frame, as shown on the other side of this card. Look at the package and be sure you get what you ask for. Consumers frequently condemn the flour when their cookery has been spoiled by inferior Soda. Properly used, Dwight's Cow Brand of Soda will make white bread. The reputation of flour depends very much upon the quality of Soda used, and no dealer should sell an inferior article, especially when the saving is so trifling. All First-class Grocers have it for sale in packages, and good housekeepers should use Dwight's Cow Brand of Soda, as it is the best in the market, and therefore the cheapest.
