Too much cannot be said to Housekeepers of the extreme importance of always using the best of the above materials in cooking. Inferior and impure soda or saleratus not only wastes good flour, but is deleterious to health. Those who wish a thoroughly perfect article, should insist on having, from the merchants with whom they trade, only CHURCH'S ARM AND HAMMER BRAND. Dealers also, when the cost to them is so small, would be wise to run no risk of complaints from their customers about good flour, and keep in stock the ARM AND HAMMER BRAND only.

DAIRYMEN and FARMERS should use the Arm and Hammer Brand only, both for Baking purposes and for keeping MILK CANS CLEAN and SWEET. Raisers of Hogs will find a little thoroughly mixed with the animals' feed very beneficial, especially in case of Hog Cholera.

TO INSURE OBTAINING ONLY THE ARM AND HAMMER BRAND SODA OR SALERATUS BUY IT IN POUND OR HALF POUND PACKAGES WHICH BEAR OUR NAME AND TRADE MARK AS INFERIOR GOODS ARE SOMETIMES SUBSTITUTED FOR THE ARM AND HAMMER BRAND WHEN BOUGHT IN BULK
