Teddy Bear

Bake 8-inch round and 9-inch square cakes, filling pans to same level. Cool. Cut pieces from square cake. Assemble on tray, using round cake for head.

Decorating Suggestions: Prepare seven minute frosting; spread on center of body, center of head, and 4 marshmallows for paws. Sprinkle the tummy and marshmallows with coconut. Melt 2 squares unsweetened chocolate; cool and fold into remaining frosting. Spread on rest of cake. Toast about 1 cup coconut in 350°F. oven 8 to 12 minutes, stirring often. Sprinkle over chocolate frosting. Use cookies for ears; mints, licorice, and gumdrops for the rest of the decorating. Insert a lollipop in hand.
