It is not often one can find
A candy good for body and mind,
But our old doctor says it's true
That "Cracker Jack" is good for you.

This famous confection is manufactured
from choice, wholesome materials and
blended together in a scientific manner.
Cracker Jack is a combination of candy, pop-
corn and peanuts, and it is very nutritious as
well as palatable. It is more easily digested
and assimilated than richly made candies.
It is good alike for young and old.
