Preserve that . . .

SPARKLING WHITE FINISH
on YOUR NEW FRIGIDAIRE

with Frigidaire Surface Renewer

For dulux
and other fine finishes

CLEANS, WAXES
and POLISHES
in one easy operation

Not only will Frigidaire Surface Renewer preserve the lustre-like finish of your refrigerator — it is the ideal polish to use on furniture, automobiles, glass, and plated metals. Use it for your every household polishing need. Frigidaire Surface Renewer has been subjected to rigid testing to meet the most exacting needs.

It removes all stains and dust particles, leaving a highly-polished and waxed surface. Helps protect the surface from harmful influences of acids, salt air, fruit juices, grease, and finger prints. It is non-explosive and non-inflammable.

Try it in your home for better results — for easier, quicker polishing.
