Heinz Tomato Soup.
Our Pittsburgh Plant.

The cleanest, largest and best equipped Pickling and Food Product plant in the world. Inspection invited. Operated throughout by electricity. Including our seven branch factories, 16 salting houses and 21 branch warehouses; we have a floor space of 23 acres.
No higher testimony of the merit of our goods can be given than the fact that over 2,000 hands are directly employed to meet the public demand for them.

Wherever exhibited, our goods have been honored with first medals and highest awards, including New Orleans, Paris, Chicago, Antwerp and Atlanta.

H. J. HEINZ CO. Pickles and Food Products.
