1 teaspoon vanilla

Combine sugar, corn sirup, water, egg whites and salt in top of double boiler and beat for 1 minute. Cook over hot water, beating constantly until mixture forms peaks, about 6 to 7 minutes. Remove from heat and add vanilla. Beat until frosting has a spreading consistency. (Will frost two 9-inch layers or one 13 x 9-inch oblong cake.)

CORN BREAD STICKS

2 cups Homemade Corn Bread Mix (see recipe page 35)

Milk

1 egg, beaten

Combine egg and enough milk to make 1 cup liquid and add to Corn Bread Mix. Stir only until dry ingredients are moistened. Pour into well greased, heated corn stick pans. If aluminum pans are used, bake in a hot oven (425° F.) 15 to 18 minutes. If cast iron pans are used, bake in a hot oven (400° F.) for 20 to 25 minutes. Yield: 12 corn bread sticks.
SWEDISH TEA RING

2 cups Homemade Biscuit Mix (see recipe page 34)
3 tablespoons sugar
1 egg, slightly beaten
1/3 cup brown sugar

1/2 teaspoon cinnamon
1/4 cup chopped nuts
1 cup chopped dried prunes
2 tablespoons butter or margarine, melted

Combine Biscuit Mix and sugar. Combine egg and enough milk to make 1/2 cup liquid and add to Biscuit Mix. Roll on floured pastry cloth for about 1/2 minute. Roll on floured pastry cloth into a rectangle approximately 10x12 inches. Combine brown sugar, cinnamon, nuts, chopped fruit and 1 tablespoon butter. Spread remaining tablespoon of butter on rectangle. Spread fruit mixture over dough. Roll as a jelly roll. Seal edge by pressing firmly. Lift to lightly greased baking sheet and shape in a ring. With scissors cut slashes about 1 inch apart and almost to center. Twist sections slightly so filling shows. Bake in a moderate oven (375° F.) 20 to 25 minutes or until brown. Ice with thin confectioners' sugar frosting.

Variation: Substitute 1/2 cup chopped dates or raisins for 1 cup prunes.

Lard adds flavor and richness to foods, whether used as shortening or for frying.

SUNGLOW APPLE PIE

6 cups peeled and sliced tart apples (7 to 9 medium)
1/4 cup red cinnamon candies
1 teaspoon grated lemon rind
1/2 cup sugar

3 tablespoons flour
1/8 teaspoon salt
Pastry for double 9-inch pie (see recipe page 35)
1 tablespoon butter or margarine

Combine apples, candies, lemon rind, sugar, flour and salt. Divide pastry in half. Roll half of pastry to about 1/8 inch in thickness and cut for top crust, making several openings to allow for escape of steam. Roll out remaining pastry to about 1/8 inch in thickness and line a 9-inch pie pan allowing 1/2 inch of crust to extend over the edge. Fill with apple mixture. Dot filling with butter or margarine. Place top pastry over filling. Fold lower crust over top crust. Crimp edges. Bake in a hot oven (400° F.) 40 to 50 minutes or until brown. 6 servings.
HOLIDAY BANANA TEA BREAD

1 1/4 cups sifted enriched flour
2 teaspoons baking powder
1/4 teaspoon baking soda
1/2 teaspoon salt
1/3 cup lard
2 eggs, well beaten

1 cup mashed ripe bananas (2 to 3 bananas)
1/2 cup walnuts or pecans, broken
1 cup mixed candied fruits
1/4 cup raisins

Line the bottom of a 9 x 5-inch loaf pan with double thickness of waxed paper. Sift together flour, baking powder, soda and salt. Cream lard. Add sugar gradually and continue creaming until light and fluffy. Add eggs and beat well. Add flour mixture alternately with bananas. Add nuts, candied fruits and raisins. Mix only enough to distribute fruit evenly. Turn into loaf pan and let stand 30 minutes. Bake in a moderate oven (350° F.) 1 hour 15 minutes or until bread is done. Yield: 1 loaf.

Lard has the greatest shortening power of any plastic fat.

HOMEMADE BISCUIT MIX

8 cups sifted enriched flour
1/4 cup baking powder
4 teaspoons salt

1 cup lard for soft wheat
or 1 1/2 cups lard for hard wheat flour

Sift together flour, baking powder and salt. Cut in lard until the mixture has a fine even crumb. Cover closely and store in the refrigerator until ready to use. This mixture will keep at least a month in the refrigerator. Yield: 10 cups mix.

To make biscuits, add 1/2 cup milk to 2 cups Homemade Biscuit Mix. Turn onto a lightly floured surface and knead gently for 1/2 minute. Pat or roll 1/2 inch thick and cut with a medium-sized biscuit cutter, dipped in flour. Bake in a very hot oven (450° F.) 12 to 15 minutes. Yield: 10 to 12 biscuits.

* * *

Recipes in this booklet, except those made with cake flour were developed using all-purpose flour. This type of flour is milled so it may be used satisfactorily for all kinds of cooking and baking. Since flours may vary slightly in different areas (both in moisture content and texture) some homemakers may need to make minor adjustments in the amount of liquid used in the recipes calling for all-purpose flour. Add the recommended amount of liquid slowly since soft wheat flour does not require as much liquid.
HOMEMADE PASTRY MIX

7 cups sifted enriched flour  1 3/4 cups lard for soft wheat flour
4 teaspoons salt  or 2 cups for hard wheat flour

Sift together flour and salt. Cut lard into flour mixture with a fork or pastry blender until crumbs are about the size of small peas. Store Homemade Pastry Mix in covered container in refrigerator until ready to use. This mixture will keep at least a month in refrigerator. Yield: 8 single pie crusts.

Pastry for Single or Double Pie

To make single pie crust, use:
- 1 to 1 1/4 cups mix for 8-inch
- 1 1/4 to 1 1/2 cups mix for 9-inch
- 1 1/2 to 1 3/4 cups mix for 10-inch

To make double pie crust, use:
- 2 to 2 1/4 cups mix for 8-inch
- 2 1/4 to 2 1/2 cups mix for 9-inch
- 2 1/2 to 2 3/4 cups mix for 10-inch

Add water to mix, a small amount at a time, mixing quickly and evenly until dough just holds in a ball. Divide pastry if for double pie crust. Roll to about 1/8 inch thickness and line pie pan, allowing 1/2 inch crust to extend over edge.

For double crust pie, roll other half of pastry, making several gashes to allow for escape of steam. Place over filling and cut 1/2 inch smaller than lower crust. Fold lower crust over top crust. Crimp edges. Bake according to pie recipe.

For baking pie shell, crimp edge of pastry. Prick pastry with a fork before baking. Bake in very hot oven (450° F.) 8 to 10 minutes.

HOMEMADE CORN BREAD MIX

4 cups sifted enriched flour  1/2 cup sugar
4 cups white or yellow corn meal  1/4 cup baking powder

Sift together flour, corn meal, sugar, baking powder and salt. Cut lard into flour mixture with a fork or pastry blender until crumbs are about the size of small peas. Store Homemade Corn Bread Mix in covered container in refrigerator until ready to use. This mixture will keep in the refrigerator at least a month. Yield: 8 cups mix.

The National Live Stock and Meat Board of Chicago is a non-profit service organization conducting nation-wide services and projects executed by a staff of specialists in the fields of meat research, home economics, nutrition, meat merchandising and livestock marketing and production.

For 39 years the work of the Board has contributed significantly to the health and welfare of the people of this nation. In addition to generally increasing the nutritional level of the nation’s diet through creating a new awareness of the benefits of eating meat, the Board is also responsible for discoveries such as: liver as an important source of iron to prevent anemia; strained meat for babies; meat as an important factor in the diet of people at all ages; and as an aid in weight-reduction.

The Board practices wide dissemination of reliable information on the proper methods of meat selection, cookery and care and other facts which assure the most satisfactory utilization of all meat items.

Program of the Board is financed by voluntary contributions of livestock growers, feeders and meat packers.
