Recipes with Raisins,
Be lavish with raisins. It is justified by dietetic worth. They furnish 1560 units of energizing nutriment per pound, more energy than eggs, milk, meat or fish. They are 76 per cent pure fruit sugar in practically pre-digested form so their good is almost immediately assimilated.

They furnish food iron and valuable organic salts. Put raisins in oatmeal and in cookies, cakes and breads. Serve bread puddings, boiled rice and breakfast cereals with raisins. They improve sweet potatoes, candied or mashed. Raisins make plain foods delicious—be lavish with them.

These are the choicest of raisin recipes selected from thousands. Each has been carefully tested. Each is of proven value.

Sun-Maid raisins are the finest of California table grapes, dried in the sun, processed and packed with utmost care. They are produced and marketed by a cooperative organization of more than 14,000 growers who take pride in their brand and who offer it to the consuming public with confidence in its superiority to any other brand in the world.

SUN-MAID RAISIN GROWERS, FRESNO
Twin Peak Gems

- 1/4 cup butter
- 1/4 cup sugar
- 1/2 teaspoon salt
- 5 teaspoons baking powder
- 1 egg
- 1 cup milk
- 1/2 cup Sun-Maid seeded raisins

Cream the butter; add sugar and egg well beaten; sift baking powder with flour, and add to the first mixture, alternating with milk. Bake in buttered gem pans twenty-five minutes.

- 1/2 cup molasses
- 3/4 teaspoon soda
- 1 teaspoon salt
- 2 tablespoons melted butter

Mix and sift dry ingredients; add milk to molasses, and combine mixtures; then add butter and raisins, mix thoroughly and bake in moderate oven 20 to 25 minutes.

Marjorie Bran Gems

- 1 tablespoon sugar
- 2 tablespoons shortening
- 1 egg
- 1 teaspoon baking powder
- 1/2 cup Sun-Maid seedless raisins

Cream sugar with shortening, add egg and buttermilk. Sift flour, bran, salt and baking powder and add to sugar mixture. Add plumped raisins. Pour into greased gem pans and bake in moderate oven 25 to 30 minutes.

Raisin Nut Gems

- 1/4 cup walnut meats
- 1 well beaten egg
- 2 tablespoons melted butter or shortening
- 2 cups flour
- 2 teaspoons baking powder
- 3/4 teaspoon salt
- 2 tablespoons sugar
- 1/2 cup Sun-Maid raisins

Sift flour, baking powder, salt and sugar together. Add raisins and nuts, cut in pieces. Add milk and beaten egg and mix well. Stir in butter. Pour into greased gem pans and bake in moderate oven 30 to 35 minutes. This makes about 12 gems.

To plump raisins place them in a shallow pan in a moderate oven for 10 or 15 minutes. Then add to the batter while warm. Another way to plump raisins is, to cover them with hot water for 5 minutes and then drain. This latter method also removes the paper from the seeded raisins.

Before heating milk in a saucepan, rinse the pan in cold water and it will not scorch so easily.
Raisin Bread

1 cake yeast
1 cup lukewarm water
6 cups flour
4 tablespoons lard or shortening
¾ cup sugar
1 ½ cups Sun-Maid raisins
1 cup milk, scalded and cooled
1 teaspoon salt

Soften yeast in water. Add 2 cups flour and lard well creamed with sugar. Beat until smooth. Cover and set aside in a warm place to rise until light—about 1 ½ hours. Add plumped raisins, salt and remainder of flour and knead lightly until smooth. Put into greased bowl. Cover and let rise until double in bulk. Form into loaves and fill greased pans half full. Let rise again until double in bulk and put into hot oven. After 30 minutes reduce heat and bake about 30 to 35 minutes longer. This makes 2 medium sized loaves.

Whole Wheat Buns

2 cups scalded milk
¼ cup sugar or 1/2 cup molasses
2 teaspoons salt
1 yeast cake dissolved in ¼ cup lukewarm water
4 ½ cups coarse whole wheat flour
1 cup seeded Sun-Maid raisins

Add sweetening and salt to milk; cool, and when lukewarm add dissolved yeast cake and flour; beat well, cover, and let rise to double its bulk. Beat again, and turn into greased baking tins having pans one-half full; let rise, and bake. Whole wheat bread or buns should not quite double their bulk in the last rising.

To warm over biscuits, muffins, or rolls sprinkle lightly with water, place pan containing them in a pan of water and put in oven for a few minutes.
Raisin Corn Bread

2 cups flour  
1 cup corn meal  
6 teaspoons baking powder  
1 teaspoon salt

1/2 cup sugar  
2 eggs  
1 1/4 cups milk

Sift flour, corn meal, baking powder, salt and sugar together. Add raisins. Beat eggs until light. Add milk and stir into flour. Mix thoroughly. Pour into greased shallow pan and bake in moderate oven 25 to 30 minutes.

Whole Wheat Bread

2 cupfuls flour  
5 teaspoonfuls baking powder  
1 teaspoon salt  
2 cupfuls whole wheat flour

3 tablespoonfuls butter  
1 egg  
1 1/2 cups milk

Sift flour, baking powder and salt into a bowl, add whole wheat flour and mix thoroughly together. Rub in butter, add one-half of egg beaten and mix with milk, and mix to a soft dough; turn onto a floured baking board and knead lightly for a few minutes. Shape dough into loaves, and place in a greased baking pan; brush them over with remainder of beaten egg, and bake in a hot oven for 20 minutes. Sufficient for 2 loaves.

Raisin Bread

1 1/2 cups flour  
2 1/2 teaspoons baking powder  
3/4 teaspoon salt  
1/2 teaspoon soda

1 cup Sun-Maid raisins  
1 1/2 cups milk  
1 1/2 cups molasses

Sift flour, baking powder, salt, sugar and soda together. Add graham flour and raisins and mix well. Stir in milk and molasses. Pour into greased bread pans and bake in moderate oven 1 hour. If sour milk is used add 3/4 teaspoon soda instead of 1/2 teaspoon. This makes 2 small loaves or 1 large loaf.

Rich Nut Bread

3 cups flour  
3 teaspoons baking powder  
1 teaspoon salt  
1 cup sugar  
1 teaspoon cinnamon

1 egg  
1 1/2 cups milk  
1 cup broken walnut meats  
1 cup Sun-Maid seeded raisins

Sift flour, baking powder, salt, sugar and cinnamon together. Add beaten egg to milk. Stir into flour and mix well. Add nuts and plumped raisins. Pour into greased bread pans. Let stand 30 minutes and bake in moderate oven 1 hour. This makes 2 small loaves or 1 large loaf.
Soft Gingerbread

1/2 cup butter  1/2 cup sugar
1 cup molasses
1 cup boiling water
2 1/2 cups flour
1 teaspoon baking powder
1/2 cup Sun-Maid raisins
1 teaspoon soda
1/2 teaspoon salt
1 teaspoon ginger
1/2 teaspoon clove
1 teaspoon cinnamon
2 eggs

Cream butter and add sugar slowly, creaming them together. Add molasses and water and mix thoroughly. Sift flour, baking powder, salt, soda and spices together. Add to the butter mixture slowly, stirring constantly. Beat vigorously and add well beaten eggs and plumped raisins. Mix and pour into greased shallow pan. Bake in a moderate oven 30 to 35 minutes.

To keep raisins from sinking in a cake or bread, they may be creamed with the butter, then the sugar added, and the regular process of bread or cake-making proceeded with in the usual order. The cake or bread will be darker and richer looking when this method is employed.

Bread Without Yeast

Boston Brown Bread

1 cup flour
1 cup corn meal
1 teaspoon salt
2 teaspoons soda
1 cup graham flour
1 cup Sun-Maid raisins
1/2 cup molasses
2 cups sour milk or buttermilk

Sift flour, corn meal, salt and soda together. Add graham flour and raisins and mix thoroughly. Stir in molasses and sour milk. Beat well and pour into greased molds. Cover tightly and steam at least 2 hours. If this is put into 1 large mold it requires 4 hours steaming. It will make 4 loaves if put into pound baking powder cans and will require 2 hours steaming.

When using molasses that is not as dark as desired for ginger-bread or cookies, add a tablespoon of melted chocolate to molasses and spices. This not only gives the desired effect in color but flavors as well.

Dot with one tablespoon of the shortening and repeat in this way until all is used, making the last layer of crumbs, which should be sprinkled with the sugar and spice mixture, and dotted with the remaining shortening. Cover and bake 45 minutes in a hot oven, 375 degrees F., then brown it quickly. Serve half warm with cream, lemon or any of the hard sauces.

When cream will not whip, add the white of an egg to it. Let both the cream and egg be thoroughly chilled. Then try again and it will whip easily.

Plain Pastry

Sift flour and salt and cut shortening into flour until finely divided. Finger tips may be used to finish blending materials. Add gradually sufficient water to make a stiff paste. Water should be added sparingly and mixed with knife through dry ingredients. Form lightly and quickly with hand into dough; roll on slightly floured board about 1/4 inch thick. Use light motion in handling rolling pin, and roll from center outward. To make pastry rich use butter instead of shortening. Sufficient for one small pie.
