"LATEST CAKE SECRETS"
... a grand new kind of cake-making book!

For only 10¢ — the world's most famous cake-making book! "Latest Cake Secrets" is the kind of book you've always wanted! It's so complete and yet it's simple and concise. Whether you're a beginner or an expert, you will find in this book the latest secrets of new and finer cake making!

This booklet explains all the important steps in making a perfect cake. There are sections which tell how to choose ingredients, how to mix properly, how to bake, how to care for cakes after baking, and just how to frost cakes.

There are dozens of grand recipes not only for cakes but for cookies, quick breads, pastries, and frostings. Every one of these recipes has been carefully developed for best results. You can follow the clear rules and use these tested recipes and be sure of success!

Then too, "Latest Cake Secrets" has other interesting features: A Hostess Calendar, which tells you what to serve and when, and a section which gives you reasons and remedies for baking faults. Send coupon today.
OVEN THERMOMETER

...to take the guesswork out of oven temperatures

- For only 50¢—this standard oven thermometer can save you dollars in cake failures. Many cakes go wrong—if the oven temperature isn’t right. Don’t guess. Let this reliable thermometer tell you the exact temperature. Sturdy, white enamelled metal. Can be used in any oven. Use coupon!
24 LOVELY CELLOPHANE LACE DOILIES

…the smart new way to “doll up” dishes

FOR ONLY 15c — WHILE THEY LAST!

• These doilies are made of cellophane—yet they’re so lacy and dainty—they look just like “real lace.” You’ll find them wonderfully practical too, for they are waterproof. You can wipe them off and use them again and again.

Each doily is 6 inches in diameter—just the right size for dessert plates. We’ll send you two dozen of them for only 15¢

Get yours before they’re all gone. Send the coupon today!
