Yinol is the great constitutional remedy and not a palliative.

When the nervous force is low and devitalized, when run-down, tired-out and overworked, when the blood is thin and watery, coughs, colds and bronchitis get in their weakening influence.

Yinol goes to the seat of the trouble, vitalizes the blood, creates a hearty appetite, strengthens the digestive organs, makes nutrition of the system more rapid than destruction and, as a result, coughs, colds and bronchitis disappear and the system is built up.

Avoid Constipation

Vinlax Tablets

are a delicious confection, composed of Cascara, Figs, Senna and other ingredients valuable for the relief and cure of constipation.

Better than Castor Oil, Calomel, Salts or Pills for liver, bowels and stomach.

We guarantee them for Constipation, Torpid Liver, Bilioussness, Nausea, Sick Headache, Malaria, Jaundice and other Liver and Bowel complaints.

Constipation Cause of Many Ills

One of the great London physicians says, "constipation is the cause of many of the ills of the human race. The bowels are to the body what the sewer is to the city. Refuse from the stomach, if too long in the bowels, is carried back through the blood, and poisons the system."

The following disorders arise from constipation: Sick headache, dizziness, depressed spirits, loss of appetite, impure blood, rheumatism, disturbed sleep, hives, bilioussness, yellow skin, bad tasting mouth, foul breath; and these disorders, when neglected, often lead to grave and often fatal diseases, such as appendicitis, peritonitis, blood poison, typhoid and other fevers.

TREATMENT.—Vinlax Tablets are a constitutional tonic treatment for the bowels and to stir the liver out of its lazy, inactive condition.

Above all things, in the treatment of chronic or habitual constipation, it is vitally important to form a habit of going to stool at exactly the same hour every day, whether you feel like it or not. Take regular exercise, drink water abundantly. Eat fruits generously, also green vegetables, salads, etc., and eat coarse bread at least once daily.

Eczema Misery
Yields to Saxol Salve and Saxo Soap

Nearly half of all skin diseases are the various forms of eczema. It may appear on any part of the body and invariably causes severe itching. There is nearly always swelling, the skin becomes thick and in chronic cases often cracks open and bleeds.

We ask everyone who suffers from the tortures of this maddening skin trouble to try Saxol Salve and Saxo Soap.

TREATMENT.—In the acute or inflammatory stages of eczema, use as little water as possible. When crusts are formed, use Saxo Soap and warm water to remove them, but the least quantity of water that will answer the purpose should be employed and quickly taken up with a soft cloth. Do not rub. Then apply Saxol Salve freely.

We guarantee this treatment to relieve the terrible itching and burning of the skin. It is highly antiseptic, soothing, healing and penetrating, often causing all signs of the disease to disappear in a few days. Some stubborn cases of long standing require patient and persistent treatment.

Skin Affections That Yield to Saxol Salve and Saxo Soap

Barber's Itch

This highly contagious disease is usually contracted at an unsanitary barber shop. It begins as small, round, scaly patches, slightly puffed or swollen. These patches are sometimes surrounded by a ring of very minute vesicles or blisters and run together, making large purplish blotches, and pimples and pustules are formed and disfiguring scars are likely to result.

TREATMENT.—Saxol Salve and Saxo Soap contain exactly the ingredients required to destroy the parasite that causes barber’s itch, and soothes the inflammation and itching from the very first. Its penetrating qualities strike at the very roots of the disease and check its progress.

The Itch (or Scabies)

Caused by a very minute insect, burrowing in the skin, which causes intense itching. It usually commences on the fingers, the inner part of the wrist, the abdomen, etc. The scratching causes a sort of acute eczema to set in. It is very contagious, and is communicated from one child to another at school, and is most prevalent among uncleanly classes of people, though it may accidently be acquired by anyone.

TREATMENT.—Saxol Salve and Saxo Soap act very promptly by antiseptically cleansing and penetrating the skin and killing the parasites. This treatment gives very quick relief from the terrible itching and heals up the sore and lacerated places caused by scratching.

Itch Yields to Saxol Treatment

Patterson, N. Y.—"My children had a skin disease which they contracted in school and which the doctor called itch or eczema. He gave them medicines and ointments for it with very little benefit, but Saxol Salve has cured them and stopped the itching. Sufferers from itch or eczema should use it."
