OLDEST FRAT PIN FOUND

The oldest fraternity pin in Michigan State College is one belonging to Fraternity Phi of the Phi Beta Kappa. It is fast being worn by William T. Riddle, president of Phi Beta Kappa, and is the only pin that belongs to the chapter. The pin is a very old one, but the exact date it was presented is unknown. William T. Riddle is a member of the class of 1907, and the pin is one of the oldest pins in the fraternity.

LOST CHAIRMAN

One of the last activities the current term of the Student Senate has been only in the form of a meeting, held on Tuesday evening in the Claims Office. The meeting was called by Chairman William K. Riddle, but was not well attended. The meeting was held for the purpose of electing new officers for the future term. The new officers were elected, and the meeting adjourned.
