Union and Armory to Be Used in Spring Term Registration.

LIBERAL ARTS IN ARMORY
Registration and issuance of new passes will be made in the Armory this week. C. F. Miller, chairman of the board of the Armory, said that interest was well above normal with a good number of inquiries. Passes will be issued for a limited number of classes only.

DECORATIONS OF HIS MANY HOURS
Many new decorations of his many hours have been given to the Union in the past year. A recent example was a golden book presented to the Union by the old grad. 

Soon as they have dug the red predate the cooperation of the Union will have a few of the books. The predate will be used for the benefit of the Union.

The important thing is that the Union will have a few of the books. The predate will be used for the benefit of the Union.

There will be a meeting of the Union before the predate is finished.

"Will the gentleman who just coughed, kindly step to the box office . . . for a package of Old Golds?"

"Of course, I have never said just those words from the stage school in all kindness, but I have often wanted to offer this friendly help in some poor fellow whose cough is
interrupting the show and spoiling the enjoyment of those around him."

A year or so ago, the makers of OLD GOLD ran some ads on the disturbing effect of coughing in theaters. As an actor, I was grateful for those ads. I am even more grateful now that one of the best-known radio folk tells these same "rest and refreshment" stories to help make for "theatre comfort."

"My own advice is that prevention is the best aid. The kind of prevention that smoking can provide. Think twice before using the threat, and then never again."
