Do You want
SUMMER
WORK?

The Blarney Stone still does business at the
emerald island. You get the guide to hold onto your
hat, lean over the castle wall, and open a
repairman-smack upon the famous stone. Then
the creator can charm the birds out of the trees;
you can talk anybody out of anything, even
lighting his favorite cigarette.

Unfortunately, the stone has never had this
privilege, and his effort to make you see the
light and light a Chesterfield must later result
in a plain statement of cigarette fact, namely:

"We state it in honest belief that the

cheapest and best Chesterfield are of finer quality
and have better taste than in any other

expenditures at the price.

If this isn't the last word on the subject
of smoking, your correspondent engages to see
the Blarney stone upon his very next trip
to the Emerald Isle.

Pan-Hellenic Ball Brings
Formals to Close For Season

The Pan-Hellenic party "meets," as it were, one last time to bring the formals season to a close. The party was held in the old "Red Roof" Ballroom, and the night was one of the best of the season. The ladies were dressed in their best, and the gentlemen in tuxedos. The music was provided by the Michigan State University Glee Club, and the dance floor was crowded with dancers. The party lasted until late into the night, and everyone had a wonderful time. It was a fitting end to the formals season, and the members of the Pan-Hellenic are already looking forward to next year's season.

WHY CAMELS ARE THE BETTER CIGARETTE
Camels are made of the choicest tobacco grown—cured and blended with expert care.
Camels are mild and mellow.
The taste of Camels is smooth and satisfying.
Camels are cool and refreshing.
The fragrance of Camels is always pleasant, indoors or out.
They do not tire the taste nor leave any after-taste.
