Although it is the sixth week of classes, more than half the students' money has been spent. Mailboxes are overloaded with bills ranging in price from 50 cents to $25. Many have a large array of packages in the mail. As the second semester begins, so will the colds. The students who made the most are the ones who spend it as they earn it. That's why they always have a lot of money. The best way to avoid colds is to eat properly and get enough sleep.

We'd rather have a Chesterfield and now we'll tell you why...

Three mighty good reasons!

"Milder" — smoke as many as you like! That's what every Chesterfield smoker knows . . . . and it's not hard to prove either. Just try this blend of milder, milder tobaccos!

"FLAST BETTER" — you'll like as many as you smoke! That's what more smokers are learning every day. Not over-sweetened, but just sweet enough for constant enjoyment. The mild, rich flavor of the finest Turkish and Domestic tobaccos.

"THEY SATISFY" — in every way! The tobacco, the paper, the package . . . everything about Chesterfield is the best that money can buy or that science knows about!

GOOD . . . they're got to be good!
