**GIRLS Do Not Smoke Pipes**

'THAT GIRLS'S RIGHT to smoke is none of our business. They can smoke if they wish — for arguments — but they are not permitted to smoke on the property... In a pipe that contains tobacco, nobody can smoke except those who are equal to smoking. A man does not smoke to express a proposition. A woman does not smoke to express a proposition. A man who smokes should not be the best man on the college campus. Edgeworth smoking tobacco.
