Social Week-end To Be Unusually Full With Four Parties Planned; Harvest Ball is in Union Friday

The approach of Thanksgiving vacation means unusually full schedule of parties is planned by college organizations. In fact, there being only the Harvest Ball, one fall and two radio parties scheduled. Laraine and East Alpha, however, have had license from the Head Office and are planning a short dance on Thursday night which will be both a pajama and a dinner dance party. The theme, "Night in Paris" is being planned and much interest is being shown in it.

Harry Roll is in Union Friday night with a party followed by his annual Thanksgiving dinner. The Head Office has given permission for the weekly party, and the group is looking forward to the event. The theme is "Night in Paris" and the first part of the evening will consist of a pajama party. The guests are asked to bring pajama suits and to wear them. Miss Elise Cusson is in charge of decorations and will see that the atmosphere is Parisian. The group will eat midnight refreshments while listening to music from the piano. At the close of this entertainment the Head Office will serve Thanksgiving dinner. The Head Office has given the group permission to serve the dinner on the floor in the dining room where the guests may eat with the Head Office around the table. The entertainment following the dinner will consist of a dance party. The group plans to serve the dinner in a simple manner. The Head Office has been invited to attend the vigil and has accepted. The group has approved the entertainment plans.

Chesterfield

the cigarette that's MILDER than other cigarettes

CIGARETTES are made of tobacco, wrapped in paper, and they may look alike; but that doesn't mean that they are alike. Chesterfield Cigarettes are not like other cigarettes. The tobacco is not like the tobacco used in other cigarettes. It is mild, ripe—not harsh, or strong.

Then again, Chesterfields taste better. They are seasoned in the right way with the right kind of Turkish Tobacco. There is nothing flat or tasteless about them.

So Round, so Firm, so Fully Packed

Luckies draw easily—burn evenly

It's easy to see why so many women prefer Lucky Strike. Luckies are fully packed with long strands of choice tobacco, round and firm to the very tips. That means Luckies always draw easily, always burn smoothly. It also means no annoying loose ends to cling to lips or mess up the nice things in a woman's purse. And every day more and more women are showing their appreciation by saying "Luckies please".
