America's favorite SHORT CUT.
LONG DISTANCE

Make calls when you turn to Long Distance telephone service. You can get "here and back" in record time.

Improvements are constantly bringing the service more and more closer to the public's needs. Faster connections, higher quality transmission, "origin-recall" after 4:30 P.M.

Business toll fees. Long Distance a reliable and economical short cut to sales. You'll find it a pleasant short cut back home.

BELL SYSTEM
Not so long ago practically all cigarettes were made by hand

Now, Chesterfield are made by high-speed machines that turn out 750 cigarettes a minute, and the cigarettes are practically not touched by hand.

By the use of long-steel-rolled drying machines of the most modern type—and by aging the leaf tobacco for 30 months—like wine is aged—Chesterfield tobacco is milder and tastes better.

Only pure cigarette paper is used for Chesterfield.

And to make sure that everything that goes into Chesterfield is just right, expert chemists test all materials that are used in any way in the manufacture.

Chesterfield are made and packed in clean, modern factories, where the air is changed every 15 minutes. The moisture-proof package, stripped in Da Ponti's No. 390 Celluloid—the best made—reduces you just as if you went by the factory door.

In a letter to us, an eminent scientist says: "Chesterfield Cigarettes are just as pure as the water you drink."

FOOD OF TURKISH TOBACCOS

WHY Luckies taste better, smoother

On certain mountains in the Near East is a limited collar of earth—called in Turkish, “Yacca.” Tobacco grows there at a cost as high as $1.00 a pound. Carefully they are examined, leaf by leaf. Often it takes a man a whole day to select two pounds of certain of these fine tobaccos. Lucky Strike is the world’s biggest user of fine Turkish tobacco. For these tender, delicate Turkish leaves are blended with choice tobaccos from our own Southland—to make your Lucky Strike a cigarette that is fully packed—round and firm—from house ends. That’s why Luckies taste better, smoother.

ALWAYS the finest tobacco

ALWAYS the finest workmanship

ALWAYS Luckies please!
