Lucky Strike the fully packed cigarette

—no loose ends

Always the finest tobacco and only the center leaves are purchased for Lucky Strike cigarettes. We don't buy top leaves because those are underdeveloped. And not the bottom leaves—because those are inferior in quality. The center leaves—when farmers are paid higher prices—are the mildest leaves.

And only center leaves are used in making Luckies—so round, so firm, free from coarse ends. That's why every Lucky draws easily, burns evenly—and is always mild and smooth. Then, too—"It's toasted"—for throat protection—fo finer taste.

Cigarette that's Milder
Cigarette that Tastes Better

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality-and hence of better taste-than in any other cigarette at the price.
