Lack of Football Game Here
This Week Results in Slump
in Quota of Social Activities

With many students going to their homes for the week-
end as a result of an away-from-home date in the football
schedule, social activities on the campus are few. A Union
dance in the ballroom tonight, with Phil Henderson's orchestra
furnishing the music for dancing, had the party of folk
interest. Off campus the outstanding feature scheduled
in the list of Cal-Culway and the College of Agriculture at
the Lansing armory.
Outside of these few events the weekend pro-
gram contains only a ring of fraternity and sorority
parties.
