College to Construct Five New Buildings

Many Local Houses Built This Summer

Wide Range Is Evident in Permits Issued for Construction.

From June 11 to September 15, there was a long string of permits issued by the county for the construction of houses. A total of 421 permits were issued, ranging from one to six in number. According to the Building Department, these permits were issued for the construction of 4,850 houses. The most active areas were in West Side, South Side, and the city proper.

Preface

Being fully cognizant of the important position that the motion picture theatre occupies in our city life, and with a full realization of the essential character of the motion picture theatre in our community, we have decided to construct a new theatre in downtown Detroit.

We are grateful to the city officials who have given us the necessary permits to proceed with the construction of the theatre. We are also grateful to our numerous patrons who have supported us throughout the years.

We believe that the new theatre will provide a much-needed cultural and entertainment center for our community.

East Lansing Prepares for Term Opening

With Main street done over and new buildings sprouting up right and left all over the campus those who are coming back for school are apt to find themselves looking in vain for old familiar landmarks.

The yearly influx has already started with the football herd leading the procession, closely followed by a myriad of job hunters, room-seekers and what-have-you.

College officials are predicting the largest freshman enrollment in the State's history with applications already accepted from 2,310 prospective freshmen.

Fresh Coming Freshman Week starts Sunday with the exception of a few stragglers all first-year men' and transfer students will be on the campus in full force then.

Upper-classmen will register Friday and Saturday, following freshman registration so the latter part of next week will see the college crowd all back to take up the Lemmings of the enrolling season.

The buildings of the East Lansing high school graduating class will be dedicated at State Hall Sunday afternoon and ceremonies will be held this morning. The student body will be on hand and the day will be one of pride and joy.

ATTENTION HOUSEHOLDERS

A special meeting of all house-mothers of approved houses for women will be held Friday, September 15, at 10:30 p.m., on the second floor of the Administration building.

The purpose of this meeting will be to discuss the rules and regulations governing the lives of women in our college community.

The college administration requests that all house-mothers attend this meeting to learn about the new rules and regulations.

New Building

The campus has added several new buildings to its already growing structure with two new dormitories, a new auditorium, and a new boys' gymnasium.

There will also be a new swimming pool on Farm Lane.

Coral Gables Opens Tonight

Coral Gables ballroom will open the fall season under the management of Mr. and Mrs. J. D. Smith, who recently purchased the Belvoir Hotel. The ballroom will be open every night from the 15th to the 25th, and the music will be provided by the well-known orchestra of Mr. and Mrs. J. D. Smith.

Detroit Gunners for Tony's Job

A well-built boy listened over the back-yard fence of his Detroit home the other day and in a State News reporter of the next day.

They have been working for two years.

Tony Smith

High school in Detroit. During his freshman year at University of Detroit he made weekly trips to East Lansing to get further instruction from Tony Smith, well-known drum major of the college.

Smith taught the youngster all he knew, and especially the style of marching as employed by the Michigan State college musicians. For at least four hours every night, Werner drilled the bantam in his backyard garden. He practiced marching steps, and used an under-stander marching signal that was nearly as good as at the one where he learned the licks of the old-time music. He taught it over his head, and caught in twirling he practiced throwing it over a goal post, utilizing a telephone wire that ran from the street to his home. He practiced with a fervor, because he had a job on the line.

Will He Do It?

He told us of a mental picture he had had for those two years. The picture he now has pretty well man.

It is that of the bantam, who that falls over the stadium as the band marches on the field, of the drum as the drum major raises his baton, the long whistle, and the roar of the crowd as the bantam香s away down the field in perfect unison.

And in that picture he is a long way from his Detroit backyard.
Two Ins mornlnii Zolotovsky, mother-in-law, 11 college's A. B. Young, that behave; at Dr. Dec. 1, 1936, will lay Mrs. time and 1,000 CHara, the of build¬

Building (Continued from page 1) northfront of the Horticulture building, near Grand River avenue. Construction on the hospital will start within 16 days. Plans will be completed for the women's science clinic and building within 16 days. Both will be accepted for the women's dormitory after about 36 days and for the administration after about 40 days.

Announcing that PWA money will be sought for construction of the men's gymnasium and dormitory, Secretary Hannah explained that the college's portion of the proposed $250,000 investment, or $152,500, would be financed by athletic receipts, self-financing bonds to be refunded in 20 years.

New Dormitory
Construction of the proposed men's and women's dormitories will be given to the college when the fall term opens in September, 1937, housing facilities for approximately 1,800 men and 1,800 women students.

Out of the college's self-financing dormitories, other buildings to be constructed with PWA and the proposed gymnasium and field house and a proposed WPA improvement project are expected to save approximately $1,200,000 at cost to Michigan taxpayers of less than $275,000.

Arthur S. Perry, 50, of Lansing, brother of Milton B. Perry, 500 West Grand River, East Lansing, died suddenly Tuesday. Mr. Perry was survived by his brother, five daughters, and one son. Burial was Thursday afternoon.

Honey marketing problems will be discussed by Michigan beekeepers at Michigan State college Thursday, Sept. 22. The meeting will be in the Horticulture building, beginning at 1 p.m.

Russell Kelly, college assistant, is in charge of the program.

Local Merchants
To Hold Meeting
East Lansing Business Men's club will hold its regular meeting Tuesday, 6:30 p.m., at Hunt's Food Shop.

Dean Withberg, East Lansing merchant, will be chairman of the meeting. He has arranged by moving pictures to be shown. The pictures concern the history and growth of the state of Michigan and the property of the State Conservation department.

Goads Requested
To Visit Dean
Resident women making rooms in private homes are urged to meet Dean Elizabeth Goad to receive a list of approved rooms.

A survey completed by the office showed that approximately 10 homes are available in private homes for rooms. The list is available at Dean Goad's office. Usually rooms are arranged to consult the list before putting out a sign of rooms.

Mrs. J. A. Dean returned Sunday from Manhattan to East Lansing where she has spent the summer with her daughter, Mrs. C. E. St. C. Potter, and her son, Ronald Dean and family.

People's church will have recognition Sunday September 18. Pentecost exercises are planned, and the pupils are requested to be in their rooms at 10 a.m.

WANTED: PICTURES
Attention! Candid camera fans. Laurel G. Brown, football program manager, will buy candid camera photographs of Spurian gridiron for publication in this fall's football program.

Local Coeds Active on Campus

Freshman Week Will Officially Begin Next Tuesday; Uphollemen to Register Friday, Saturday

Freshman Week has not arrived yet and the opening of the school year is still two weeks in the offing, but those East Lansing coeds who are to be especially active in campus activities this year are already planning their respective programs for fall term.

Emily Are, TriBeta 430 Division short, Chi Omega representative on the Panhellenic board, is preparing for a busy season as associated ranking chairman of Chi Omega society and as the student member of the V. F. C. A. cabinet in charge of handwork.

Margaret Collinge, senior this year, and in charge of the freshmen "big sister" movement, announced that the "big sister" program will be carried out in a different manner from former years. There will be a series of two or three "Freshman Familiarities" to be attended by a faculty advisor and a number of "Big Sisters." Miss Collinge is also secretary of W. A. A. and vice-president of the international Relations club.

Joni Krikel, social chairwoman of the Spartan Women's League, disclosed today that there will be an extra bonus for all women transfer students early in the fall. Plans are being made for a battle of roses to be held at 8 o'clock on the homecoming dance, October 29. The winner will be crowned "Queen of the Dance." A or C council, Phylos Quick, treasurer; Atflnn, Peter Keleher, secretary; Martha Board, Elizabeth McGowan, publicity chairman; Martha Board, Gladys Run, social chairman; W. L. Jones, Martin, secretary, Union board; Christine Horne, president; T. A. and T., secretary, junior; T. A. and T., junior, secretary.

Other East Lansing coeds who will join the activities this year are Mary M. Hitchcock, chairman, International and Margaret Collinge, co-chairman, Business.

Local Couple to Speak Vows

Bridal dinner for the marriage of Miss Dorothy Weirick, daughter of Mr. and Mrs. Andrew G. Weirick, 600 Ashon road, and Donald L. Wright, son of Mr. and Mrs. E. A. Wright of 335, Eberline avenue, will be given at the Eberline avenue home of Mr. and Mrs. Wright, Saturday at 6 o'clock. The dinner will be held at Hunt's Food Shop to the Wrights.

Guests will include Mr. and Mrs. E. A. Wright; Miss Dorothy Weirick; Mrs. Andrew G. Weirick; Mr. and Mrs. Gordon Weirick; Mr. and Mrs. John F. Weirick; Miss Dorothy Weirick, and the guests who attended the wedding of Miss Weirick with a gift.

A family riding class will be conducted during the period of October 3 to December 2, and will meet from 8:30 to 10:30 a.m., Mondays, Wednesdays, and Fridays of each week, was announced by Andrew J. W. How of the economy major.

In order that the instruction may be progressive, new members will be accepted after October 3. However, a new class will be formed at the beginning of each term.

Faculty members desiring to join the class are asked to call the cavalry office on or before October 2.

Injury Jinx Threatens As Season Nears

**Five Spartans Laid Low In Early Drills**

By MARSHALL DANN

With the opening game of the Spartan season but a week and a day away, public interest in the schedule can give the best glimpse into the future of the team. When the schedule was announced last year, certain ones opined that State had weakened its array of opening foes in the hopes of gaining an unbeaten and untied season.

"After all," they explained, "Manhattan, the only one to beat last year, and Carnegie Tech, which has always been one of our toughest opponents, are no longer in our way, and the schedule does not feature the possible embarrassment of playing them in 1932, as both of this fall's end. Furthermore, State didn't have too many a time with Kansa and San Francisco.

Certainly, by considering the class of such teams in Santa Clara, Saracens, West Virginia and Illinois, this theory is shown to be false.

**NEW FACES**

With these four teams added to a card with Wayne, Marquette, Missouri, Marietta and Temple, there will be no excuse for the players that State faces absolutely the strongest schedule in its 39-year history.

No team ever established itself, and with the exception of Missouri and Illinois, had lost an average of the nature, but by weakening its schedule.

One of the local grandstands remarked the other day that Michigan could never have faced State in the first game if it had a superior team. It was his contention that no team could be brought to the point of playing form, with a new coach and a new system, in its first game.

To refute this statement one only has to look at the record of Santa Clara. Two weeks ago the Bears of this year played a game with our current quartet and returned not an ounce of the loss in their schedule, a fact that was rated the tops on the Pacific coast. Last year's Bear's team again had a perfect season. The Bears will bring a game back next month that promises to be tougher than those last two.

Those who expect 1932 and the

**East Lansing Facing Tough Schedule; First Game Friday**

By Arvild Josef

Facing the toughest schedule in the history of the school, the East Lansing high school grid team is groomed, which will be next Friday.

"The starting line-up is not set yet," said Coach Cuddy, "Shavers have the job of the positions are still with open." Last year the local team lost to Eaton Rapids, 2-14. This year's team will be better than last year," predicted Shaver.

**Two in Row**

During this week, Lakeview Battle Creek and Mount Pleasant are expected to be an easy win for the Spartans.

**Nelson Hurt**

In conclusion, State's pass-catching end, has an infected foot and won't see action until next week. Robert Green, first string guard, has been out a few days with a chest infection, but will be back in uniform today.

"Woodrow" shows no sign of a pulled muscle in practice and will be missing for a couple of days. Premier, first year line, has been extensively converted into a tackle and backfield, and in practice, last night had his arm with a bone injury.

The remainder of the squad has been spending, in blocking and tackling practice, with little actual scrimmaging. Nelson is still coming out of the game of 70 tackles for possible tackles to replace the four regulars lost from last year's squad.

**No Worries**

With four outstanding substitutes, to choose from, backfield coach, Mike Cusco, will have no worries over the four regular calling signals. Al Doherty, Le Brown, Hom, Klotzick, and Don Patterson are all available.

The backfield position is still pretty much of a worry, with veteran Ed Raley holding a slight edge over George Stewart, Gerald Drake and Jack Aman.

The Spartans will continue with the schedule, with possible tackle substitutions, to be ready for the next week. Coach Rachman has not yet indicated when he will need his. charges through the first inter-squad game.

Buzz Barkley, who did the Spartan first-kicking, last week, made his major league debut with the Detroit Athletics last Thursday against Boston. Barkley has been converted into a starting, and got his first chance. He has been with Williamsport the past four years.

George Stein State quarter-back, returned to East Lansing last week after a summer spent with "A" team of field and track athletics, traveling Europe.
