Flu Leniency Urged

A Flu Virus is in the immediate area, and alarm has been raised concerning the widespread infection of the virus. It is feared that the virus will spread throughout the state, and medical authorities are on the alert to prevent a major outbreak.

Flu symptoms include fever, headache, muscle aches, and fatigue. The virus is highly contagious, and it can be transmitted through contact with an infected person or by inhaling droplets from a sneeze or cough.

Preventive measures include washing hands frequently, avoiding close contact with sick people, and practicing good hygiene. If you have flu-like symptoms, stay home and avoid contact with others to prevent spreading the virus.

Flu Outbreak Near End

The recent flu outbreak appears to be declining, with fewer cases reported in recent weeks. However, medical authorities continue to monitor the situation closely, as flu outbreaks can be unpredictable.

Preventive measures include washing hands frequently, avoiding close contact with sick people, and practicing good hygiene. If you have flu-like symptoms, stay home and avoid contact with others to prevent spreading the virus.

Flu Series Urged

A Flu Vaccine is available to prevent the flu. The vaccine is recommended for everyone ages 6 months and older, especially those at high risk of serious flu complications. The vaccine is safe and effective, and it is the best way to prevent flu.

Service Group To Initiate 4

A Service Group is planning to initiate a new project to address community needs. The group is looking for volunteers to help with a variety of tasks, including community service projects, tutoring, and mentorship programs.

Please contact the Service Group for more information on how you can get involved and make a difference in your community.

Flu Lessons Begin

Flu lessons have begun in the classroom. Teachers are incorporating flu prevention information into their lessons, and students are learning about the importance of good hygiene practices.

If you have flu-like symptoms, stay home and avoid contact with others to prevent spreading the virus. Washing hands frequently and avoiding close contact with sick people are important steps in preventing flu.

Farm Lane Is Not Our Frontier

Everyone wonders about the prospect of war, but not only do Michigan State students want to know what is happening to others, but they also want to know what is happening to them. Does it mean war? Does it mean peace? Does it mean a return to normalcy? These are the questions that are being asked by the students at this university.

The speaker was a United States citizen, and therefore, he felt the need to warn the students about the possible consequences of war. He emphasized the importance of maintaining a strong and united front against any potential aggression. He urged the students to stay informed and to support their country in any way possible.

If This Were Only True

Then there was the college where everyone was happy. The library was large enough to accommodate all the students, and the food was excellent. In the Union, the students could relax and enjoy themselves after classes. During the warmer months, all college and public questions were discussed and solved in the library. The University was never in a dilemma. The library was always ready to lend a helping hand.

But the Professors Were Absent

For many years, the Faculty Union coffee hour has been a popular place for students to socialize and enjoy each other's company. The union is located on the second floor of the Union, and it is open to all students. The union provides a comfortable and relaxing atmosphere for students to enjoy each other's company and to take a break from their studies.

REGISTRATION NOTICE

In order to ensure that all students are properly registered, the university has implemented a new registration process. Students are required to register for all courses they plan to take during the upcoming semester. Failure to register may result in a student not being able to attend classes or meeting the requirements for graduation.

Quotables Quotes

"Change is a necessary evil to advance into a higher stage of civilization. In every stage in the history of the world, man has been forced to advance. When his footprints cease to be effective, he becomes evident.

ORGAN LOSES SOLEMNITY

At Engineers’ Ball

By DAVID GRANGER

‘Mid myriad colored lights forming vivid patterns a group of students gathered last night to enjoy the music of the Engineers’ Ball. Congratulations for the party’s success go to Bill Stevens, general chairman, who was there with Naomi. Credit deserves a full skirted coat of red. Betty Snowdon, taking her what may seem strange ride, was there with Les Johnson. Patrons were: Doreen Moser, Bob Boush, Bill Stevens, and Marjorie Pinney. This was a great demand for a solo performance.

Carnival Will be Held In New Fieldhouse Next Year

Michigan Normal, Wayne, Western State, Bring Strong Squad for Carnival

Green, Carpenter Still Out of Lineup

With exception Walter Carpenter's, Michigan's lineup, still not made for action after being laid low by the flu, now threatens to be crowded in all events of the Northwest Annual Michigan State College Indoor Track Carnival at the after noon and evening in the Spartan gymnasium.

This will be the last time that the event will be held in the familiar place, for next year it will be moved to the new fieldhouse.

With the increased facilities and available upon the annual affair may be changed to benefit from championship.

Today, training will wind up in order to have the individuals in top shape for the meet.

Frosh Cagers May Prove Helpful to '40 Varsity

The Frosh basketball team, which meets the Central College Frosh in the Independent Michigan State University Invitational Tournament tomorrow afternoon, may prove more helpful than has been imagined by those who have observed the Frosh the past few weeks.

"It seems that the Frosh have practiced and practiced with an intensity that has been unexpected," said an assistant coach.

"I fail to see why they haven't had more playing time. They haven't done anything wrong."
