You Can't Get a Drink Here

Fifteen water systems that should be installed on main drinking fountains at various spots of the campus. For never can the superintendent be sure of the time when he receives the bottle carrier. If the bottle carrier is not able to reach the fountain before the water level is empty, it is impossible to provide a core of water. The water level is low at the fountain before it has reached the bottom of the bottle. The water level is at the bottom of the bottle, and the water is clear and free from any sediment or debris. The water level is at the bottom of the bottle, and the water is clear and free from any sediment or debris.

AQUA TUNA

For the Love of Water

Water is a basic need for all living organisms, and it plays a crucial role in maintaining the health and well-being of the human body. Without water, the body cannot function properly. It is essential for the proper functioning of all biological systems, including the digestive system, the circulatory system, and the respiratory system.

Liberal Quaint

The most important feature of a campus library is the collection of books and materials that are available to students, faculty, and the general public. The library is a place where people can go to learn about a particular subject or to find information on a specific topic. Libraries are places where people can go to study, research, and pursue their intellectual curiosity.

British and French Governments Promise 'War to Bitter End'

But Arrival of Iroquois Eases U. S. Strain; Russia Harries Smaller Balkan States

By Bruce Way

A week of suspense and horror ended Thursday night for 238 passengers of the American steamship 'Iroquois,' who dodged safety in New York harbor, bringing the week's biggest war story. Confirmed what the Germans threat that the 'Iroquois' would sink through a repetition of incidents that led to the sinking of the 'Lusitania.'

Y MCA Brings Noted Runner To Talk Here

Monday night, the Y M CA will present Mr. J. R. Beam, noted runner, who is the only American to have run the 100 yards, in 10.2 seconds, and the 220 yards, in 21.8 seconds, and has a world's record for the 220 yards. Mr. Beam will address the students at 8:15 p.m.

Speech Trials Start Soon

MSC Date Bureau Routs Campus Cupid

Party gardening activities are conducted at the MSC, 731 N. Harrison. The bureau is responsible for the erection and care of the campus flower gardens and for the planting and care of the campus trees. The bureau is also responsible for the care and repair of the MSC's lawn and for the care and repair of the MSC's grounds. The bureau is also responsible for the care and repair of the MSC's lawn and for the care and repair of the MSC's grounds.
Spartan Portfolio

BY DON ANDERSON

At 1:30 in a notebook, Radford Coach George Hamburger wrote, 'Michigan State is our biggest game of the season.'

The meet with Penn State today promises to be an evenly matched contest with plenty of skilled athletes on both sides. Neither team has a sure win, although the game could be close as at most schools. The outcome of this contest will be a mark for this season.

The Seventh Week

MEETS DEFEAT

Brown would like to bring it to the Michigan State line this way: 'The Spartans, once again, got into their third-straight defeat.'

Spartans Set Out

The team is set out for the meet with Penn State. All they need to win is a great performance. It may not be easy, but the team has a chance to win.

FOOTBALL

Season's Openers

State vs. Penn State will be the season's openers. This is the first time the two teams have faced each other.
