### Vanishing Vocalist

Patrons of the local dance  
will find a new face in the band  
of Rod Raffell this week-end.  
Conrad, popular young vo-  
calist, is deserting the band to  
join in wedlock. Replacing him  
will be Dick Dwyer, an original  
member of the Raffell outfit. He  
comes in from Washington, D. C.

## Washington Merry-Go-Round

### Dies Turns Up Evidence Of School 'Column'

Drew Pearson. By United Feature Syndicate.

WASHINGTON—After three years' probing of subversive activities, it takes a lot to excite Representative Martin Dies, but the other day the rangy Texan hit on a discovery that took his breath away.

His committee has been making a sweeping inquiry of Jap fifth-columning on the West Coast, including subversive teaching in Japanese language schools located all over Southern California.

Investigators found that from the primary grades up students in these schools are indoctrinated with militarism and the ideology of their Japanese ancestors.

Primer books, for instance, are filled with pictures of the Japanese flag and soldiers, accounts of the greatness of the Jap navy, and stories with titles like "My Brother Enlisted in the Army."

PREDICTED PEARL HARBOR: However, the thing that stunned Dies was a portion of a story titled "Submarines." Although written several years ago, it was a perfect description of the "sneak" submarine attack at Pearl Harbor.

Printed in both Japanese and English, it read: "It is our duty to go underwater when the enemy's battleships draw near and sink them by shooting torpedoes, and at times to go secretly to the enemy's harbor and attack its battleships without warning."

On the morning that the State Department issued its famous statement blasting the so-called Free French for taking over the tiny North Atlantic islands of St. Pierre-Miquelon, Ray Atherton, chief of the State Department's

European Division, telephoned to Hume Wrong, counselor of the Canadian Legation.

CANADA MOST CONCERNED: Canada is more concerned with the two French Islands than any other country because they are nearer her shores, so Atherton read to Canadian Counselor Wrong the statement blasting the Free French.

"What do you think of it?" he asked. "I think it's too strong," replied Wrong, whose government strongly sympathizes with DeGaulle.

"Well we can't change it now," replied Atherton. "It's already been issued to the newspapers."

"Then why did you want to read it to me?" asked Wrong. "The State Department—mastermind had no answer."

NOTE: The State Department has been deluged with condemnation for cracking down on the Free French. Some of the most criticism has been based upon the fact that we acted without consulting our Allies the Canadians and British, who were equally if not more concerned in the matter than the United States.

Several days ago, Senator D. Worth Clark announced that the sneak movie probe he headed had been abandoned in the interest of national unity.

DIDN'T MENTION COST: That what he did not mention was the fact that this isolationist propaganda stunt, pulled off by Clark and Senators Burt Wheeler and Gerald Nye, without Senate authorization, is going to cost the taxpayers the neat sum of \$2,300.

This is the total of the bills incurred by the probe that Clark has quietly slipped the Senate Judiciary Committee for approval so they can be paid.

Chief among the outlays for which taxpayers will be soaked are two bills for \$250 each submitted by Hollywood gossip-columnist James Fidler and George Fisher, for expenses covering their trip to Washington to testify against movie censorship.

Biggest bill is \$1,800 for stenographers employed to record the emanations of John T. Flynn and other hand-picked isolationist witnesses.

Approval of the bills by the Audit committee is certain. One reason is that New Hampshire's isolationist Senator Charles Tobey is a ranking member of the committee. Another reason is the Senate's traditional back-scratching.

Whatever senators privately may think about one another, publicly they rarely throw bricks.

Smith college, in a move to conserve fuel for defense, has appointed "heat cops" to close windows in the morning and to watch temperatures throughout the day.

Members of Sigma Gamma Upsilon, honorary hotel administration fraternity, will hold their sixth annual dinner at 7:30 Friday, at the Hotel Porter, Ken Lawson, president, said yesterday.

Lawson will preside at the dinner. New members are to be honored. Dinner music will be furnished by Bud Bell and his orchestra.

Bob Kersch, chairman for the party, is being assisted by Jim Roshan, Pete VanValin and John Reynolds. Following the dinner, members and their guests will attend the Bell Hop at the Union.

## MODERN GREEKS

### Engagements, Pledges, Parties Crowd Rosters

By Dash Wuerfel

See a pin and pick it up—and all the day you'll have good luck—that seems to be the motto of packs of Greeks, for no sooner have we announced a dozen engagements than a couple more come to our attention.

Frinstance, to put it coyly, a certain pin belonging to Fred Mitchell, East Lansing Lambda Chi, has caught addresses and a new residing at the Alpha Delta house in the possession of Emille Rawdon, of Bethesda, Md.

There are two Kappa Delta engagements taking the spotlight this week since Betty Lou Maloney, Lansing junior, has been wearing a ring from Donald Sipley, Cedar Springs senior. Then Margaret Skaggs, Detroit freshman, received a diamond from Ray Lull of Detroit.

Something new has been added to the AOP roster, because the gals recently have pledged Carol Guetler, freshman from Monroe, Nannette Hegelman, sophomore from Detroit, Jackie Scott, sophomore from Niagara Falls, and Irene Wade, Muskegon junior.

The Zeta Taua are forging ahead with a batch of parties this week in all honor of their house guest, Miss Margaret Faustlich, who is inspecting the house Tuesday they had at At Home, and today a buffet supper is scheduled.

Wandering from the home range is Sigma Kappa's Jean Carr of Battle Creek, who has a Delta Phi sweetheart pin from Bill Timmons of the University of Illinois.

And Jeanette Rumbold, Detroit junior, got a diamond from Bill Mogford of Detroit.

The Alpha Gamma Delta house was converted into a circus for a party, Tuesday, and among those present was Myrtle Schmiedlin Allen who married last summer and has just now returned to school to finish her course.

## LaGuardia Figures In Defense Bill

BY TRANSMEDIA PRESS

WASHINGTON, Jan. 14—House and Senate conferees on the \$100,000,000 civilian defense bill agreed unanimously today to the Senate version which would give New York Mayor LaGuardia control of the civilian defense program.

The agreement by the conferees scrapped the House version of the bill which would have eliminated LaGuardia from the civilian defense set-up by transferring control of the program to the secretary of war.

Action by the conferees followed a statement by LaGuardia before a house committee that he would resign either his seat as mayor of New York or his position as civilian defense director.

LaGuardia's statement was made in a hearing before the House subcommittee on the bill, which was introduced by Representative Charles McNary, of Oregon.

LaGuardia's resignation would mean that the civilian defense program would be controlled by the secretary of war, a move which would have been a major blow to the mayor's efforts to expand his role in the defense program.

ATO last year's-fraternity basketball champs, turned their first defense into a 13-3 victory over Phi Kappa Tau five today night as six cage coaches most of them close fought, opened the 1942 season.

One-point margins decided two games with the Kappa Sigma 9-3 from FarmHouse in the Phi Kappa Tau defeat of the Hesperiens 11-10, for the first victory. Highest scorers of the evening was the Phi Kappa Alpha in the only game scheduled.

Phi Kappa Alpha in the Phi Kappa Alpha of Lambda Chi made four field goals and three as their team defeated Phi Kappa Tau in the first game, while the Phi Kappa Alpha saw the Delta Sigma Epsilon at an 18-8 setback, to the Phi Kappa Alpha.

The Phi Kappa Alpha Phi Kappa Alpha ran up the highest individual score of three floor shots and free throws for the losers, and field goals also, and from the foul line. Al was high point man for the

# Star Tankers Attracted To AAU Meet

A star-studded field of 65 entries was announced yesterday by Coach Charles McCaffrey as national starters in the combined National Junior and Michigan Seniors which will be held in the AAU swimming championship pool in Jenison Gymnasium at 8 p. m. Saturday.

The meet will speak with star performers and national champions with varsity and freshman teams from U. of M. State and Wayne, plus several high school prospects included on the entry list.

The feature event will be the National AAU 300 yard medley relay which will bring together three crack collegiate aggregations. From favored Michigan will come Dick Reid, back stroke ace Jimmy Patten, national collegiate free style champion, and Tommy Williams. Wayne has entered Freeman Flynn, Vic Dene and Guy Lundsten, 1940 National Collegiate free style champion. John Becker, Chuck Bigelow and Ralph Newton will represent State.

Among the other well-known names entered are Bill Prew, NCAA holder of the 100 yard free style title; Bill Casley, Jackson high star; Bud Dillig, Detroit's top high-school performer from Southwestern; Capt. Dobson, Harton who won the 50-meter event at the recent International Aquatics Forum in Ft. Lauderdale, Fla. and Streiner, T. S. Martin, the Waynesville grid diver.

# Gerard Takes Lead In Cage Scoring With 81 Points

J. Gerard, the rugged center forward from North Webster, Ind., has taken a 23-point lead on the rest of his team mates for the individual scoring leadership of the Michigan State basketball team.

Gerard has tossed in 34 baskets and 16 free throws for 84 points in 19 games while Dudley Jones, the No. 2 scorer, has made 61 points, followed by Bill Burk with 51.

Following are the complete scoring totals for the rest of the varsity squad: Chet Aubuchon, 48; Mel Peterson, 34; Roy Diehl, 28; Fred Stone, 22; Nick Hachis, 21; Carl Petroski, 12; Oliver White, 3; George Weber, 2; and Clayton Kowalk.

### VARSIITY IN REVERSE

But that was last Tuesday. Came 24 hours later their practice of Wednesday, and everything shifted into reverse. The varsity looked like an intramural team at the Little Sisters of the Poor Orphan's home. If they were playing Okemos in that practice, the Spartans would have needed a 20-point spot to win.

Now which of those styles of play the cagers will turn in against Marquette—well, Coach Ben Van Alstyne is wondering that, too. If they play like they practiced Tuesday, Marquette is in for its fourth defeat in seven games; if they play like they practiced Wednesday, take a tip and see what's on at the local cinema.

### TOPPERS TO FIGHT

Marquette won't be a pushover—it never has been in the past, winning 17 of the 23 played in the last 20 years. The Hilltoppers always put on a good show with State, as is indicated by the 37-36 thriller which State capped in their last meeting at Milwaukee late last season.

Coach Bill Chandler, the Toppers' veteran mentor, has a green sophomore team and he'll start four of those first-year men against State. His other regular is his son, Bill Chandler, Jr., now in his second year on the squad.

### Fire Sweeps Docks

PHILADELPHIA, Jan. 14—An oil warehouse and part of the Delaware river pier of the Texas company near Claymont, Del., were destroyed late today by a fire that followed two explosions. Three men were injured fighting the blaze.

### MOE BERG RELEASED

BOSTON, Jan. 14—Coach Moe Berg of the Boston Red Sox, was given his unconditional release today to allow him to accompany a U. S. government good-will tour of Central and South America.

JACK DENTINGER DICK COLLENTINE COACH CHANDLER

This is the long and the short of the Marquette basketball team, a real press agent's dream. Dentinger, 6-foot-6, equals Michigan State's Fred Stone, but Dick Collettine, at 5-foot-4, is a full five inches shorter than Roy Diehl, the "baby" of the Spartan team.

# Undefeated Buckeye Poloists To Mix With State Indoors

By Bill Maddox

Ohio State poloists, undefeated in outdoor circles, will invade Demonstration hall Saturday night with the purpose of unsaddling the intercollegiate indoor undefeated Spartans.

In their only two games of the year, the Buckeyes have set Illinois and Dayton down solidly. State has tangled with Illinois, too, on the land and in the hall, taking both of the contests by close scores.

Coach Maj. Gerald Peterson's riders will be playing with the advantages of home grounds and familiar horses. The brand of ball that the Spartans put out indoors has made them well respected by midwest colleges.

but in the regular lineup for the first time.

The other starters will be Johnny Milunzi, who teams with Chandler at forward; Burt Brit and Al Skat, guards, and either Ray Kuffel or Jack Dentinger at center. Dentinger is Marquette's 6-foot-6 center who is also the team's leading scorer with 45 points. He has been sick, however, since Christmas vacation and hasn't been used regularly.

Marquette's record this year includes victories over Chicago, Michigan and Butler, and two defeats to Wisconsin and one to Illinois.

Deadline on entries for the men's intramural handball doubles should be made at the office of Coach Daubert in the fieldhouse by Saturday noon.

Last night they met Syracuse on the start of their current eastern tour. Saturday night they move down to Detroit to engage U. of D's Titans.

The Spartan lineup seems fairly well set with Joe Gerard and Roy Diehl at forward; Fred Stone, who can match Dentinger's 6'2" foot stature, at center, and Mel Peterson and Bill Burk at guard. Then, of course, there's Capt. and All-American Chet Aubuchon ready to rush in at forward or guard whenever needed.

The post time for this event is 8 p. m., and, according to all advance predictions, it should be State's eighth triumph in 11 starts this year.

Captain LeRoy Merrill came through with his usual vigour and all-over Delbert Townsend of Kansas State, to go into the

lead as high-point man on Coach Fendley Collins' squad for this year.

Frank Foster, newcomer to the wrestling team, put up a game fight in his first varsity match before losing a fall to Paul Chronister. Chronister is ranked as one of the best 175-pounders in the Big Six conference this year.

The summary:  
121 pounds—Herb Thompson, Michigan State, defeated Melvin Stifel, Michigan (8-2).  
135 pounds—LeRoy Merrill, Michigan State, defeated Delbert Townsend, fall.  
150 pounds—Chet Aubuchon, Michigan State, defeated John Spahn, double fall (2-0).

### Outing Club Schedules Train For North This Week End

Instructor J. H. Husted, of the forestry department, and Outing club adviser, skis on a northern slope with Walter H. Wickman, Chicago Junior. The Outing club ski train will leave for Grayling Sunday at 7:30 a. m.

By Betty Jo Cornish

The Fourth Annual Snow train for Grayling will leave Sunday at 8 a. m., announced Harry Butler, president of the Michigan State Outing club, yesterday.

Buses will leave the Union at 7:30 a. m. and 7:45 a. m. to take the students to the train. The train will return to Lansing at 10:30 p. m. Women students who are going will

have 11 p. m. permission unless the train is delayed, in which case they will have one-half hour after the train arrives at the station, according to announcement from the dean of women's office. "The Grayling Winter Sports State park will offer a great variety of sports to those who go on the train," Butler said.

There are six terraced toboggan slides, three 100-foot slides over ice, two of Michigan's largest outdoor ice rinks, with music for skating. Others are a heated lunch room and a heated check room; and 25 miles of ski and snowshoe trails. An added attraction is "Suicide Sal," the world's largest and fastest toboggan, ski, and saddle-ski hill.

Tickets may be purchased at the Union desk and forestry office. The tickets will include transportation from East Lansing to Lansing Michigan Central depot, train fare to and from Grayling, transportation to and from park, and admittance into park. The trip is being sponsored by the M.S.C. Outing club.

### Hospital Reports Start of Cold Run

After an unusually long delay in starting the post-vacation run of colds is now well under way according to Dr. C. F. Holland, director of the Health center. With the exception of colds, Holland stated, State students are unusually healthy this winter.

Two students received appendectomies during the last week. Etchason Lill, sophomore Engineer from East Lansing was operated on Tuesday morning and John Mach, a senior Applied Science major from Inkster received an appendectomy Sunday.

## Knox Knocks to Warn Against Truth Of Reports Originating in Germany

BY TRANSRADIO PRESS

WASHINGTON, Jan. 14—Navy Secretary Knox added his voice today to those of other high government officials in cautioning against ready acceptance of Nazi-inspired reports of unrest in Germany.

Knox said it was curious to note that almost every one of the stories reporting Nazi losses in Russia were originating within Germany itself.

Knox emphasized that the leaders in Germany were adept in the use of psychological factors to bring about desired results. The Navy secretary said that reports of a shake-up in the German high command were probably well founded in fact but pointed out that a similar shake-up had occurred before, in 1938.

The Navy secretary said that while the Russians were forcing the Germans to retreat, the military situation had not yet developed into a rout, and added that the Germans still had "the greatest military machine in the world."

He said the navy was "gravely concerned" over what he called "the racial problem in Germany." There, he said, the Japanese comprises 37 per cent of the population, and over 25 per cent of these Japanese are "foreign-born."

The telephone plays a vital role in army communications. So the Bell System is helping to school Signal Corps men in practically every phase of telephone construction, operation and maintenance.

This training job is but a small part of the tremendous task Bell System people are doing in this national crisis. They're setting up telephone systems for new camps, bases and factories—handling an enormous volume of calls needed to coordinate the Nation's war effort.

Throughout the country, Bell System people are wholeheartedly cooperating in the drive for victory. To men and women of their high caliber, there is real satisfaction in a difficult job well done.
