

Sandra Sue and Raymond Scott fought it out in the Union grill yesterday, and Sandra Sue won. Prom publicity committee used the back of a Great Scott! Sandra Sue picture to make a poster advertising Raymond Scott, who will play for the sophomores on Jan. 30. The wolves jumped on the poster and carried it away, leaving a note in its place reading, "Let us have the picture, we wouldn't miss the team on a bet."

Mass Production

ST. LOUIS, Jan. 16.—When the Benjamin Air Rifle company and the CIO signed a new contract in St. Louis they put a clause in it under which the president of the company, A. P. Spack, pledges to give \$25 for each child born to his employees in 1942. Spack said as far as his part went: "The sky is the limit."

Nice Goin', Eddie

One Cub Scout is going to have a story to tell his grandchildren about Eddie Guest. After the speech Thursday night, Guest came off into the wings of the stage loaded with Scouts of all varieties. As he passed en route to the door, a chubby arm shot out and patted him on the shoulder and a button-faced 10-year-old chirped up, "Nice Mr. Guest." The author of "A Heap o' Livin'" stopped, shook hands with the Cub and thanked him for the encouraging words. The event in the lives of little boys.

No Comment

Mason 12 isn't saying anything about the dorm food these days. The members just mention to the boys now and then the "South Williams incident." The boys in the women over for a mass dinner. Not even ONE came.

Rational Rations

A suggestion that Michigan State follow the lead of some other colleges with students voluntarily giving themselves to three cigarettes and one cup of coffee a day has not yet been officially acted upon by Student Council. However, if the coffee part of the rationing plan is to be held in the Union mixed lounge for those who really stress physical fitness, cocoa will be served too.

Bagwell Named Bureau Head

Paul D. Bagwell has been appointed head of the speakers' bureau of the Ingham County Civil Defense Council. It was announced yesterday. Bagwell will be a 24-man committee selected recently by civic, patriotic, educational, and service organizations on the basis of merit. The speakers' bureau will obtain lecturers to be supplemented by volunteers, students, and speakers selected by the director. It organized groups in Ingham County will be solicited to use one of these speakers at each of their meetings. Churches, schools, and centers will be invited to participate. Bagwell was appointed by Lewis Street Hughes of Lansing, chairman of the Ingham County Civil Defense Council.

Millard to Preside

Dr. C. V. Millard, associate professor of education, will preside over the panel discussion held at the conference of the Joint Committee for Studies in Child Growth and Development and the Michigan Conference of Grade School Supervisors in the Union building today.

LATE FLASHES FROM TRANSRADIO PRESS

Under the Wire

VICHY, Jan. 16.—It was announced tonight that Pope Pius had donated a million and a half francs for the war-stricken Diocese of France. The fund will be handled by Pape Nuncio Valerio. WASHINGTON, Jan. 16.—Under Secretary of War Robert Patterson revealed today that the War Department and the automobile industry have agreed upon terms for the production of three and a half billion dollars worth of military supplies and equipment since the Japanese attack on Pearl Harbor. VICHY, Jan. 16.—The Vichy News agency reported that the staff of the American legation at Vichy had left by special train for Lisbon. The dispatch said the Americans would be exchanged in Portugal for German legation members from the United States.

Spartan '5' Nips Hilltoppers In Roughhouse Tilt, 51-40

Campus Gives 3,250 Dimes Toward Dog

Drive Continues Off Campus; Lions Club Will Buy Dog Later

Its success assured, the main campus drive of the Blue Key "Seeing-Eye" dog campaign closed last night with a total of \$325 in its coffers, \$275 short of the required \$600. Collections from several fraternities and other off-campus houses are still to be made, according to Chairman Jack Widick. "Contributions have been very satisfactory," Widick stated.

MONDAY IS DEADLINE

Widick pointed out that for those who still wish to contribute to this fund, contributions will be accepted in Dean Fred T. Mitchell's office, in the Union annex, until Monday. The Seeing-eye dog will be purchased at a later date through the Lions Club of America, which controls the distribution of Seeing-eye dogs, with the cooperation of the Lansing Lions club. In the event that the student and faculty contributions do not reach \$600, the goal set by Blue Key, the Lansing Lions club will make up the difference, but it is hoped that the campaign can be entirely student-supported, according to Widick.

TO UNDERGO TRAINING

After the dog has been purchased, Paul Olson, blind Liberal Arts junior, who is to receive the dog, will undergo a three month training period with the dog at a Seeing-eye dog school in the east. During this training period, Olson, who has distinguished himself about campus as a member of Green Helmet and as an excellent student, will learn how to handle the dog. Blue Key hopes to carry out a similar campaign each year with the idea of aiding some unfortunate M. S. C. student, Widick said.

First of Film Series Opens With Two Runs Tonight

"The Grand Illusion," first of a series of seven movies to be presented in Fairchild theater Saturday evenings, will be shown at 7 and 9 p. m. tonight, Prof. S. E. Crowe, secretary of the lecture course committee, announced today. Students will be admitted to the group, called the "World Adventure Series," by their activity books, and faculty and college employees may get tickets until noon today at the accounting office.

State Homemakers Hold Conference

The second in a series of "refresher" courses offered by the foods and nutrition department in conjunction with the Home Economics department for all Home Ec graduates in the state will be held today. At least 150 registrants are expected. Attended by about 100 homemaking teachers from throughout the state, a state vocational conference was held yesterday in the Home Ec building with Mrs. Merle D. Byers, associate professor in home economics education, as chairman. The theme of the conference was "Family Health in Homemaking Education."

OTHERS WILL FOLLOW

Technicolor reels similar to those shown by Capt. John Craig recently will be featured for the remaining four evenings by well-known lecturers. These are as follows: Jan. 24, L. N. Cottow showing the Andes mountains; Jan. 31, Ruth and Bill Alby bringing Alaskan scenes; Feb. 7, Ray Scott picturing China; March 14, Joe Fisher, talking and showing pictures of Singapore.

German Air Ace Dies

BERLIN, Jan. 16.—(via Radio)—The death of one of Germany's outstanding war aces, Pilot Lieut. Count Kraegenack, was announced tonight.

Hannah Sets Ceiling On Party Expenses

J-Hop OK's Uniforms as Formal Wear

By George Herbert Winter term party costs will have to be kept on a level with party expenses for pre-war years, Pres. John A. Hannah said yesterday.

Combining his warning with a tribute to the engineers for making the Engineers' Ball semi-formal, President Hannah said that no group will be allowed to pay more for orchestra, favors, or programs than has been spent in former years. In line with measures to cut expenses of social affairs, J-Hop Chairman Doug Reeve announced yesterday that advanced military uniforms had been approved as correct wear for the J-Hop this year. A strictly formal winter party season limits the number of students that can attend dances, Hannah added. The actual price of tickets is not so great, he said, but the cost of renting or purchasing a tuxedo or set of tails prohibits a large percentage of the student body from attending college parties.

COAT OF ARMS IS A SYMBOL OF MSC LIFE

The plaque below, which is the college coat of arms, now hangs in the main lobby of the Union. Designed by Joseph Lewis, Ludington junior, and Charles Stebbins, Lansing senior, it represents the history and ideals of the college. The open book, divided in two parts, represents the six college divisions, explains its designers, while the military arms in the lower third stand for the four ROTC training groups and the fact that this is a land grant college. The retort with test tube designates the college experiment stations. College hall, flanked by two trees, is a replica of the first building on campus, the first in the world devoted to teaching scientific agriculture. Agricultural extension activities are shown by the 4-H emblem. A plume pen, crossed by a stalk of wheat, symbolizes the wedding of learning to agriculture in its foundation in 1855. Symbol of the student spirit and athletic prowess of its college teams is the Spartan helmet.

OKAY UNIFORMS

Approval of military uniforms followed suggestion of the move by Dale McElvey, Farwell senior, representing advanced R. O. T. C. students. Date for the J-Hop has officially been set as Feb. 20, Reeve announced, and Hop committees will meet each Tuesday until that time.

Axis Chiefs Ponder Naval Strategy

BY TRANSRADIO PRESS BERNE, Switzerland, Jan. 16.—The Berlin radio announced tonight that the supreme commander of the German naval forces, Grand Admiral Raeder, had conferred today with Italian fleet commander, Admiral Ricciardi. The meeting took place at Garmisch in southern Germany. The official Nazi announcement said the Axis naval chiefs had reached an agreement regarding collaboration between the German and Italian navies to achieve final victory. However, diplomatic quarters in Berne considered it more likely that Admiral Raeder had called the Italian naval chief on the carpet for the failure of his warships to come out of hiding.

Nelson Attends First Cabinet Meeting

WASHINGTON, Jan. 16.—(TP)—Donald Nelson sat in on his first cabinet meeting today in his capacity as all-powerful chairman of the War Production board. On leaving the White House, Nelson told reporters he would attend cabinet meetings regularly. He had no other comment to make on his plans under the staggering new assignment handed him officially today by President Roosevelt.

Pacific Fleet Sinks Five Jap Ships

Aussies Rush More Reinforcements Into Malaya

WASHINGTON, Jan. 16.—Assuming the offensive today, the United States Navy sent five more Japanese ships, three transports and two large cargo vessels, to the bottom. The heavy toll of enemy shipping brought to 24 the total number of vessels the Navy has sunk in the Far East.

LIBERTY EDITOR TO SPEAK HERE WEDNESDAY

Fulton Oursler, novelist, author, dramatist, and editor of the "Liberty" magazine, will appear here Wednesday under auspices of the college lecture series, according to S. E. Crowe, chairman of the series. Besides being editor-in-chief of "Liberty" and editor of 10 monthly magazines, Oursler has written 10 novels, six plays, two biographies, and several motion pictures. He has also written six best-selling detective stories under his pen-name, Anthony Abbott. Oursler is intensely interested in police and detective work, and since starting a feature in his magazine, he has been responsible for the capture of more than four hundred criminals. He also owns a complete garden devoted exclusively to raising poison plants such as deadly nightshade and arsenic.

Two Women's Dorms Elect Term Officers

Two more women's residences have elected their term officers, it was announced yesterday. Betty Jane Walter is the new president of North Hall while Vivian McMannus will direct the activities of Bailey Cooperative House. Aileen Wilson is the vice-president of North Hall and Evelyn Church is secretary. The newly elected treasurer of North Hall is Ava Jean Humphrey and Virginia Wiley will direct social affairs at the dorm. Secretary-Treasurer at Bailey House is Jeanne Knight and Sheila Navarre is social secretary.

Proposed Property Measure Grants Vast Seizure Power

WASHINGTON, Jan. 16.—A new and more drastic wartime property seizure bill was introduced in the senate today by Senator Van Nuys of Indiana. The bill would authorize government agencies to acquire by purchase, donation, or condemnation any personal or possession of such property. The prosecution of the war. Under this proposed new seizure law the government could take immediate possession of such property. The bill also would permit the President to require any person or business concern to accept war contracts.

EUROPEAN WAR SUMMARY

German armies, half buried in the deep snow of Russia, were making a desperate effort tonight to stave off further defeat by launching a series of sharp counter-attacks. All indications were that the counter-offensives were being smothered before they could get under way. The Nazi counter-attacks were acknowledged in tonight's Russian high command which said the Nazis had been hurled back with heavy losses. The communique reported the general Soviet advance had continued throughout the day, with German resistance being broken down. A supplement of the midnight communique gave details of one Nazi counter-drive on a southwestern sector. The Germans tried to advance after receiving reinforcements. Russian defenders held the attackers with machine gun and trench mortar fire and then threw them back in disorder with a counter-charge. In this engagement the Nazis left 300 dead on the field of battle.

Spartan Winter Sport Fans Board Grayling Snow Train

By ELLEN STEGENGA Twenty-five miles of ski and snowshoe trails, six terraced toboggan slides, and Michigan's two largest outdoor ice rinks are some of the sports attractions which will be offered to State students leaving on the snow train for Grayling Sunday, according to Harry Butler, president of the M. S. C. Outing club. Butler estimated yesterday that around 50 sports fans will make the trip, including several forestry students who attended ski school at Sault Ste. Marie during Christmas vacation. Butler stated that the thaw experienced in lower Michigan has not extended to Grayling. According to the latest Michigan State weather bureau reports there will be snow for ski-

Lambda Chi Sacrifices Meal, Buys Defense Savings Bonds

Students at Michigan State college demonstrated their willingness to cooperate with the government's war effort when members of the Lambda Chi Alpha fraternity decided to buy Defense Savings Bonds with money originally used for a dinner preceding their annual winter formal dance.

Neil LeFevre, center of Hesperia, Michigan, president of the Michigan State college chapter of Lambda Chi Alpha fraternity, presents a bond to Russell Daubert, chapter adviser. Miss Mary Jeanne Miller, East Lansing sophomore, who will be LeFevre's guest at the Lambda Chi Alpha party Saturday night, watches the transaction with interest. The bonds will be held by Daubert in the name of the members of Lambda Chi Alpha fraternity.

Engine Ball Will Be By, Of and For The Engineers

The Engineer's ball this year will really be the Engineer's party, Chairman Adrian Faasse announced yesterday. Faasse said that only Engineers may purchase tickets before Tuesday morning for the party which is scheduled for Jan. 23 in the Auditorium. Five hundred tickets are on sale yesterday in Room 109, Ods hall.

Homines Legis Elect

John Douch, Elkton junior, was elected Thursday evening to head Homines Legis, police administration honorary, it was announced yesterday. Other officers elected to serve for the year 1942-43 are: Captain, Don Robert, Lansing junior; Desk Sergeant, Woodrow Wiltse, Dearborn junior; Sergeant at Arms, John Slater, East Lansing junior.

Brazil Seizes Nazi Ship 'Monterideo'

BY TRANSRADIO PRESS RIO DE JANEIRO, Jan. 16.—(TP)—The German ship Monterey which had been tied up since the beginning of the war at the port of Rio Grande was taken over tonight by the Brazilian Lloyd company. It also was announced in Rio de Janeiro that the German embassy was closing the tourist department of German railways in Brazil. It was explained that the step was taken because of the difficulties of traveling.

Meet Mr. McCaffree Grapplers Favored Polo Opens Here

Aubuchon And Gerard Pace State Again

By TOM RIORDAN

Turning on a terrific offense of fast break and set-shooting, Michigan State's Spartans rolled over Marquette, 51 to 40, before 4,200 shouting fans in Jenison fieldhouse last night. Taking the lead after seven minutes, the lead-crazy Spartans led 28 to 16 at the half and this lead was never threatened.

TOPPERS GRAB LEAD

Joe Gerard, who was put out on personal fouls in the second period, stayed in long enough to claim scoring honors with five field goals and six free throws for 16 points. Gerard combined with Capt. Chet Aubuchon time after time on passes up the floor and under the basket for fast-breaking scoring plays.

Clicking for 9 points, All-America Aubie turned in one of his greatest performances as he sent things under perfect control from the first moment he came into the game until brother Ira relieved him with two minutes to play. Taking advantage of the breaks, the Hilltoppers jumped into a 7 to 3 advantage after seven minutes of play. With Marquette pressing all over the floor, Coach Ben Van Aalstyne inserted Aubuchon into the lineup with Fred Stone and Bill Burk. Turning on the fast break with Chet and Gerard passing the Hilltoppers dizzy, the Spartans started to roll. Five minutes later they eliminated Marquette's margin and assumed a 13 to 9 lead.

KEEP IT UP

Instead of going into a semi-stall at this stage as according to the Spartans custom, they kept on peppering the baskets as freely as if they were behind. Dad Jones, who ended his pointless fumble of the last two lifts, dropped two long shots before the half, and Fred Stone added a rebound.

Washington Merry-Go-Round

Welles, Aranha Hit Hard at Hitler And Hirohito

Drew Pearson

Robert B. Allen

RIO DE JANEIRO—If this Pan-American conference succeeds in lining up the Americas against the Axis—and with one exception it looks as if it will—Messrs. Hitler and Hirohito will have Undersecretary Sumner Welles and Brazilian Foreign Minister Aranha largely to thank.

These are the two men who have carried the ball for a united Pan-American war front, with President Vargas giving them potent 100 per cent support in the background.

Strangely enough no two men could be more dissimilar. Oswaldo Aranha is an ex-gauche from the cattle country of Brazil, accustomed to appearing at horse races with two revolvers strapped to his belt...

Undersecretary of State Welles, on the other hand, had Roosevelt's background of Gorton and Harvard, had the same god-mother as Eleanor Roosevelt...

Underneath his somewhat austere exterior, however, Sumner Welles is just as much the human being as Oswaldo Aranha...

Not many people realize it, but in South America Welles is known as the father of Roosevelt's Good Neighbor policy—now recognized almost universally as the soundest foreign program put forward by any American president in half a century.

It was Sumner Welles who, when High Commissioner to the Dominican Republic was far back in the Coolidge administration, persuaded Charles Evans Hughes, then Secretary of State, to withdraw the Marines...

It was Welles also who wrote the famous Central American treaties during the Coolidge administration by which revolutionary governments were denied recognition. His purpose was 17 per cent upstart military leaders from seizing control of the banana republics every few months.

However, neither the Central Americans nor Calvin Coolidge were quite ready for this advanced stage of peace and good neighborliness, with the result that Welles resigned, and Coolidge sent the Marines back into Nicaragua.

Welles waited patiently all during the Hoover administration, toward the end of which he put in a lot of political punches for the election of his boyhood friend, Franklin Roosevelt. And not generally known is that Welles chiefly wrote the foreign affairs planks in the Democratic platform adopted at the 1932 Chicago convention.

Welles' record for constantly pounding the Good Neighbor policy needs no further review here. But this week at Rio de Janeiro he reached the climax of his ambitions—the attempt to create a united front against all the dictators by all the Americas.

Oswaldo Aranha, Welles' partner in this ambition, is the son of a wealthy cattle-rancher. He was educated at a military school, spent five years fighting in Brazilian revolutions—most of the time in the saddle—and has a leg partly shot away plus a bullet still lodged in his shoulder to show for it.

Aranha was the military leader of the revolutionary army of 1930 which made Getulio Vargas President of Brazil, and won for Henry L. Stimson the nickname "Wrong Horse Harry." Stimson, then Secretary of State, bet on the wrong horse and sent U. S. planes to support the regime which Aranha defeated.

Aranha spent four years in Washington, where as Ambassador he got to know the U. S. A. as few other envoys. He took a motor trip to the West Coast, went to the Kentucky Derby with Jim Farley (where, incidentally, he won \$1,500) visited with all sorts of people from Herbert Hoover to John L. Lewis, and even attended the conventions of the Democratic and Republican parties.

One of his descriptions of the conventions is still remembered in Washington. "At Cleveland," said Aranha, "the Republicans promised Santa Claus to both the rich and the poor, while at Philadelphia, the Democrats promised Santa Claus to the poor with the rich man's money."

Ever since his four years in Washington, Aranha has been known as the chief friend of the U. S. A. below the Rio Grande. He has observed that title, for sometimes in the face of tough political slugging at home and rebuffs even from his alleged friends in Washington, he has stuck by the United States.

INFORMATION

Condensed Capsules Of Timely News

NEW STUDENTS

According to S. E. Crowe, chairman of orientation committee, some new students have not completed the examinations, required of all of them. Failure to appear for these examinations will result in cancellation of registration.

Reading test—4 to 5 p. m. Wednesday, Jan. 21. Room 101 Agriculture hall.

Psychology test—4 to 5 p. m. Thursday, Jan. 22. Room 101 Agriculture hall.

Medical examination—An individual appointment must be made at the Health Service immediately. Unless satisfactory reason can be given for failure to appear previously, a fee of \$2 must be paid.

GREEN SPLASH

Members of Green Splash will meet at 8:30 this morning in the women's gym pool to practice for the swim honorary's annual festival.

TEACHERS-TO-BE

There will be a meeting of all students interested in teaching in the Little theater of the home economics building at 7 p. m. Monday.

Purpose of the meeting will be the discussion of formation of an honorary professional society in education.

HOME EC

The Home Ec workroom for Red Cross work will be open Monday, according to Jerry Rolfe. Home Ec club publicity head. Notice will be posted in the Home Ec building of the hours it will be open.

PROTECTION SERVICE

The first lecture in the protective service of civilian defense will be held Monday in room 206 Horticulture building at 7 p. m.

C. N. McCarty, of the chemistry department, will speak on "Chemistry in Warfare." Enrollees in the course will be accepted that evening.

OPEN ART COURSE

An art course open to the public and under the sponsorship of the M.S.C. art department and the Peoples university movement was announced yesterday by Try Narvesen, president. Classes will be held Monday evenings, beginning at 7 p. m. on the third floor of the Union annex.

Clay modeling and ceramics will be under the direction of Julius Ayres, and Miss Helen Tape will direct painting and sketching.

Board Moves To Finance Summer Term

Pigs J. A. Hannah was authorized to discuss financing of summer school with Governor Van Wagenen by the State Board of Agriculture at its meeting Thursday, according to Karl H. McDowell, secretary.

It has been estimated that to finance a full term of school work for MSC students this summer will require approximately \$33,000 more than is required for regular summer sessions of the past.

Four appointments to the faculty and staff and seven resignations were also approved by the board.

Merrill Pierson, for the past six years secretary of the Iowa State Board of Education, was named assistant comptroller of the college. He will take over his new duties within the next few days.

S. B. Apple staff member at Texas A. and M. was appointed research assistant in horticulture, replacing H. L. Seaton, who resigned last year. His appointment is effective Feb. 1.

Other appointments included Leonard C. Price as associate professor in mechanical engineering and Miss Edith Butler, as acting head of the art department.

Resignations approved were S. W. Stewart, mathematics instructor, who will join the army signal corps; Roger Russell, psychology instructor, who is joining the army air corps, and Don G. Efinger, extension specialist in agricultural engineering.

The remainder of those whose resignations were approved are: J. C. Osborne, assistant in animal pathology; Miss Beulah Whitaker, reference librarian, and Fred L. Hicks, assistant comptroller.

Richard Cole, member of the college broadcasting station, WKAR, was granted a leave of absence.

Dr. Walter D. Coking, ousted dean of the University of Georgia college of education, has been appointed consultant in program planning by the federal security agency.

Town Girls Donate Room for Campus Red Cross Work

In line with campus defense activities, a Red Cross workroom is being installed in the Town Girls' quarters of the Union as a distributing point for home-work sewing.

Mrs. Kathleen Codd, Red Cross chairman at Michigan State, announced yesterday.

The work will get under way Tuesday afternoon from 2 to 5, when a group of women students who have had training in sewing will meet to discuss plans for continuation of the project.

About 40 women have been selected from applications for defense work to act as instructors to other volunteers because of advanced training in clothing.

Those desiring to cooperate in Red Cross work may see Mrs. Codd, or sign a defense card in the A. W. S. office at any time.

SHOPPING 'ROUND

Shops Go French With Flannels, Fringed Scarfs

By CARRIE MCGRAW

Really thumbs up! Ice cream platts and Shetland pastel skirts have just breezed into stock at a local shop, to lift the spirits of your campus troopers.

For the suit-girls, another shop has oodles of blouses to give a two-piece variety of personalities—these in two famous brands—Debraut and Lido, as advertised in Mademoiselle.

French scarfs with the fringe, have a head start. They're \$2.30 almost any color.

Dozens of digit designers that are strictly wonderful and good copies of real stuff. Lots of startling jewelry, too.

High-fashion are the Carlye-designed, year-round, rayon jersey dresses. An aqua one with a pretty red fish on the left shoulder has dash.

Right from the heart we bring a big "yes, indeed," for this one—the hyacinth colored snow suit contrasted by a smart plaid lining and fur trim worn by "Candy" Clause on the forthcoming Spartan cover—look for it!

Notes to suit a mood? Why End stationery has eight assortments. The one for collegiates is "dedicated to smarties totting books under their arms."

Another item—French flannel slacks—designed to make you look slim as a fraction—and just the thing for lounging purposes.

Snazzy enough to make it wearer turn up her sniffer is the blue taffeta formal with the silver sequin-trimmed jacket displayed in the window of a popular East Lansing store.

Rumania Calls More Men to Colors

VICHY, Jan. 16—(TP)—A news dispatch from Bucharest reported tonight that the Rumanian government had decided to call up for military service the classes of 1942 and 1943.

Men from the classes of 1940 and 1941 who had been exempted for medical reasons also were ordered to report on Feb. 10. It was assumed that the reinforcements were needed because of Rumanian losses in Russia.

MODERN GREEKS

Paragraph of Pains; Rest Is Newswy

By Dash Wuerfel

The Theta Chi are feeling mighty hen-pecked since Frances Week—so does anyone who wants to buy a chicken. After using it during initiation they have become so attached to their feathery friend that they can't bear to take her life so they're willing to give anyone the hen-cheap.

Then there are two new pledges along the Delta Chi way. Marjorie McConnell, Detroit Freshman and Terry Lobdell, Alma sophomore, are the most recent on the roll call.

Bob Rongo, Kaleva senior at school this week for the remainder of the term to attend an advance flying course in the Upper airport. He will return to school next term.

Back in the swing again, the Alpha Phi's had a party Thursday night, and the Alpha Chi Deltas have even more new pledges. She is Ruth Fields, Democrat, J. S. sophomore.

Chi Omega has just initiated Laura Mae Leland of Wright Grove, Miss., and Rosemary Ziegler of Lansing. They have just initiated Betty Frazier of Lansing, Helen Munroe of East Lansing, and Marian Goetz of East Lansing.

The Phi Deltas are severely going after this Uncle Sam's You idea, too, and they just got the strict red, white and blue for Victory, etc.

Proceeds from the Phi Deltas to be held this afternoon for the sponsorship of the Key "seeing-eye" dog fund. It was an unprecedented success for the Union Board President to pay a penny tax on coffee.

Music will be furnished by Charlie and his orchestra. The band is a new one to be organized and was organized last fall.

New Kampus Kapers Show on Air Today

A new edition of Kampus Kapers, WKAR's variety show, will be presented this afternoon at 2 p. m. in Fairchild theater.

The second production of the new series features Drummer Boy, Tommy Tabler and his band, with Edy Weber as vocalist, and Ed Edgerly as master of ceremony.

Director L. D. Barnhart says the program is open to the public and will be announced by ALEX DeWillingham.

Swimming - Swami Inside Sports - -

By Marshall Dapp

If only we had an extra bottle of champagne (Pommery, vintage 1928) in our cellars, we are so filled with enthusiasm today for Michigan State's swimming team that we'd be tempted to crack it over the sturdy head of Charles McCaffree.

Be not misled, it isn't that we do young McCaffree bodily harm; it's just that we'd like to take some such practical method of wishing him good luck, bon voyage and all that sort of thing.

Tonight McCaffree officially launches his coaching career as developer of M.S.C. swimmer's talent for the State A.A.U. meet which will mark the first competitive appearance of his Spartan athletes.

We are certain that it also marks the beginning of a new era in Michigan swimming history—an era which will be filled with success. We need converse with this McCaffree but for a few brief moments to realize the rosy future which lies ahead.

This conclusion results from no bragging or boasting on McCaffree's part. He is a modest, unassuming character who has just returned from a trip to Florida where he simply can't hide his enthusiasm for this sport.

McCaffree is a member of the national championship team at Michigan. He has been coaching 10 years and his team have a record of 96 victories and 12 defeats.

McCaffree is only 33 years old, but already has gained himself a national reputation in swimming. Just two years ago he was a member of the national championship team.

McCaffree will not allow his enthusiasm to reach such proportions that he makes rash pre-season statements. He's been coaching too long to do that, so his probable statement for the public consumption would be as follows:

"We have a fine bunch of boys here. They're just rounding into shape. We won't promise anything starting, but the boys are sure that they'll be better with each meet."

McCaffree can tell you that swimming business when he has been competitive swimmer. For instance, there was a Christmas vacation . . . the Spartans held an Aquatic meet last fall for the purpose of raising enough money to send the team to the winter training camp at Ft. Lauderdale, Fla., for 10 days in December.

McCaffree says that the Spartans held an Aquatic meet last fall for the purpose of raising enough money to send the team to the winter training camp at Ft. Lauderdale, Fla., for 10 days in December.

AAU Races Head Swim Opener Here Tonight

Record Gives State Edge on 'U' Matmen

Spartans Stronger in Low Weights

Looking over the records of both the Wolverine and the Spartan wrestlers for this season, the dope runs that Coach Fendley Collins and his boys have the edge in tonight's match at Ann Arbor.

The Spartans have two victories and no defeats so far this season while the Wolverine grapplers have scored a win over Lehigh and a tie with Kansas State.

Michigan drew with the Koggies 14 to 14 last Monday night. On Tuesday, Collins' matmen gave the Kansas boys a going over 17 to 11.

Transfer Student May Be Out Of Tonight's Game

Formerly it was thought that all there was to playing polo was to have a suicidal tendency and an ability to swing a wicked mallet. But now, it appears, more complications have set in on the Spartan campus.

Came winter term and Ray Ferguson of Cleveland, Ohio, and questionable class standing, reported for practice. The problem of eligibility also bowed in.

Although Ray's choice playing experience included a transfer of credits has caused eligibility troubles. So far, Coach Maj Gerald Peterson has been unable to determine the status of Ferguson, and probably won't be able to use him in the Ohio State game tonight.

Even without Ray, the Spartans still look to be well prepared for the O.S.U. affair in Dem hall. After a week of intensive practice Jack Burton has perfected a special "showing" technique which should terrorize the Buckeyes at No. 1.

Norm Spatz will be ready at the No. 2 post and he has sharpened his spurs to give the Ohioans a real ride after last year's rough and tumble scrap. Major Peterson has named Ered Gibson to ride the back position. Len Rowe also may see some action.

The game will start at 7:30 p. m. and a second game with the Flint Eagles meeting the Detroit Zephyrs will follow immediately.

Ring Team Hit Hard by Loss Of Veterans

With their opening meet against Harvard now two weeks away, Coach Al Kawaal's Spartan boxers have swung into full stride in their training work-outs and are shooting a lot of talented punches around the ring in the fieldhouse.

Ed Guderson, 120-pounder from Ludington, who understudied Clyde Marshall last year in the same role, has emerged as the chief threat in the lowest weight of the squad, Billy Zurakowski, last year's only major letter winner, still tops the list in the 128-pound class, and is in his usual topflight condition.

Capt. Harvey Trombley, at 135 pounds, is almost sure to weigh-in on the varsity squad at his weight. Trombley is looking well in recent workouts and has kept his quick hard blows as lightning fast as ever.

At 145 pounds, Sid Salisbury, Ed Wood, a Lansing product, and Jim Harris are in the race, with Wood having the edge in bouts but weighing slightly more than 152 pounds which may place him in the 155 pound weight. Along with Wood is Hazen Doan, hard-hitting junior in this class.

It's in the higher weights that Kawaal faces his toughest problem. His regular 165-pounder, Chuck Corey, did not return to school this term, and Glenn Menter, veteran at 175-pounds left the campus for the Army Air Corps this week. These berths are now wide open along with the heavyweight spot where no topmatch performers have come forth as yet.

Dorms Set For More Action

With all but six teams having tasted action in last Monday's openers, the Dormitory Basketball League will resume operation Monday night in Jenison fieldhouse with nine games scheduled.

The defending champion, Mason 1, will play Abbot 14 at 8 p. m. in search of its first victory of the season. Abbot 1 was upset in its opener with the result that it now appears to be a wide-open race in this league.

Other games scheduled are as follows: 8 p. m.—Mason 8 vs. Mason 9; Mason 1 vs. Abbot 14; and Mason 4 vs. Mason 5. 8:45 p. m.—Wells F vs. Wells E; Abbot 18 vs. Abbot 12, and Abbot 16 vs. Abbot 13.

Nelson Holds Lead

OAKLAND, Calif., Jan. 16 (TP)—Byron Nelson set the pace again today in the \$3,000 Oakland Open with another round of sub-par golf to run his 36-hole total to 136. Nelson shot a one-under-par 69 today to add to his 67 opener.

Relay Crowns at Stake

The feature attraction of this meet will be the National Junior A.A.U. 200-yard medley relay. This year, which included all competitors who have formerly won A.A.U. titles, has drawn several possibilities from Michigan, Wayne and Michigan State in addition to the powerhouse team entries from Lake Erie and Jackson.

Michigan's Wolverine team will be the first to start in the 200-yard medley relay. The team will consist of four swimmers: Glenn Menter, who last year worked out with the freshmen dashes; Emmons cracked the third meet record as he stepped over the 75-yard low sticks in 9.4 seconds. Second place went to Paige Christensen, New Mexico inter-scholastic champion.

Wayne has entered a trio which is expected to provide Michigan with keen competition. Freeman Flannery, the lack-stroker, the Duke, the breast-stroker, and other athletes in the free-style leg. Lamson was the 1940 National Collegiate champion in the 50-yard dash.

Students will be admitted upon presentation of their student books.

They Will Display Tank Talent

These two national collegiate stars will lead the powerful U. of M. swimmers in action tonight in Jenison pool. Martin has been one of the country's top divers for three years. Captain Burton, a free-styler, will swim one leg on the medley relay team in the National Senior A.A.U. event.

Frosh Sprinter Impressive In Interclass Competition

Follow Coach Karl Schlade's example and mark down the name of Benjamin Fernstrom for future reference.

For although only six events of the frosh-phy track meet had been completed with the upper classmen holding a 28-25 edge, little blond bespectacled Bennie, who hails from Menominee, has stamped himself as a potential sprint star.

The little Upper Peninsula flyer, who takes to the Jenison fieldhouse oval like a homicidal maniac does to water polo, first attracted attention when he established a meet record of 34.1 seconds for 300 yards by shading sophomore Walter Mack, who already has established a fine middle-distance reputation here.

At the quarter-mile distance however, Mack, fresh from the cross-country season, came through with a straight stretch drive to nip his rival in 51.6, the fastest time recorded on the track this year and another meet record.

Schladerman is also well satisfied with the progress in the low hurdles of sophomore Phil Emmons, who last year worked out with the freshmen dashes. Emmons cracked the third meet record as he stepped over the 75-yard low sticks in 9.4 seconds. Second place went to Paige Christensen, New Mexico inter-scholastic champion.

Robinson Scores TKO Over Zivic

NEW YORK, Jan. 16 (TP)—Bao Robinson pounded out his 27th straight victory tonight when he scored a technical knockout over former welterweight champion Fritz Zivic after 31 of the tenth round of their scheduled 12-boutter in Madison Square Garden.

Zivic, went down for a ninth count in the ninth and was down again in the tenth when Referee Arthur Donovan halted the match. The victory earned Robinson a shot at Champion Freddy C. Chate.

Loop Heads Await Night Ball Boost

NEW YORK, Jan. 16 (TP)—American League President Willson Hargrave said tonight that President Roosevelt's suggestion that night baseball be extended for the benefit of defense workers on day shifts would be considered at a joint American National League meeting in New York Feb. 2.

National Title Put on Block In Feature

Meet Marks Debut For State Under Coach McCaffree

The 1942 swimming season will be auspiciously greeted at Michigan State college tonight with an ultra-fashionable warm-up affair in Jenison pool starting at 8 p. m.

Listed on the program for this grand opening are one National Senior A.A.U. races plus six other events in open and novice classes.

While the meet will serve as strictly a warm-up for the dual-meet campaign so far as State's matters are concerned, it will officially mark the debut of Coach Charles McCaffree as the Spartan swimmer.

Relay Crowns at Stake

The feature attraction of this meet will be the National Junior A.A.U. 200-yard medley relay. This year, which included all competitors who have formerly won A.A.U. titles, has drawn several possibilities from Michigan, Wayne and Michigan State in addition to the powerhouse team entries from Lake Erie and Jackson.

Michigan's Wolverine team will be the first to start in the 200-yard medley relay. The team will consist of four swimmers: Glenn Menter, who last year worked out with the freshmen dashes; Emmons cracked the third meet record as he stepped over the 75-yard low sticks in 9.4 seconds. Second place went to Paige Christensen, New Mexico inter-scholastic champion.

Wayne has entered a trio which is expected to provide Michigan with keen competition. Freeman Flannery, the lack-stroker, the Duke, the breast-stroker, and other athletes in the free-style leg. Lamson was the 1940 National Collegiate champion in the 50-yard dash.

Students will be admitted upon presentation of their student books.

Seven Parties Start Winter Social Life

Cinderella Spin to be Tops Tonight

By Barbara Hafford

This week-end's round of parties will be climaxed by the Cinderella Spin tonight at 9 p. m. in the Union. Coy Eklund will furnish music for the girl-ask-boy dance sponsored by Mortar Board, Tower Guard, and Spartan Women's league.

Closed parties tonight include Lambda Chi Alpha's winter term dance in the Women's club, and Phi Delta Theta's dinner-dance in the main ballroom of the Olds. Last night, M. S. C. Hotel association sponsored the annual Bell Hop in the Union. The Delta Zetas also held their term party in the American room of the Hotel Olds.

PREMIERS TO LEAD

Co-chairmen of the "Cinderella Spin" are: Mortar Board president Betty Anthony, who will be escorted by John Pearce; S. W. L. head Mrs. Frank Pletz (Frances Hillier), who will attend with her husband; and Tower Guard president Lorna Jean Ball, who will be there with Bud Dunn. Patrons will be Mr. and Mrs. Ralph Norman and Mrs. C. N. McCarty.

Guests of tonight's dance are to be Miss Mabel Peterson, Dean Elisabeth Conrad, Prof. and Mrs. O. Mason, Mr. and Mrs. J. Jenson, Mr. and Mrs. Paul Bagwell, Mr. and Mrs. Curtis Beachum, Dean and Mrs. E. L. Anthony, Dean and Mrs. H. B. Dirks, Dean and Mrs. Ward Giltner, Dean and Mrs. L. C. Emmons.

NIGHT CLUB OPENS

Kenneth Lawson, president of Sigma Gamma Upsilon, hotel administration honorary, escorted his wife, the former Shirley Thurlow, to last night's "Bell Hop" which took place in a night-club setting of red, white and blue. Haldon Stimpson, president of the hotel association, had as his guest, Jane Blair, Bob Kershaw, chairman of the dance, took Barbara Foster. Music for dancing was supplied by Bud Bell and his orchestra.

Patrons were Mr. and Mrs. W. Chapman, Mr. and Mrs. D. W. Kuykendall, Prof. and Mrs. M. M. Cory, Mr. and Mrs. S. B. Mead, and Prof. and Mrs. B. R. Proulx.

Helen Keith and his band played for the Delta Zeta dinner dance last night. Guest of Eva Mae Legg, social chairman, was Stu Atwell, and escort of Jim Taylor, president, was Fred Boyle. Dr. and Mrs. C. C. Hurd and Mr. and Mrs. T. L. Canniff were patrons.

PHI DELTA DANCE

Phi Delta president, Ed Karlson, will be seen with Elizabeth Zerbe at the chapter party tonight. Bill Clark and Neil VanHalteren, co-chairmen, will be respective escorts of Mary Laugenbacher and Jeanne Whaley. Dr. and Mrs. P. C. Morrison, Mr. and Mrs. R. E. Loree will be patrons.

The Lambda Chi's dance will include a smorgasbord at 9:30 p. m. Neil Leevre, president, will be there with Mary Jeanne Miller, and Paul Thurston, social chairman, will be with Nancy Mundy.

Patrons for the party, at which Tommy Tabler's orchestra will syncope, will be Mr. and Mrs. S. Dunford, Mr. and Mrs. H. O. Reed, and Mrs. J. S. Connolly.

SCHOLARS MINGLE

The Alumni scholarship students held a mixer last night in the Little theater, with Betty Dick and Bob Hogan as co-chairmen.

Delta Sigma Phi will throw a radio party tonight at the house starting at 9 p. m. George Shieve, chairman for the dance, has as his date for the evening Jewell Dickinson, of Grand Rapids.

CHURCH BELLS

Churches Schedule Full Round of Services Sunday

By GLORIA INGERSOL

There will be a Corporate Communion and breakfast of the College Altar guild tomorrow at an 8:45 service in the Chapel of Christ the King at the Episcopal Church center, 445 Abbott road. The Rev. Harry Whitley, Episcopal church center, is in Washington, D. C., this week-end on National Council of Brotherhood of St. Andrew.

"Christ and the Individual" will be the sermon topic of the Rev. William Young, College Lutheran church, 510 Linden street, at the 10 and 11 a. m. services tomorrow.

PARTY PLANNED

The Lutheran Student club will have a party in the organization rooms of the Union at 7 p. m. Charles Morgan, London, England, will speak at the Peoples church Tuesday, Jan. 20, on the subject "The Stream of History," an attempt to see oneself in historical perspective.

Morgan is the author of many well known stories. His latest book, "The Empty Room," is just off the press. He is also dramatic critic of the London Times. There will be a small admission fee at the door to defray expenses.

Dr. N. A. McCune will have "The Light of the World" as the sermon topic at the 9:30 and 11 a. m. services tomorrow at the Peoples church.

ALL WILL SING

The general sing will be at 5 p. m., followed by the supper hour at 5:30 p. m. John Price will lead a discussion on the subject, "Jesus Faces Alternatives" at the 7:15 p. m. vesper hour. Elizabeth Strubbs will sing. John Pearce, local senior, Edward Hovley, Hart freshman, and Elizabeth Fairchild, Coopersville junior, are in charge of the program.

Leonard Gerant, local high school teacher, will review the book "The Crisis of Our Age" by Petteira A. Sorokin, at the 8 p. m. Book Review hour.

The Early Morning Meditation service will be Wednesday from 7:40 to 7:55 a. m. in the McCune chapel.

Michigan's Poet Predicts New Era—One Of Service

By BILL MADDON

"Our wise-cracking age is over," Edgar Guest, "Michigan's" poet, told an audience of scouts and students at the 22nd annual meeting of the Chief Kemos Scout Council last night in the auditorium.

"The new era will be one based of service rather than a standard of money," Guest predicted. During the nation's hardships, leaders are going to be picked by merit, not on seniority or material qualifications, he asserted.

Speaking before the council for the second time in three years, the poet philosopher leaned forward on the table and recited many of his daily poems in his warm, colloquial style.

Typical of the homely, moral-filled poems Guest recited was "Yellow Clay," a lesson in character building. After moving three times and filling each garden with rich loam, he was unable to produce roses. Finally a gardener advised him that the common yellow clay that covered his garden would grow his roses far better than any artificial soil.

"Something new changes you every day and every minute," Guest continued, "just like 'My Aunt's Bonnet' did. Because she was careless in pinning her bonnet one morning, the hat blew off, causing the deacon's horse to shy, a bystander to be knocked down and later to be married to

the deacon's daughter who happened to be riding in the carriage."

When a doctor advised the poet how to live to a ripe old age, Guest thought of the "Oldest apple on the Tree," too high to be reached either by hungry boys or the harvester. He decided not to follow the doctor's directions, but to live normally and die naturally.

When it comes time to die, philosopher Guest wants to be able to say "Goodbye, I've had a glorious time" just as he would say on leaving a party, he said. He added that it would be better to burn down as a lighted candle having gleaming moments than to be the lone candle, in the center of the cake, that was never lighted.

Harvard university's athletic teams are operating on a budget reduced by nearly \$40,000 because of reduced enrollment and revenues.

Student Marks Reflect Strain of War Effort

By Winnie Potts

A great decrease marks the number of withdrawals, probations and warnings of last term compared with the preceding fall term of 1940.

This decrease, eight per cent of the student body, can not show a true comparison, according to Dean of Women Elisabeth Conrad, since more lenient standards were used last fall due to the war situation.

College Establishes Consulting Office

Ray Heath, housing director, has announced the completion of a new service to all students subject to the draft or seeking information concerning their eligibility for the armed forces.

An Office of Information of Selective Service and Enlistment in the Armed Forces has been established in the Union annex and will be headed by Heath. Working in conjunction with him is Fred T. Mitchell, Dean of Men. Either may be consulted at any time concerning the draft or enlistment problems, or to find out what opportunities exist in the army and navy.

Heath said that in the near future, civil service examinations covering a number of fields will be given. Those interested may obtain further information at the new office.

Five Escape Japs

CHUNGKING, Jan. 16—(TP)—Three American correspondents and two members of the British embassy at Shanghai were believed to be en route to Chungking tonight after escaping from the Japanese. The Central Chinese news agency said the Anglo-American party had succeeded in reaching unoccupied China. All had been seized by the Japs after the outbreak of war.

Student Marks Reflect Strain of War Effort

A great decrease marks the number of withdrawals, probations and warnings of last term compared with the preceding fall term of 1940.

This decrease, eight per cent of the student body, can not show a true comparison, according to Dean of Women Elisabeth Conrad, since more lenient standards were used last fall due to the war situation.

Dean of Men Fred Mitchell, noting that the term grades were either very high or very low with few of the average grades that usually are present, said that the decreases might be due to the wish of the boys to get through school fast and good. "They either want to have a good record when they leave school for service or industries or else they want a good time at the last moment," he said.

Dean H. B. Dirks' Division of Engineering shows that 17 students were asked to leave last term as compared with 37 in 1940; 93 warned in 1941 and 103 in 1940.

Dean Ward Giltner of Veterinary Science had no students dropped in 1941; eight on probation in 1941 and 14 in 1940, and 75 warning letters at both times.

OTHERS IMPROVE ALSO
Applied Science Dean R. C. Huston had three students asked to withdraw last term, 10 in 1940.

46 continued on probation in 1941, 53 in 1940; and 19 removed from probation in 1941, 17 in 1940.

In the Home Economics division there were 7 withdrawals last fall term, 16 in 1940 and 104 on probation, 106 in 1940.

No reports were available from the Liberal Arts or agriculture division.

F. D. R. Plans Cabinet Shake-up

Transfers Knudsen to Army

Shake-up Affects Stimson, Perkins

By DOROTHY ROCKWELL (Copyright 1942 by Transradio Press Service, Incorporated) WASHINGTON, Jan. 16—President Roosevelt was reliably reported tonight to be considering a drastic cabinet shakeup as a sequel to his appointment of Donald Nelson to head the all powerful new War Production board. The changes would involve the War department, the Labor department, and the Federal Security agency.

Federal Security Administrator Paul V. McNutt was slated under the reported plan for appointment as Secretary of War, replacing Henry Stimson. OPM Associate Director Sidney Hillman was reported to be the President's choice for Labor secretary to succeed Frances Perkins, who would be given McNutt's present job as head of the Federal Security agency. It was not clear what place Stimson would take in the reorganized war cabinet.

Appointment of Hillman as Secretary of Labor would bring into the Labor department the present activities of Hillman's division of OPM, including the vast problems of labor supply, training and allocation.

Hillman's appointment would free Madam Perkins for service in a vast post-war planning effort, which logically would be fostered in the sprawling ranks of the Federal Security.

It has also been suggested to President Roosevelt that he create a separate War Labor administration under Hillman, instead of transferring the OPM's Labor division activities to the Department of Labor. This would create a situation in the war cabinet similar to that in England, where Supply Minister Beaverbrook and Labor Minister Bevin share equal cabinet responsibility, but have totally separate administrations.

It has also been suggested to President Roosevelt that he create a separate War Labor administration under Hillman, instead of transferring the OPM's Labor division activities to the Department of Labor. It has also been suggested to President Roosevelt that he create a separate War Labor administration under Hillman, instead of transferring the OPM's Labor division activities to the Department of Labor. This would create a situation in the war cabinet similar to that in England, where Supply Minister Beaverbrook and Labor Minister Bevin share equal cabinet responsibility, but have totally separate administrations.

Autoists Cooperate As First Blackout Darkens Chicago

Knudsen Will Head Army Production

CHICAGO, Jan. 16—(TP)—Lights were turned off in Lake county between 7 and 7:30 p. m. last night in the first widespread test blackout in the Chicago area. The blackout was centered at the Great Lakes Naval station, Lake Forest, Lake Bluff, Libertyville, North Chicago, and Waukegan were included in the test.

Highland Park and Zion received orders to keep their lights on to aid in comparing cities in and out of the blackout. A Navy plane from Glenview flew over the blackout area to observe the test.

Motorists driving toward the blackout zone were stopped at the county line. Motorists inside the area were requested to pull out the side of the road and turn out their lights.

CHICAGO, there's nothing can't be at all. When trapping in cotton. The National retail cloth together in figures. The position that makers be in material.
