Dollar A Day People

According to the President of the United States this country is spending \$100,000,000 every day of the week for war purposes only.

Washington Merry-Go-Round

WASHINGTON.—AFL and CIO chiefs, sometimes called the President's "labor cabinet," tried to put the heat on him at the White House last week to stave off the ban on wage boosts.

The President pulled a charm filibuster on them—a favorite Roosevelt tactic when he wants to avoid talking about something.

Apparently the President figured the labor leaders would make a final attempt to block the pay freeze so he launched his filibuster as soon as CIO president Philip Murray walked in by previous arrangement to minutes ahead of the other members of the joint committee.

Any Ideas?

Apparently Michigan State students aren't particularly interested in dancing spring term—at least the results of two Victory dances would indicate that.

Leaving aside the academic question of what they are interested in spring term, it poses an interesting problem as to what will become of entertainment in the next year.

The government hints that non-essential things must be cut out both to finance the war and to maintain our economy. Whether entertainment will feel the regulating thumb of the government, or whether it will be kept up for morale is something only the men in Washington know.

However, there is a strong possibility that next year the question may not be whether to sponsor Victory dances, but what to do for amusement.

cannot be avoided. Hence other costs of living have to be cut to the bare essentials. With this in mind it is easier to understand why the President has asked for even further sacrifices to insure the final victory that we all want.

Hitler Offers to Help Drive Japs Back to Their Islands

LONDON, April 29 (AP)—Press dispatches reported today that Hitler had put forward three separate peace feelers in the past six weeks. The first proposals were relayed to Britain by way of Tokyo, the second through Switzerland and the third through Stockholm.

The revelations concerning the peace feelers were made by the Independent French News agency in London. The correspondent gives considerable detail concerning one of the "feelers," described as the "Goering memorandum."

The Goering memorandum is a nine-page collection of the terms on which Hitler would discuss peace. First, Hitler wants Britain and the United States to recognize German control in Europe. Second, Hitler demands the right to annex such portions of Russia as are needed to, as the memorandum describes it, "to complete European living space."

Germany is to get the greater part of the French, Belgian and Dutch colonies. In return for the three concessions, Hitler would recognize the British empire in its present form, and to recognize the control of North America over South America.

Two Michigan Men Die in Plane Crash During Training

ORLANDO, Fla., April 29 (AP)—A mid-air collision of an army bomber and a pursuit plane today killed seven fliers. The crash occurred during training maneuvers near Orlando. Six men were aboard the bomber. The pursuit ship was flown by Second Lieutenant Robert Royce of Chillicothe, O.

Vets May Sign Now for Army Med Reserves

Veterinary students may now enlist as second lieutenants in the Medical administration corps and remain in the reserve corps while in school. It was stated in a letter yesterday to Dean Ward Giltner by Brig Gen. R. A. Keiser, commanding officer of the Veterinary Corps of the army.

The students will remain inactive military until graduation at which time they will be transferred to the Veterinary Corps. Each number as will be needed for military requirements. The surplus will be released for civil duties.

Students may apply through the Veterinary division office and commanding general of the Sixth Corps area, Giltner said. It is not known what action will be taken by the draft board of those who are released, but it is hoped, General Keiser wrote, that they will be deferred as there is a greater civil need for veterinarians in rural communities than in the army.

Forrest "Frosty" Cox is in his seventh year as head basketball coach at the University of Colorado.

LETTERS WSSF Fund Drive

The State News has received evidence that students are thinking about the W. S. S. F. fund drive in the form of additional letters to the editor. Unfortunately, space requirements prevent them all being published in this issue. One letter by Judd Perkins, A. S. '44, points out the need of students in foreign lands for help and urges that State students give up a few of their luxuries—epics, movies, etc.—to do their bit to help. Mary Ewell, L. A. '42, urges again that funds be earmarked for China, on grounds that Hitler would not respect treaties guaranteeing mail to war prisoners in Europe.

This is the idea of Tex Ambrose, John W. Nichols, Art Durbin, James Zerichay, Don Eastman, Harry R. Cooley, and John Kitt, who also say that charity begins at home—it is imperative that we first buy U. S. War Savings Bonds and Stamps.

Meanwhile, W. S. S. F. funds pointed out that funds can be earmarked for any cause desired. They also said that Great Britain has been sending packages to war prisoners since the start of the war, after making certain that the Red Cross and other agencies allowed Germany to get no benefit from the gifts.

Part of WSSF Donations Here Goto U.S. Prisoners

By Bill Barclay. Part of the funds collected in the World Student Service Fund drive on campus this week will go to American prisoners of war, Del Ruthig, A. S. '43, co-chairman, announced yesterday in revealing the progress of the drive. Aided by \$100 in pre-campaign donations, the drive will continue until Friday evening. Since collections are being made primarily by individual method, no complete report on the progress of the drive will be available until after its completion—Ruthig said.

Students at a desk in the Union upper deck are also taking subscriptions, and an exhibit of past results of the WSSF is being held in the defense room of the Union. The drive, now in its fifth year in college throughout the country, has aided 10,300 Chinese students, 1150 allied war prisoners, and more than 400 European refugee students in this country.

Leaders of the present national campaign hope to raise \$100,000 entirely from students and faculties which is to be distributed by an international, non-political non-sectarian basis. Goal which the state committee has set is \$1,000. Ruthig stated.

48-Hour Work Bill To Receive Test

WASHINGTON, April 29 (AP)—The House Naval Affairs committee votes Thursday on the final version of the Smith-Vinson bill, the much debated labor measure setting up a 48-hour work-week and restricting profits on war contracts. Vinson introduced his measure during the intermission of the debate on the anti-labor measure.

The University of Kentucky is one of only eight schools in the southeast offering the Ph.D. degree.

## Bernitt Will Start Against Wayne '9'

### Kobsmen Plagued in Michigan Loss

By Tom Riordan  
Coach John Kobs will start Dick Bernitt tomorrow afternoon against the Wayne university baseball team on Old College field.  
Kobs hopes that all the bad breaks that plagued the Spartan nine yesterday when it was beaten 2-1 by Michigan, have been left in Ann Arbor.

The Kobsmen were able to score only once against the Wolverines on eight hits. The worst part was that 12 men were stranded on the sacks. Michigan took advantage of the five hits they were able to pick off Joe Surocki and the five Spartan errors to ram across two scores.

**LACK IN CLUTCH**  
Even with the misplays and lack of "clutch" hitting, there were a few bright spots for the Spartans. Besides Skrocki's outstanding work on the mound, a pair of Spartan batsmen gathered half of the hits.

Both W. Davis and Joe Nelson collected a pair of hits to keep things hot for Ray Fisher and his bats. "W" now leads the club with the number of hits, 20 in 58 times at bat, for an average of .345.

**FITZ ALING**  
The starting team Saturday will again be without Bill Fitzsimmons, pitching center infielder who is still in the hospital with an infected leg. Although there is a possibility that Fitz may get out in time for the tilt, Kobs is not banking on the pitcher for much action.

House Ladge, who took over center field for the Wolverine game, will again start in that spot. The right field job, a question

## Michigan Netters Hand State 8-1 Loss: Worst in Six Years

By BILL KONDE  
By emerging victorious over the Spartan netters 8 to 1 yesterday on the college courts, the University of Michigan tennis team handed the Spartans their worst defeat in six years.

Earl May, playing his best game of tennis yet this season, saved the netters from a complete wash-out by defeating his Wolverine opponent 6-3, 6-2. This was the thirteenth straight singles match the Spartan team had won. The string of victories was started with the University of Kentucky match and extended through the Ohio State victory to yesterday's defeat.

After this initial victory by May, the rest of the team failed to follow his example and dropped all matches to the powerful Big Ten champs from Ann Arbor.

According to the dope sheets, State should have at least made a close fight over the matches. Apparently Monday evening Kappa Kappa Gamma defeated South Williams on the one-sided score of 20 to 6. North Hill topped Chi Omega 12 to 4. Kappa Alpha Theta defeated AOP 12 to 6 and Alpha Chi Omega lost to Alpha Xi Delta 11 to 7 in Tuesday evening games.

## Women's Softball Scores Soar High

Five women's intra-mural softball games have been decided by heavy scoring in the last three nights.

In the only close game of the night, competing centers, North Williams defeated Alpha Phi 3 to 2, last night. Alex Cross's defeated Chi Omega in an exciting game, 14 to 3, in the other Wednesday evening contest.

## Independent Tens Open in Runfests

In the independent softball league opened last night, one-sided scores decided all games.

The Lansing Independents edged Elsworth House 20 to 8, scoring seven runs in the eighth inning. Jim Pulver allowed the losers but three hits.

The Hungry Ten took the lightning scoring home of the evening by shelling Evergreen Manor to the tune of 18 to 1. DZV felt not a part of this mark in trouncing the home. They backed up Bill Kennedy's 1-1 hit pitching with a 17 to 1 score.

The closest contest was a 3 to 1 win of Alpha Chi Sigma over the Vets. Ben Minay tossed up only two hits.

## Grid Game to Head High School Coach Meeting Program

Football on Saturday!  
No, the heat hasn't gotten anyone to thinking that fall has rolled around. A game will be played however, between the State varsity veterans and the prospective varsity for the benefit of the Michigan High School Coaches' association.

The coaches' meetings will begin a two-day stand in Jonson fieldhouse Friday. Circles on football, basketball, track, wrestling, baseball, and swimming have been scheduled with demonstrations to be given by State athletes.

## Beta Kappas Win Night's Only Match

Phi Chis and ATO's Triumph Tuesday; Hespies Forefeit  
By RUT KOWALSKY  
In the only fraternity league game played last night, the Beta Kappa baseball team combined three hits with five Kappa Sigma errors last night to win, 6 to 1.

Ray Westcott pitched for the Beta Kaps and gave up only three hits, a triple by Bill Gannier and two singles by Jack Fenton, George Weber, Kappa Sig's hurler. He attributed the three hits he allowed to three different batters. Westcott was backed by better field play as his teammates made but two errors.

The Hesperian club forfeited to the Theta Chi nine last night.

In Tuesday night's contests the Phi Chi Alpha team stole a game from the Phi Kappa Tau boys by sending two men around the four bases in the final inning to nose them out 4 to 2. Dick Saxton was on the mound for the Phi Chis and gave up but one hit, as Ray Marx allowed five of the Phi Chi batters to poke out safeties.

Glenn Lewis was largely responsible for the Phi Chi's win with his home run which opened the fifth inning. The other hits were divided among four other players.

## Sigma Nu Tops Frat Netters

Sigma Nu won its third straight game last night to lead Block I in the Interfraternity Tennis tournament.

Defeating Sigma Alpha Epsilon 16-21, 6-3 Monday night, outlasted Frank Northway and Don McPhail, downed Ted Van Meter and Chet Johnson in Phi Delta Theta last night 16-17, 16-0.

Delta Sigma Phi's George Schreyer and Harry Gardner outlasted P. Kappa Phi's Erwin Perley and Max Hoffmeyer 16-4, 16-4. Phi gave the Delta Sig's an even break for the season.

Don Anshaus and Hugh Wihlert of Delta Chi defeated Jim Carls and Bill Palmer of Lambda Chi Alpha 16-17, 16-4. This was their second victory over Delta Chi.

The Kappa Tau's Bill Altman and Jim Reuban downed Alpha Epsilon Phi's Dan Mabel and Irv Davist 16-21, 16-11.

The Theta Chi-AGR game, scheduled for last night, was not played, because of a conflicting baseball schedule.

Phi Chis and ATO's Triumph Tuesday; Hespies Forefeit  
By RUT KOWALSKY  
In the only fraternity league game played last night, the Beta Kappa baseball team combined three hits with five Kappa Sigma errors last night to win, 6 to 1.

Ray Westcott pitched for the Beta Kaps and gave up only three hits, a triple by Bill Gannier and two singles by Jack Fenton, George Weber, Kappa Sig's hurler. He attributed the three hits he allowed to three different batters. Westcott was backed by better field play as his teammates made but two errors.

The Hesperian club forfeited to the Theta Chi nine last night.

In Tuesday night's contests the Phi Chi Alpha team stole a game from the Phi Kappa Tau boys by sending two men around the four bases in the final inning to nose them out 4 to 2. Dick Saxton was on the mound for the Phi Chis and gave up but one hit, as Ray Marx allowed five of the Phi Chi batters to poke out safeties.

Glenn Lewis was largely responsible for the Phi Chi's win with his home run which opened the fifth inning. The other hits were divided among four other players.

## Michigan Netters Hand State 8-1 Loss: Worst in Six Years

By BILL KONDE  
By emerging victorious over the Spartan netters 8 to 1 yesterday on the college courts, the University of Michigan tennis team handed the Spartans their worst defeat in six years.

Earl May, playing his best game of tennis yet this season, saved the netters from a complete wash-out by defeating his Wolverine opponent 6-3, 6-2. This was the thirteenth straight singles match the Spartan team had won. The string of victories was started with the University of Kentucky match and extended through the Ohio State victory to yesterday's defeat.

After this initial victory by May, the rest of the team failed to follow his example and dropped all matches to the powerful Big Ten champs from Ann Arbor.

According to the dope sheets, State should have at least made a close fight over the matches. Apparently Monday evening Kappa Kappa Gamma defeated South Williams on the one-sided score of 20 to 6. North Hill topped Chi Omega 12 to 4. Kappa Alpha Theta defeated AOP 12 to 6 and Alpha Chi Omega lost to Alpha Xi Delta 11 to 7 in Tuesday evening games.

## Sigma Nu Tops Frat Netters

Sigma Nu won its third straight game last night to lead Block I in the Interfraternity Tennis tournament.

Defeating Sigma Alpha Epsilon 16-21, 6-3 Monday night, outlasted Frank Northway and Don McPhail, downed Ted Van Meter and Chet Johnson in Phi Delta Theta last night 16-17, 16-0.

Delta Sigma Phi's George Schreyer and Harry Gardner outlasted P. Kappa Phi's Erwin Perley and Max Hoffmeyer 16-4, 16-4. Phi gave the Delta Sig's an even break for the season.

Don Anshaus and Hugh Wihlert of Delta Chi defeated Jim Carls and Bill Palmer of Lambda Chi Alpha 16-17, 16-4. This was their second victory over Delta Chi.

The Kappa Tau's Bill Altman and Jim Reuban downed Alpha Epsilon Phi's Dan Mabel and Irv Davist 16-21, 16-11.

The Theta Chi-AGR game, scheduled for last night, was not played, because of a conflicting baseball schedule.

# NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ **New Deferred Service Plan Allows You to Continue Your Education** ★

**F**ROM coast to coast—in the skies over America—there is a thundering drone of fighting ships. The mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here—an urgent need here—for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Officers... Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students—men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes—within the ages of 18 to 26, inclusive—can enlist for immediate service or continue the scholastic work required for graduation before being called for active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

### \$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 per month, with \$1.00 a day for subsistence, with quarters, medical care, necessary uniforms, clothing, equipment, traveling expenses.

In 8 months you can win an officer's commission on the basis of your training record in competition with other Aviation Cadets. You can become one of the musketeers of the air—a bombardier, navigator, or a pilot—and be well started on your way to serve America and advance yourself in aviation.

### MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have extensive engineering experience your chances of getting a commission are excellent.

This past year about 80% of all Aviation Cadets were commissioned as Second Lieutenants—about

### THREE ENLISTMENT PLANS FOR COLLEGE MEN

**Juniors • Sophomores • Freshmen May Continue Their Education**

1. A new plan allows Juniors, Sophomores and Freshmen in college, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

### All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until they are ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

*The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they be called to active duty.*

*It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.*

*This plan has been approved in the belief that confidence of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R.O.T.C. plans.)*

67% as flying officers. Those who do not qualify remain in the Air Forces on an enlisted status and have further opportunities.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

### AVIATION — THE COMING INDUSTRY

The opportunities for aviation in civilian life have barely been touched. You will bring to those opportunities not only the best training in the world—but the executive ability of an Army officer's training and experience, which have always commanded a premium in business life.

### ACT AT ONCE

If you want to fight for America, this is where you can strike deadly blows against our enemies.

If you want advancement—years of solid achievement and education that can never be duplicated—this is where you belong.

If you want to be up there in the middle of things—when the enemy cries quits—your place is here—in the Army Air Forces.

### FLY WITH YOUR FRIENDS

A special squadron for training is now forming at this college. You and your friends can share together the work and fun of training. If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same-day you apply. Get further information now.

★ ★ ★

**NOTE:** If you wish to enlist, and you are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enlistment before any Aviation Cadet Examining Board.
