

### Early Risers

From a neighboring campus news that male students of a college answered the call of a fire alarm yesterday for the first of a series of physical conditioning exercises scheduled every week-day for the school year for the duration of the war. The college acceded to requests of the department in instituting morning calisthenics as a part of its physical hardening program for able-bodied young men likely to see service with armed forces.

### Food for Thought

On the market for a peck of eggs. If so they are sold in horticulture basement. Pears, apples, oranges, and grapefruit are available to provide variety while working on that tough math assignment. Two years ago small fruit stands were set up on campus. It was worked out the better system which of the students overlooked and thrown in charge of the fruit handling room. Consequently, fruit stands are out.

### Sad Case

The dubious dismay of industry students comes the announcement that vital metals such as copper and aluminum are no longer obtainable. However, Prof. A. J. Clark, head of department, says that the "equipment" situation is good that substitutes for priority metals are being found.

### Happy Family

The English department is going to be a family institution these days. New additions to the faculty of that department include Mrs. Harry R. Hoppe, and Mrs. Herbert Weisinger, and Mrs. Melba Babington are new members. Already in department are Mr. and Mrs. Townsend Rich.

### Any Old Radios?

Radio parts are still urgently needed by the electrical engineering department for its work in the construction of sets for sending and receiving sets, according to L. S. Foltz, department head, said yesterday. The course was begun at the request of the federal government, Foltz said, but classes have to depend on contributions. While some material has been secured, much more is needed, and extension 569 would be heard about it, he said.

## Nazis Occupy 'Two Streets' in Stalingrad

### German Broadcasts Say Strategic Objective Is Achieved

By HENRY C. CASSIDY — MOSCOW, Friday, Oct. 9 (AP)—German tanks and infantry broke into two streets in a factory suburb of Stalingrad yesterday while the Red army attacking the Nazi flank above the city held newly-won positions by beating off several small assaults. A midnight Soviet communique said 16 of the 50 German tanks hurled against the Red lines in the battered northwestern outskirts of Stalingrad were destroyed and four battalions (about 2,000 men) of infantry were wiped out.

"Only in one place the enemy succeeded in occupying two streets of a populated place," the communique said of this fight.

Field dispatches said one quarter of the workers' settlement now was in ruins from German bombs, shells and mortar fire, but said the Red army thus far has held the Germans back from the Volga river banks and the heart of Stalingrad in a siege now entering its 46th day.

(German propaganda broadcasts late Thursday night sought to give the impression that Stalingrad's seizure no longer is necessary for the Germans. "The strategic objective at Stalingrad already has been achieved," a DNB dispatch said quoting "military quarters." It added: "It is no longer necessary to send German infantry and assault engineers into battle. The finishing touches will now be entrusted to heavy artillery units and Stukas (dive-bombers)."

### Last Votes for King and Queen Entrants Will Be Cast Today

The last votes for "King" and "Queen" of the Mardi Gras will have to be cast before 4:45 p. m. today, when the boxes will be taken from the Union lobby, according to Chairman Jack Bush.

In the coming week a committee of faculty and students will count the votes and the winners will be announced at the dance the following Saturday, October 17. Those not winning the two titles will make up the court for the "King" and "Queen."

Tickets will go on sale tomorrow in the Union, administration building and from any member of the ticket committee.

### Harvester Shortage in Beet Fields Drops

LANSING, Oct. 8 (AP)—Despite a critical shortage of labor, Michigan agricultural officials believed today they were well on their way to insuring the harvest of sugar beets, vital to a nation which is rationing sugar stocks.

Harry K. Fox, field supervisor of the AAA committee assigned to labor problems, reported that much of the 3,000-man shortage in the beet fields was being overcome by volunteer efforts of school children and business men in rural communities.

### WPB Shifts Gold Miners

WASHINGTON, Oct. 8 (AP)—Action to free 3,000 to 4,000 gold mine workers and channel them into mining operations more essential to the war effort was taken today by the War Production Board and the War Manpower Commission.

## British Threaten Retaliation for Nazi Shackles

LONDON, Oct. 8 (AP)—The British threatened today to shackle a Nazi for every British prisoner the Germans put in chains ostensibly in retaliation for alleged, but denied and unproved, maltreatment of Nazis taken at Dieppe last Aug. 19 and on the channel Isle of Sark last Saturday night.

The Germans announced they had manacled their Dieppe prisoners — mostly Canadians — as scheduled at noon and the British war office, noting that Berlin ignored a suggestion to have the neutral Swiss make an impartial investigation, declared an equal number of Nazi prisoners would be treated in like manner beginning at noon Saturday — unless the Germans released the chained British prisoners.

The British had stayed their shackling plans momentarily while awaiting official confirmation from the German high command to the effect that the binding of British prisoners had been carried out as announced by less official Nazi sources.

## 19 Million Voted to Make Rubber from Guayule

WASHINGTON, Oct. 8 (AP)—Advised that Guayule promised to exceed expectations as a wartime source of natural rubber, the house quickly voted today to expand plantings of this shrub from 75,000 to 500,000 acres.

It approved a \$19,000,000 appropriation for cultivation of Guayule by the agriculture department on plantations in California, Arizona, Texas and New Mexico. The senate also must act on the appropriation.

The prospects for larger-than-expected production of natural

An assistant circulation manager and several carriers are still wanted by the circulation department of the Michigan State News. Interested students should leave their name and telephone number for Paul Walker in the State News office. These are all paying positions.

rubber from the Guayule shrub were disclosed with publication by the house appropriations committee of testimony from C. M. Granger, assistant chief of the agriculture department's forest service.

Granger told the committee that experiments were continuing on the possibility of extracting rubber from goldenrod and "we may come before the committee with a proposal to plant 15,000 acres in goldenrod."

Officials have repeatedly emphasized that the ordinary motorist need not expect to be able to get synthetic tires in the early future.

## New Carillonneur is Woman Student, Smashing Beaumont's Precedents

By LEONE SEASTROM For the first time in campus history, the carillon in Beaumont tower is being played by a student, and a woman at that.

The new carillonneur is Denzil (Dennie) Treber, a junior majoring in public school music. She fills the vacancy left by Wendell Westcott, official carillonneur and member of the music faculty, who was called to the army early in the fall.

Dennie became interested in the bells about a year ago when she made a study of them in connection with her course, and

## Five Throw Hats in Ring for Senior Presidency

### Ineligibility of Sewell Calls Four Greeks, One Independent Into Race for Headship of 1943

With the withdrawal of the number one Greek candidate because of ineligibility, a five minute nominating session in Morrill hall yesterday produced a crop of five nominees for the office of senior class president.

### New Sirens to Blow Today — Only Test

Students who hear air raid sirens during the noon hour today should not be alarmed, according to W. A. Davenport, Civilian Defense commander for the campus. Davenport says new whistles, ordered three months ago, have arrived and will be tested this afternoon.

### Registrar to Publish Student Directory in Three Weeks

Work will be started Monday on the 1942-43 Student Directory by the registrar's office, according to Registrar R. S. Linton and within two or three weeks it will be available, he said.

Although Sigma Delta Chi, honorary men's journalism fraternity, has put the directory out for the last several years, this year's directory will be an official college publication. In speaking of last year's directory, Linton said that it was the best directory that has ever been put out.

He stated that this year's directory would follow the same general form used in last year's book, but would cost slightly more due to lack of advertising.

### All Applicants to Get Vox Pop Interview

Because of the excellent cross-section of students obtained through the distribution of questionnaires for prospective Vox Pop interviewees, David Grant, Vox Pop representative, has decided to interview personally each student who filled out a questionnaire.

In order that the maximum number of students who filled out questionnaires may be interviewed, Grant will interview again at 9 a. m. today in the College auditorium lower lounge and will continue until about 1 a. m. tonight.

All students who filled out questionnaires and were not interviewed by Grant yesterday are asked to stop in at the auditorium sometime today. Because of the large number of students and the limited amount of time, no definite appointments will be scheduled.

Frank Izzo, student council elections chairman, said last night that primaries will be held next Wednesday, and the final election will probably be one week from that date. Election details will be released later.

Nominated at yesterday's meeting were Chuck Bigelow, Phi Delta Theta; Bob Ryskamp, Hesperian; Jack A. Bush, Sigma Alpha Epsilon; I. H. Davidoff, Alpha Epsilon Pi; and Del Ruthig, independent from Elsworth house.

With Max Dillingham, junior president of '43, in charge, nominations were temporarily closed at the meeting, but Izzo said any candidate may be placed on the ballot if a petition signed by five percent of the senior class is in his hands by Saturday noon.

A letter explaining Eddie Sewell's withdrawal will be found on page two of the State News today.

## U.S. Plane Attacks Damage Five Jap Ships in Solomons

WASHINGTON, Oct. 8 (AP)—The navy announced tonight that a heavy attack by carrier-based planes on a Japanese ship concentration in the northern Solomon islands had resulted in damage to five enemy vessels, including one heavy cruiser.

In addition, in coordinated actions, four enemy flying boats, two seaplanes and two bombers were destroyed, six flying boats were damaged, the airfield at Kieta on Bougainville island was blasted by bombs and one cruiser and one destroyer were strafed in harbor.

The entire operation was carried out by a task force in the face of heavy weather and without any loss of personnel or planes or any damage to ships.

### AFL Votes 'All Aid' to Russia Short of Labor Affiliation

TORONTO, Oct. 8 (AP)—The American Federation of Labor made clear today that it favored all aid to Russia short of direct association with the Soviet trade unions and that the time for a second front must be entrusted exclusively to military experts.

President William Green expressed the general views in response to the appeals of two fraternal delegates from the British Trades Union Congress.

The convention also voted "unqualified support" of the American Federation of Musicians in its conflict with record and broadcasting companies and the anti-trust division of the U. S. department of justice.

## Students Live on 'Borrowed Time'

AMERICA'S college students "are living on borrowed time."

"There is no commitment that any man may complete his college education."

So spoke Harvey H. Bundy, assistant to the secretary of war, in an address to Yale freshmen.

Willingness of the government to permit young men to enter college rather than go into the fighting front was described by Bundy as a "loan" and an "experiment."

"If the loan to the colleges becomes a method by which men who ought to be in the thick of the battle avoid the hazards of war; if the colleges retain any of the aspects of the country club which have been painfully evident in the past; if the men who can afford to go to college are considered as a separate class exempted overlong from fighting, the experiment will be a dismal failure and will not long continue," Bundy said.

What the government expects of the colleges is an increasing number of professional men fitted for "greater service to their country," Bundy declared.—(ACP).

## An Open Letter to the Class of '43

"To The Class of '43:

"I want to take this opportunity to thank each and every member of the senior class for the loyal support which has been given me during my 'unofficial' candidacy for the position of class president.

"I would like to have run for this office, but since it is impossible, perhaps I can be of service in some other field of endeavor.

"I was under the impression that I had hurdled the academic barrier required to hold a class office, but I have been overruled due to a technicality—that I am not enrolled in any specific college division—just as a general course student.

"This should explain the reason for my withdrawal, so thanks again for bearing with me.

"Sincerely,

Eddie Sewell."

It pays to be good.—Ben Franklin. Yes, and it's good to be paid!

## THINKIN' OUT LOUD

By Sheldon Moyer

IF IT'S as hard to change the name of a street as it is to change a Michigan State tradition, then the town fathers of East Lansing are not going to appreciate this suggestion that we are about to offer up to them.

M. A. C.—it's a grand old name. Of course, the initiated know that it is the old abbreviation for this institution, Michigan Agricultural college. But Michigan Agricultural college passed out of existence more than 15 years ago. Yet one of the main arteries of East Lansing still carries the name—M. A. C. avenue.

Once you get accustomed to the name, it isn't so bad, but outsiders don't know what to make of it. Persons who have never been to East Lansing are quite puzzled by it at first. Some address their letters to Mac avenue, while others assume that it really must be Mack avenue.

Still others think that it is a building, and address letters to M. A. C. building. When they do address mail correctly to M. A. C. avenue, sooner or later they want to know what it stands for. And then you tell them—Michigan Agricultural college.

Of course, the reply you receive is something to the effect that the name of the school is now Michigan State college—at least, they thought it was.

So dear town fathers, when you get together one of these Monday nights, won't you let all the Kappas, Alpha Phis, Alpha Chis and Sigma Kappas get their mail at an address not so antiquated as M. A. C.

They'll love you for it, and wouldn't that be something!

## INFORMATION

### MARINE CORPS RESERVES

U. S. marine corps reserves will meet today at 7:15 p. m. in organization room 1, Union building.

### CAMPUS 4-H

The campus 4-H club will meet today at 8 p. m. in room 401 Ag hall. After the business meeting pictures of 1942 4-H fair will be shown.

### SPARTAN WOMEN'S STAFF

There will be a meeting of the women's staff of the Spartans at 5 p. m. in the Spartan office, Union annex. All women interested in working on the Spartans are invited.

### DRAMATIC WORKSHOP

The Dramatic Workshop of the Air will hold auditions Oct. 9 in room 246, auditorium. Auditions will be limited to four or five minutes, and short selections displaying variety of mood, dialect, and character will be best. Appointments can be made by calling Cab Callaway, ext. 396.

## Injuries Appear in Backfield Before Wayne Tilt Tomorrow

By Tom Riordan

With three Michigan State backfield men, who were expected to do their stuff against Wayne, all out with injuries, Coach Charley Bachman isn't looking at this Saturday with much optimism. The boys, Jack Fenton, Edo Mancotti, and Elbert Stark, were all hurt in last week's scrimmage sessions.

On top of this, scouting reports of the Wayne-U. of D. last week show that the Tar-heels have one of the best outfits in their history. Although they were shut out and scored upon rather freely, the Wayne grid-ers unveiled an excellent passing attack.

The Wayne offense primarily relies for lots of aeri-als, but it also has a formidable running back. When it's passing, Half-back Doug Rutherford does the passing and Ends Meyers and Hagen do most of the catching. Most of the line busting is taken care of by Fullback Sam Carpenter, an all-stater from Flint in his prep school days.

Rutherford can also do some fancy stepping with the pigskin tucked under his arm, but it was his ability to hit his receivers, when throwing, that caught the other than this Wayne has a very ordinary Wayne football team, except that this year it seems to have a little added punch that may prove very bothersome to the Spartans.

With Fenton on the sidelines because of a recurring back injury, and Stark's banged arm, Bachman might find himself short on much reserve strength in the halfback posts.

Without Stark, Dick Kieppe will be forced to carry just about the entire duty at left, unless starting right halfback Walt Pawlowski takes over left half-back for part of the game.

**Furnari at Right Half**  
If Pawlowski does move over, Ed Furnari will probably get the call at right. Next in line at halfback will be Bill Gaylord, an inexperienced sophomore.

All the quarterbacks on the team may get a chance to call the plays. Either Bill Milliken or Ed Otting will get the starting job and they'll get plenty of work from Lou Brand, Glen Hanson, and Russ Gilpin.

Morgan Gingrass has clinched the fullback spot with his fine running in the past week's work-ings and he'll be understudied by Ed Ripmaster.

Approximately one out of every three students at Hamilton College is taking special college courses intended to prepare him for military service.

## Quarterback Club Begins Weekly Grid Discussions

The first of the series of Quarterback club meetings was held last night in the Auditorium with about 250 attending. The feature of the club was the showing of the films of the Michigan-Michigan State game which was played Saturday.

Phil Althen, the master of ceremonies, introduced Coach Charley Bachman who uttered a few words on the game. He stated that he was not regretful over the outcome of the contest but that he expected the same. He also stated that he considered the Wolverines one of the top teams in the nation this year.

Michigan State inaugurated the weekly Quarterback club meetings in 1933 and from that time they have spread over the midwest. He then explained some of the plays used in the Michigan game.

Althen then introduced Assistant Coach Karl Schlademant who reviewed the Wayne-Detroit game played Friday evening in Detroit. From there he traveled to Madison and scouted the Marquette-Wisconsin contest.

## Abbot-11 Scores Five Touchdowns

One of the highest scoring games so far this season in the dormitory touch football league was posted last night when Abbot 11 scored in every period to defeat Abbot 15, 34-0. Jerry Herrington scored two of them as he caught a scoring pass and ran over for the second touchdown. Other scorers were Tom Ireland, El Stevens and Bob Currey.

Don Condon scored for Abbot 12 as it defeated Mason 4, 7-6. Cliff Bennett tallied the touchdown but failed to convert. Jack Von Eberstein and Bob Haynes were responsible for the two Mason 9 markers as it trounced Abbot 10, 13-0.

## Both Bierman and Crisler May Rely on Passing in Top Gridiron Game

By PAUL CHANDLER

ANN ARBOR, Oct. 8 (AP)—If a year ago anyone had predicted that football teams coached by Fritz Crisler and Bernie Bierman would engage in a wide-open aerial duel, he might have been branded a dangerous character and sent off to the country for a rest.

Yet that seems to be the best guess on what will happen when Crisler's Michigan Wolverines and Bierman's Iowa Cadets, both undefeated, clash here Saturday.

When Bierman was at Minnesota, and particularly in 1941 when he had a championship team, he was probably the nation's most devoted disciple of hard, straight, on-the-ground football. Crisler mixed his offense a little more, but primarily he had a running eleven.

**Hawks Air-Minded**  
Today both Crisler and Bierman have strayed from their first loves. Michigan's fast backs split the Great Lakes defenses asunder a fortnight ago with a baffling assortment of forwards, laterals and men-in-motion.

Until today, with the arrival of the Sea Hawks' advance press agent, few persons here were aware that Bierman had concentrated heavily on passing

since he went to the big flight-training school. But cold statistics show that the Sea Hawks have a passing average of 513 completed, the best record of any eleven in the midwest.

**Passing to Fill Air**  
Bierman's cadets have fired the surprising total of 39 passes in three games, completing 20. Michigan, in defeating Great Lakes and Michigan State, heaved 37 aeri-als and completed 16.

Just by way of contrast, Bierman's Gophers won eight straight last season and threw only 63 passes in doing it, an average of eight a game. And in the last six games of the unbeaten 1940 campaign the Gophers used but 29 passes, just under five a game.

Two of the greatest lines in the midwest will be opposed Saturday and if this brings a stalemate, as well it might, the air is certain to be well-traveled.

### World Adventure Series Has Five Fall Programs

**Ben East, First Lecturer, Will Appear Oct. 31; One Motion Picture**

The "World Adventure Series," offered for the first time last winter term as a supplement to the college lecture and concert courses, will present five programs during fall term. S. E. Crowe, lecture course head stated recently.

Included in the fall series are programs by four adventurers, and one full length movie, all of which will be presented Saturdays in the College auditorium at 8 p. m.

Ben East, outdoor writer and lecturer, will open the series on Saturday, Oct. 31, with pictures on Alaska. East is outdoor editor for the Booth newspapers, and conducts an outdoor column for the Grand Rapids Press. Included among his films are scenes from Attu Island, a battle spot of today.

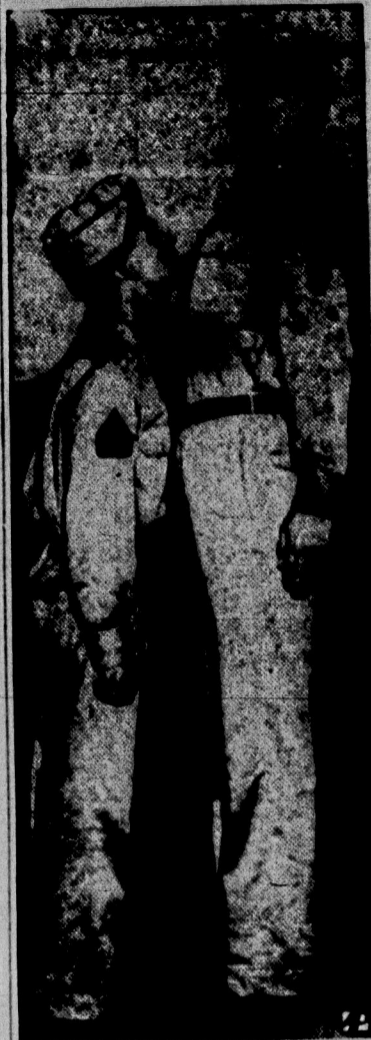

A change in the previously announced schedule is the appearance of adventurer Aloha Baker, speaking on "Australia" Saturday, Nov. 7.

Next in the series will be the appearance Nov. 14 of Howard Cleaves who will talk on "Wild Animals at Night."

The concluding program, Dec. 5, will be movies and a talk by William Beebe, an expert on ocean photography and underwater life, entitled "Undersea Wonders."

Admission will be free to all students upon presentation of activity books.

### Modern Design

C'est la guerre. King size CALVIN VANCE, JR., (right) has to look up to Cadet ARTHUR MOSELEY at pre-flight school, Maxwell field, Ala. It's because Moseley wears the chevrons.

### CARILLON

(Continued from Page 1)

Asked what songs she liked to play most on the bells, Miss Treber said, "I like to play anything the students like to hear, and most popular with them seems to be the Alma Mater."

Miss Treber is a Lansingite and lives at home. She devotes most of her time to music and when she is not attending classes she is the accompanist for the Men's Glee club and the mixed chorus.

For two years she conducted a church choir in Lansing and during the summers she has been a music instructor in a Y. W. C. A. camp.

After graduation, Miss Treber plans to become a grade school music teacher working with children choir groups.

### Bill Adds Six Billion to U. S. War Fund

WASHINGTON, Oct. 8 (AP)—A \$6,236,956,621 appropriation measure, boosting this nation's cost-of-war bill to \$220,000,000,000, was passed swiftly by the house today.

Nearly 90 percent of the new omnibus deficiency bill was earmarked for the navy, with \$2,262,000,000—the measure's largest single allocation—set apart for 14,611 naval planes to give Uncle Sam's growing fleet of aircraft carriers its sting.

### Varsity Club to Sell Football 'Mums'

For the fifth straight year, the Varsity men of campus will sell "mums" before all home football games, it has been announced by Walt Beardslee, manager of the flower concession.

Flowers will be sold at all gates of the stadium beginning an hour before game time. The vendors will wear varsity sweaters.

### Student Grange to Hold Mixer for Freshmen

Student Grange will hold a freshman mixer Saturday, October 10, at 8 p. m., in room 401 Ag hall to acquaint new students with the organization, according to Chairman William Kempainen.

The program, lasting until midnight, will feature a speaker, dancing, and games.

### Senate Turns Down Plan to Tax State and Municipal Bond Incomes

WASHINGTON, Oct. 8 (AP)—The senate, voting 52 to 34, refused to tax the income from future issues of state and municipal securities today after an extended debate which stressed assertions that such an impost would violate state rights and produce insignificant revenues.

In making its decision, the senate for the first time in its consideration of the new wartime tax bill disregarded the recommendation of its finance committee.

The vote, however, brought it to the point of discussing one of the bill's major controversies, the committee's proposal for a five

percent victory tax on all individual incomes in excess of \$624, with additional credits for insurance premiums, debt payments and other fixed obligations. The tax would be levied in addition to the usual normal tax and surtax.

A decision on this issue was over until Friday, with members of the finance committee predicting that the senate would approve. Several amendments were pending, one in particular by Senator Downey (D-Calif.) to exempt the first \$1,200 from the victory tax, tax the second \$1,200 at five percent, and above \$2,400 at 10 percent.
