Defending Dorm Touch Grid Champions Upset by Mason 1

The season's first real upset in the dorm touch football league, which recorded last night, was an upset that Mason 1, the University's 1961 champion, suffered at the hands of Mason 2, which last year finished in second place.

Mason 2 defeated Mason 1, 14-20, in an exciting contest which ended in a nail-biter to the bitter end. Mason 1, which was expected to win easily, was held to a 14-9 lead at halftime. Mason 2, however, rallied in the second half and scored 11 unanswered points to win.

The win was Mason 2's first of the season and gave them a 2-0 record. Mason 1, which was expected to win easily, had their first loss of the season.

Hilltoppers Will Bring Powerhouse to East Lansing This Saturday

By TOM MIORDAN

The Michigan State football squad got down to serious preparation last night for its nemesis match against Marquette University, with a long, weighty workload yesterday. The Spartans will try to solve the Hilltoppers this afternoon, as interpreted by the State team.

Coach Charley Birmingham's crew will be at full strength for the Hilltoppers, with only reserve end Glaus ready to go. Weight out with a torn ligament in his knee. A redshirt Marquette queer was reported serious, but he will be ready for Marquette, while Wright won't be expected back for about 10 days.

Still Opposition

The way Bill Ramirez ripped through the Wayne State line makes it pretty tough for Groves to hold onto his starting fullback assignment. Also, Joe Montesini, who was expected to get his chance against the Terrapins, but kept breaking his last knee, ought to be ready for action soon.

This year's powerful Marquette club is a young, hardworking eleven with only one senior among eight freshmen on the starting team. Since they've run up yesterdays over Kansas and Iowa State, while holding to high-ranking Wisconsin, Michigan, Penn, and North, Hilltoppers pounded out 24 points last week, and today's Johnnie Strzyzkalik proved most of the punch. Besides running and passing and making the defense taste the taste of defeat, the chunky sophomore handled the punting and did a very fine job.

In the first period, when McGinnis moved to the Marquette 19, Bush hurried, Strzyzkalik picked it up and ran it in to put the team up 4-0.

Johnson's given lots of support in the second quarter by Donnie Johnson, who understudied him, and Ed Wallace, the injury Tuberculosis did for Marquette last fall.

Telephone Lines Are Battle Lines

Telephone calls are the wires of the greatest volume of cable. They have ever carried. And the telephone system cannot be enlarged substantially because necessary materials are going into fighting equipment instead.

Consequently, we must make the most efficient use of present telephone facilities.

You can help by:

1. Using long distance only for the most necessary calls.
2. Placing those calls by number whenever possible.
3. Keeping all your telephone conversations brief.
