

# WMC Proposes Labor Act; Solomons Battle Rages

## Manpower Bill Will Go to FDR in Two Weeks

Workers Must Stay at Jobs—McNutt; 4,000 Soldiers Released

WASHINGTON, Oct. 21 (AP)—Paul V. McNutt, War Manpower commission chairman, told the senate military affairs committee today he expected to lay before President Roosevelt "in less than two weeks" legislation giving the administration unprecedented power to control employment and allocate workers.

It was being drafted, he said, by a subcommittee of the commission's management-labor policy committee on instructions of the president.

Among its provisions, he indicated, would be authority for the administration to require the employment of all workers through a central agency, and power to prevent the transfer of

See MANPOWER—Page 4

## Today's Campus

### ... Versatile

Instead of helping damsels in distress, Dean Elisabeth Conrad has reversed the procedure and now acts as interpreter for Berthony Vieux, graduate student in agriculture from French-speaking Haiti. Vieux, here on a fellowship, has difficulty with the technical English passages in his courses, and Miss Conrad, herself a French scholar of no small repute, has volunteered to assist him. The only trouble with the arrangement is that Miss Conrad knows little about Vieux's course—advanced agriculture finance.

### ... Gelatine Supreme

Fraternity pins have a queer way of disappearing and reappearing in different places, but when Joan Chappell lost Ed Kitchen's Delta Sig pin several weeks ago, she never imagined that it would turn up of all places—in the gelatin dessert in the icebox of a Lansing hospital, where she has been assistant dietitian.

### ... Highland Fling

To look at him you would not think that S. G. Bergquist, head of the geology department, had talents for mountain climbing. If so, you're definitely wrong. On one of the recent field trips, taken by the geology classes in the region of Grand Ledge, Mr. Bergquist displayed his nimbleness afoot by out-distancing, out-climbing, among the rough banks of the Grand river, even the most athletically inclined students. In fact, before the trip was over Mr. Bergquist was assisting the fellows as well as the girls over particularly steep terrain. What's the matter, fellows, getting soft?

## FDR Signs Nation's Biggest Tax Bill

WASHINGTON, Oct. 21 (AP)—The new tax bill, applying record shattering levies to the income of 45,000,000 Americans, became law today when President Roosevelt affixed his signature less than an hour and a half after receiving the measure from congress.

## Two ROTC Units Order Promotions Among Officers

Cadet officer promotions have been announced in the quartermaster corps and field artillery units for the year 1942-43, by order of Col. Stuart McLeod yesterday.

Promotions in other units have not as yet been ordered, according to Capt. G. H. Branch, military adjutant.

In the quartermaster corps, promotions have been made as follows: cadet major, Robert W. Dock; cadet captains, Charles G. Schlaack, Robert W. Fulton; cadet first lieutenants, Francis J. Wery, Leonard R. Barnes, Jr., Donald R. MacKenzie, Loren D. Tukey, Walter P. Maner, Jay H. Polen, Paul H. Wileton, and Max L. Dillingham.

The following promotions have been announced in the field artillery, by order of Colonel McLeod:

Cadet Lieut. Colonel Albert H. Smith.

Cadet Majors John A. Liggett, Joseph W. Norton, Jr., Leslie E. Page, Woodrow W. Wiltse.

Cadet Captains Arthur W. Anderson, Lyle Burdy, Donald

See ROTC—Page 4

## Military Cadets Propose ROTC Corps Sponsors

No Candidates Named by Pershing Rifles to Date

Candidates for Corps Sponsor and unit Corps Sponsors were announced yesterday by Henry Hipp, president of the Officers' club and a meeting for their introduction to senior and junior officers will be held at the Union ballroom at 5 p. m. today.

Election of the Sponsors will be held Wednesday by ballot in military classes by members of the Officers' club, which includes all junior and senior ROTC men.

Seniors chosen as candidates for Honorary Cadet Colonel are Peggy Green, A. S.; Majel Wheeler, H. E.; and Lois Luecht, L. A.

Of the Unit Corp Sponsors, Mary Bent, L. A., and Jane Ellen Henkel, L. A., are running as candidates for infantry; Betty Gibson, L. A., Patty Reddy, L. A., and Helen McAfee, L. A.,

See SPONSORS—Page 4

## Jack Bush Elected Senior President As 422 Go to Polls

Jack A. Bush of Rockford, Ill., was named senior class president last night following what elections Chairman Frank Izzo termed "an exceedingly clean election."

Vote totals show that Bush had a 237 to 185 margin over Ed Kitchen, of Flint, Izzo said. With 422 seniors voting, there was an increase of 29 over the 393 recorded in primaries last week.

Bush, a member of Sigma Alpha Epsilon, and chairman of the Mardi Gras last Saturday, was tapped into Green Helmet, Blue Key, and Excalibur. He is president of Theta Alpha Phi, dramatics honorary, and has appeared in several all-college dramatic productions.

Other senior officers, elected in last Spring's campaign, are Betty Gibson, vice-president; Jean Jackson, secretary; and Joe Borkowski, treasurer. The office of president was not filled at the regular election because both candidates were found to be ineligible. Since it was then too late for further nominations, Student council postponed voting until this fall.

## Japs Sink Two Destroyers at Guadalcanal

American Fliers Damage Nip Cruiser; Aerial Activity Heavy

By RICHARD L. TURNER WASHINGTON, Oct. 21 (AP)—The navy tonight announced the loss of two destroyers—the O'Brien and the Meredith—in the still-developing battle for Guadalcanal, but American airmen damaged a Japanese destroyer and "stopped" a cruiser with a bomb hit.

Aerial activity yesterday and the day before resulted in the destruction of two enemy bombing planes, nine Zero fighters, and a seaplane. Three American fighter planes were lost.

These developments were made public in a navy communique which said many enemy ships had been sighted in the northern Solomons, and reported "little recent troop activity" on the island of Guadalcanal itself.

See JAPS—Page 2

## Reds on Defensive In Stalingrad

MOSCOW, Thursday, Oct. 22 (AP)—The Russian army took the initiative in the blackened, rain-soaked wreckage of Stalingrad's northern industrial district yesterday and drove the Germans from a number of buildings, the midnight Soviet communique said today.

In other parts of the city the Germans were said to have "constantly attacked" Russian positions throughout the day without dislodging the Red army from the positions which it has defended successfully since Sunday.

The Russians also took the initiative at several points northwest of Stalingrad, but results of the operations were not disclosed.

On other sectors of this front there were engagements of local importance and exchanges of artillery and mortar fire.

## Ten Axis Ships Sunk in Mediterranean

CAIRO, Oct. 21 (AP)—British and Allied submarines have sunk 10 Axis supply ships so far this month in the Mediterranean, a recapitulation showed today, in addition to successes scored on both land and sea in constant Allied air attacks such as those in which American medium bombers participated yesterday on an increased scale.

An American communique covering Tuesday's operations said the medium bombers of the U. S. army desert air task force "stepped up the tempo of their attacks," scoring direct hits on grounded aircraft, revetments and tent areas and destroying three enemy fighters as they were about to take off.

## Noted Fraternity Men to Speak Tomorrow

### Michigan State to Play Host for Third Mid-West IFC Convention

Four noted national fraternity leaders, along with a large number of fraternity delegates from colleges and universities in six states, will converge on Michigan State college tomorrow to participate in the third annual Regional Interfraternity conference here tomorrow and Saturday.

Ron Heath, men's housing director, is graduate chairman of the two-day conference, and Larry Hardy, Hesperian fraternity, is undergraduate chairman.

F. H. "Fritz" Nemeyer, educational director and adviser of Zeta Psi fraternity, and past chairman of the National Interfraternity council, will be main speaker at a banquet which will take place tomorrow evening at 6 in the Union ballroom. Nemeyer is retired now, although he does a great deal of traveling for fraternities.

The executive secretary of Phi Delta Theta fraternity, Paul Beam, will appear tomorrow morning at 11 in the Spartan room of the Union. Beam will participate in a discussion on "Values of a public relations program for fraternities."

Another fraternity leader, Dr. W. H. McLean, past grand tribune of Sigma Chi, will take part in a discussion on "Rushing is an art in which all fraternity men must take part." at 1:30 p. m. in the Spartan room. The present national president of Sigma Chi fraternity, Dr. William B. Ricks of Nashville, Tenn., arrived at Michigan State college yesterday, but will be unable to attend the conference.

The first program on the Saturday schedule will be a discussion on "The fraternity budget under present day price changes." John McCann, national secretary of Pi Kappa Phi fraternity, will participate in this lecture.

Local faculty members, and numerous local fraternity men also will be actively participating in the conference. The conference will terminate with delegates and visitors attending the Michigan State-Great Lakes football game.

## Men's Glee Club Plans to Serenade Dorms, Sororities Tonight

Women's dorm and sorority residents will hear the 45-voice M. S. C. men's glee club in its annual fall term serenade tonight between 10 and 11 p. m., according to Del Ruthig, glee club president.

Traditional serenade songs, including their theme song Romberg's "Stout Hearted Men," and a medley of college songs, will be sung underneath first floor windows of the various houses by the men. The group will appear in green-embled white sweaters and dark trousers.

A dance, sponsored by the Interfraternity council and Union board, will be given in the Union ballroom at 9 p. m. tomorrow, following the third annual Regional Interfraternity conference banquet.

Preceding the serenade members of the club will gather at 7:30 p. m. in the Music building recreation room for a smoker, including refreshments and a program by members.

## Schedule Pep Rally for Homecoming Eve

A Homecoming pep rally will be held Friday at 9 p. m. at the Union, according to Ernie Guy, head Spartan cheerleader. Coaches Bachman and Young will be present and varied entertainment is planned.

"Student enthusiasm has hit a new low for Michigan State and it is hoped that the pep rally will inspire a little more spirit for the Homecoming game Saturday," Guy said.

## Levy Is Made Chairman of Publications Board

Sidney Levy, Spartan editor, will serve as chairman of the Publications board, governing body of student publications for the school year, as a result of an election yesterday. Dean Kuykendall, instructor in journalism, will be secretary.

Committee in charge of the Publications photography department will be headed by Sheldon Moyer, State News managing editor, assisted by Paul Wileton, Wolverine editor, and Levy.

## TIME TABLE

- TODAY—
- Panhellenic council, 5 p. m. Org. room 2, Union
  - Corps Sponsors presentation 5 p. m., ballroom, Union
  - APC pledges, 7 p. m. Room 7, Union annex
  - Student-Faculty disc. group 7:30 p. m., org. rm. 2, Union
  - Interfaith council, 7:30 p. m. Spartan room, Union
  - Green Helmet, 7:30 p. m. Main dining room, Union
  - A.S.O.F., 8 p. m. Org. room 1, Union
  - Mortar and Ball, 8 p. m. Little theater, Home Ec bldg.

## INFORMATION What - When - Where

### RADIO WORKSHOP

The Experimental Radio Workshop will hold auditions today and tomorrow. Director Walter McGraw announced. Anyone interested may call McGraw at extension 396. Names of those persons who will be accepted for the Workshop will be posted Monday in room 246, Auditorium.

### MORTAR AND BALL

Mortar and Ball will meet tonight at 8 p. m. in the Little Theater. Captain Dennis announces. The business meeting will follow immediately in the Spartan room. Visored cap, tunic, and Sam Browne belt are to be worn.

### DISCUSSION

The topic of the open meeting of the Student-Faculty discussion group will be an analysis of the college advisory system. The meeting will be held at 7:30 tonight in organization room 2 of the Union.

### PANHELLENIC

There will be a meeting of the PanHellenic council today at 5 p. m. in organization room 2, Union. PanHellenic pictures for the Wolverine will be taken in the Little Theater at 7:30.

### ENGINEERING COUNCIL

Sophomore Engineers will vote for their representative to the Engineering council today in Olds Engineering building.

### BARRACKS STUDENTS

All students formerly living in temporary quarters such as the Union or the NYA barracks are asked to leave their new addresses in the office of the registrar immediately, according to Kermit Smith, assistant registrar.

## East Lansingites To Be Canvassed for Tin Tomorrow

A complete salvage drive to pick up the tin cans of East Lansing is planned for Friday, October 23, according to George T. Smith, chairman of the tin salvage drive-committee.

Cans are to be placed on the curb in front of dwellings and places of business on Thursday night so that they will be ready to be picked up Friday morning. The city is furnishing the trucks that participate in the campaign, but the drivers are being paid for their time by the salvage committee. Volunteer school-boys are also helping.

The cans should be prepared for pick-up by removing the labels and ends, after which they should be cleaned and flattened. Where cans are not properly prepared, a card will be left stating that the cans are not in the right condition and giving directions for their proper preparation.

The cans will be taken to a Lansing smelting company and loaded immediately for delivery to the plants where the tin is removed. Smith pointed out that tin is badly needed for aircraft bearings, gas masks, containers, and many other purposes necessary to our war effort.

Hitler and Hirohito don't like the idea—let's fool 'em by buying War Bonds and Stamps to the limit.

## ALONG THE WINDING CEDAR

By Len Barnes

FOOD for thought of 18 and 19 year old men at Michigan State is furnished by two letters reaching this desk from widely separated places, with very divergent reasoning.

One comes from an interested woman in Grand Rapids, and the other from Jumpin' Joe Gerard, former State basketball player now in naval aviation training at Olathe, Kans.

Both letters plead for more education among the men who will soon make up our fighting army. Gerard who left Michigan State last spring term, was recently advanced to the cadet rank of Regimental Commander, with 800 men in his charge. He'll receive his commission in three months, and plans to make the navy his life work.

"In order to reach the top in the navy," he says, "you must be a college graduate... if you can't give evidence of the fact, you remain at the bottom and it is impossible to work up."

Education, according to Joe, is almost essential to success in the navy, and ranking above that of petty officer requires college work.

Joe signs his letter "as always, a homesick, wandering M. S. C. student."

The other letter argues that the teen age men should be kept in school so they can finish their education, and eventually work out the peace of the world. Very good so far. But wait.

"The teen-age should not be drafted," the letter states, adding "when children are drafted, Democracy has failed." Teen-age boys are the cream of democracy's crop.

"If democracy is just a stage in which the public, like well-fed and well-trained cattle, can be milked with ease and then the cream sent to be buried in foreign battlefields every generation, in order that vice, crime, black markets, liquors, tobacco, and the weaklings have the freedom and glory for benefit of universal carpetbaggers and international money changers, then I don't want it."

The obviously educated writer forgets two things. First, we are at war for survival with a foe who doesn't hesitate to destroy anything. If we lose the war, all of our 18 year olds will be destroyed. The loss will not in any event be total, if they are sent to fight. Youth has endurance to fight in grueling modern war.

Second, 18 and 19 year olds won't be sent directly into battle. Most of that age bracket will be sent to colleges or camps to learn and train for at least a year, and maybe two. They will be the reserves upon which will rest the duty of supplying fresh strength to tired troops.

A lot of men that age have never been away from home before, and haven't had the experience of mingling with mature working men. The greenness must be taken out of them before they begin training.

How much better to take it out of them now than send them into war later, never having shot a gun till the first battle.

## Police Clamp Down; Speeders Get Tickets

Among the seven tickets for speeding given out by East Lansing police over this past weekend, two went to M. S. C. students. A check of car registrations in the campus police office failed to disclose any such registration for one of the speeders.

At the same time, police announced that to date 507 student auto registrations were on file, which is a great increase from the 354 permits issued before the deadline on October 4.

Aggravating the situation, campus police issued a speeding ticket on the campus Wednesday morning. The driver's name was not available, but the car involved was bearing a parking tag similar to those issued to members of the faculty, it was

## JAPS

(Continued from Page 1)

American airmen are meanwhile seeking out and attacking small ship units or task forces in the southern Solomons, and continuing to bomb enemy supply dumps and positions on Guadalcanal.

Thus, in its present phase, the battle for the Solomons appears to be:

For the enemy, an effort to gather his strength for an assault, while attempting to weaken the American defenses by bombing the air base on Guadalcanal.

For the American forces, an effort to soften the blow when it comes by attacking the enemy's sea forces, seeking to cut him off from supplies and disorganize his land forces with aerial attacks.

On the island, what troop activity there was, was taken to be skirmishing for position.

## Smuts Says Reich Is Bleeding to Death

LONDON, Oct. 21 (AP)—The impressive counsel of Field Marshal Jan Christiaan Smuts, veteran statesman and strategist of South Africa, was given the United Nations today in mid-secret and historic circumstances.

In carefully weighed words he said "The German army is bleeding to death in Russia" and that this is the time for a new and final phase, the Allied offensive.

All military students participating in the parade at Saturday's game must obtain their football tickets in the routine manner, according to Capt. George Branch, adjutant. After the parade, they will be expected to take the seat assigned to them by their ticket, he said.

### Lambda Chis Score in Last Minute to Defeat Delta Sigs in Frat Loop

By TOM KING

Lambda Chi Alpha came through with a thrilling 6-0 victory over the Delta Sigs in the most exciting game of the interfraternity league contests last night. Jack Lott, star back of Lambda Chi, threw a 65-yard pass in the last minute of play to Butch Englehardt, who grabbed the ball on the 20-yard line and scored.

George Bush led the defending champions, Alpha Tau Omega, to a 6-0 victory over Phi Kappa Tau. Late in the second quarter, Bush circled his left end and ran 60 yards for the deciding marker. Frank Beeman's blocking was impressive for the victorious ATOs.

**Pinel Scores for AGR**  
Sigma Nu, led by its elusive back, Jimmy Pinel, downed Alpha Gamma Rho, 7-0. Pinel scored from the 5-yard line on an end sweep. A well-aimed Pinel to Decou pass was good for the extra point.

Sigma Alpha Epsilon nosed out Farmhouse by the narrow margin of one first down. SAE's Jim Ruter was responsible for the only first down of the game. The Phi Delta Theta Strait-

Meyer passing combination was victorious over Kappa Sigma, three first downs to one. Beta Chi forfeited to Alpha Epsilon Pi to complete the six-game schedule.

### Sailors' Starting Lineup Unsolved for Saturday

**GREAT LAKES, Ill., Oct. 21 (AP)**—Great Lakes scrimmaged for the third straight time today and the performance of John Popov, former University of Cincinnati ball carrier, may have earned him a starting role against Michigan State Saturday.

Popov, a leading figure in the Sailors' victory over Iowa, broke away repeatedly for long runs today and also was on the receiving end of several passes.

### Dietetics Majors Attend National ADA Meetings

Dietetics majors and Home Economic staff members have been attending the meetings of the American Dietetic association in Detroit this Monday through Thursday, reported Jeannette Leigh, assistant to the dean.

## Kieppe Returns to Grid Squad as McNeil's Loss Forces Bachman to Rely on Soph Ends

The hopes of Michigan State football fans were heightened yesterday with the news that Dick Kieppe, first string halfback, had returned to practice after an absence of six days.

Kieppe donned a uniform yesterday and was paired with Wally Pawlowski in the first string

... Dick Kieppe ...

backfield which also had Russ Gilpin at quarterback and Ed Ripmaster at full.

### McNeil in Hospital

But with the news of Kieppe's return came the report from the Olin health center that veteran Bob McNeil was confined by a cold and unlikely to play against the Great Lakes Naval Training station here Saturday afternoon. The Spartans' only other seasoned end, Roy Fraleigh, is benched indefinitely by a dislocated shoulder.

The early season performances of Vincent Mroz and Barney Roskopp have been impressive, but Fenwick Crane and Ken Balge, who must replace them at the flanks when the expected Sailor pounding takes its toll, are awaiting their baptism of fire.

Balge already has seen action at tackle and should be able to render a satisfactory account at the position where he won all-state honors in high school last fall. Crane, the squad's tallest player at 6 feet, 3 inches, was a backfield player in prep school and was hampered by injury in most of the early drills.

The thought that this sophomore foursome will be called upon to try to uproot such stout Sailors as 250-pound Urban Odson and 230-pound Jim Daniell makes the coaches shudder. It's

most likely that whenever State does get the ball Saturday, passes will shower all over Mackin field.

Most of the practice was devoted to passing, with Kieppe, Elbert Stark, and Morgan Gin-grass alternating at halfback. A few of the plays had plenty of razzle-dazzle, intended to distract the bulky Sailors until a receiver shakes loose.

Mrs. Lynn Robertson will be in charge of the affair and will be assisted by Mrs. Arnold Ott, Mrs. Everett Atkinson and Mrs. Paul DeKoning.

The guests will be Mrs. Stanley Brandt, chemistry; Mrs. H. B. Blum, bacteriology; Mrs. E. G. Braunschneider, zoology; Mrs. Russell Bunn, home economics; Mrs. J. A. Foster, English; Mrs. R. L. Guile, chemistry; Mrs. W. C. Hummel, English; Mrs. M. G. Larian, chemical engineering; Mrs. Howard Malpass, chemistry; Mrs. C. H. Nickle, speech; Mrs. J. B. Park, chemistry; Mrs. G. J. Propp, agriculture; Mrs. George Radulescu, home economics; and Mrs. Elmer Rossman, agriculture.

## Axis Protests 'Allied Barbarisms'

NEW YORK, Oct. 21 (AP)—Germany and Japan appeared from their propaganda broadcasts today to be trying to build up a case of alleged war inhumanities that would justify reprisals against the United States and Britain, and the punishment of prisoners.

The Tokyo radio, which continued its broadcasts of threats to punish United States fliers taken after raids on Japanese territory, named four airmen it said were captured after the April 18 raid on Tokyo, and said they had confessed to inhumanities against the civilian population.

In Washington, the war department would make no immediate comment on the Japanese-German broadcasts.

for field artillery; Mary Grow, H. E., Millicent Jones, L. A., Marcia Rybarsyk, L. A., for cavalry; Muriel Whiting, L. A., Aileen Zickgraff, H. E., Shirley Freeman, L. A., Shirley Knowlton, H. E., and Jean Jackson, A. S., for coast artillery.

Senior women running for the signal corps include Rosemary Darlington, L. A., Mary Elaine Childs, L. A., Betty June Bishop, H. E., and Betty Jane Youngman, L. A.

Helen Sayers, L. A., Mary Jean Wood, H. E., and Doris Jean Holser, H. E., are candidates for Quartermaster Corps and for Band are Ann Hoyt, L. A., and Helen Linck, H. E. As yet no one has been chosen for Pershing Rifles, Hipp said.

## Raging Forest Fire Traps 200 Fighters in Mountains

SANTA MONICA, Calif., Oct. 21 (AP) — Two hundred fire fighters were trapped late today, a sheriff's radio report said, by flames which encircled them high in the flaming Santa Monica mountains.

Capt. George Brown, head of the squad of fighters, radioed the report from the Asbury ranch, at the head of Las Flores canyon seven miles from the seacoast. County Fire Warden Spence Turner said there was no chance of sending them help through the raging inferno of the canyon below them, but expressed hope they might be able to fight their way out with mobile equipment on the scene.

### Before you call Long Distance, please ask yourself:

1. Is it really necessary?
2. Will it interfere with war calls?

TELEPHONE lines — especially Long Distance circuits — are crowded as never before, these war days. Materials to build new lines — copper, rubber, nickel — are needed for the shooting war. So we must get the most out of present facilities.

You can help us keep the wires clear for vital war calls if you will do these two things: (1) Don't call Long Distance unless it's urgent; (2) Call by number if possible and please be brief. Thank you!

### WAR CALLS COME FIRST!

### Belle-Sharmeer Stockings

are sized to fit your leg size!

They're the loveliest rayons that ever came out of a test tube! And they're sized for your type in width as well as in length. The result is smooth Belle-Sharmeer fit... always smarter and, in rayon, indispensable! Here exclusively in *Brev* for small legs, *Modite* \$1.00 to \$1.50 for middling, *Duchess* for long a pair
