Tony Pastor Will Play for T-Hop

Tony Pastor and his band will play for the first pre-Thanksgiving dance ever to be held at Michigan State college, Gordon Hueschen, publicity chairman, announced yesterday. The Turkey Hop will be held next Wednesday at 9 p. m. in the College auditorium.

Union board is sponsoring the dance for the benefit of the student body, which will be unable to leave campus over Thanksgiving because the regular four-day vacation has been shortened to one day. Tickets will go on sale Saturday at the Union desk, Hueschen said, and patrons and guests will be announced later.

Noel Coward's 'Hay Fever' Will Be Fall Term Play

"Pure escape." That's how Director Don Buell classifies the fall term all-college play, "Hay Fever," to be presented for campus approval on Wednesday and Thursday, Dec. 2 and 3, in Fairchild theater.

Described by Buell as Noel Coward at his best work, "Hay Fever" is a frothy farce that should bring "welcome relief from current world crises."

Season tickets will remain on sale through Saturday at the Administration building and by dramatics honorary which is members of Theta Alpha Phi, sponsoring the three-act comedy. Should student purchasers leave school prior to the winter term play, a refund will be given. Starting Monday, single admission tickets will go on sale.

More Than Fifth of Midterms Are Below Average

First reactions of Michigan State college students toward the accelerated war-time program were calculated yesterday when Director S. E. Crowe announced that 21 per cent of the total grades given at mid-term were D's and F's.

With pre-war below-par grades amounting to 13 to 20 per cent of the total grades given, this fall's percentage is slightly above average.

Judging from the code marks accompanying unsatisfactory grades, the majority of poor marks were due to "low examination grades." Other major reasons were "lack of student effort, slow start but improving, and absences."

The general college students showed the greatest number of unsatisfactory grades for the total given with 38 per cent of all marks being D's and F's.

FDR Sets New Registrations Parachutists Take Tunisian Air Field

Flying Fortresses* Attack Bizerte, Bomb Supplies

LONDON, Nov. 18—Allied parachute troops have captured a vital airdrome deep in Tunisia and American Flying Fortresses have swept into the battle of North Africa in force with a daring low-level raid on gasoline and ammunition dumps at Bizerte.

These developments were reported tonight from the thick of battle fast shaping up in Tunisia for control of the air, land and sea lanes to Tripoli, last possible refuge of the disorganized Axis desert armies.

The parachutist exploit far inside Tunisia was described in an See PARACHUTISTS—Page 1

Late Bulletins

LONDON, Nov. 18 (AP)—American Flying Fortresses and Liberator bombers dropped heavy loads of high explosives on Nazi Atlantic submarine bases today for the fourth time within 10 days.

The submarine sheds of La Pallice and Lorient were raided at a cost of one bomber. The brief American communique did not give the results of the attacks.

HOLLAND, Nov. 18 (AP)—The Victory Shipbuilding company will launch a 110-foot submarine chaser Nov. 28 at its Lake Macatawa yard, a company spokesman announced today.

WASHINGTON, Nov. 18 (AP)—Faced with war demands beyond the apparent ability of farmers to supply, the War Production Board's foods requirements committee is expected soon to recommend civilian rationing of cheese and butter fluid milk in larger cities, and a curtailment of ice cream.

MOSCOW, Thursday, Nov. 19 (AP)—German tank and infantry attacks on the factory district of Stalingrad, which the Nazis are attempting to capture for winter headquarters, were beaten off again yesterday and counter-attacking Russians seized several enemy strong points, the Russians announced early today. "In the course of the engagement more than 600 enemy troops were killed or wounded," the Soviet midnight communique said.

See BULLETINS—Page 4

Men Already 18 Will Register in December

WASHINGTON, Nov. 18 (AP)—As one more step in a broad program to "insure victory, final and complete," President Roosevelt today ordered the young men who become 18 years old in the last six months of this year to register for military service.

President Roosevelt's action was necessitated by the recently enacted legislation lowering the

See DRAFT—Page 3

CDC to Open Stamp Drive Tonight

By DAVE EAST

Setting a precedent in American colleges, M. S. C.'s War stamp pledging drive, sponsored by the Coordinating Defense Council, will open tonight in all women's dorms.

CDC's campaign, headed by co-chairmen Sally Sawyer and Bob Nickerson, is the first thing of its kind to be sponsored by any college or university in the nation. The pledging will be completely voluntary, according to Miss Sawyer. As high a percentage of pledging on campus as possible is the ultimate goal of the campaign and subscriptions of 10 cents a month will not be considered "too small."

The Victory speakers (a group of Spartan speech enthusiasts, led by Grace Sidoti) will appear at dinner time tonight in all women's dorms to explain the necessity of the drive. At that time subscriptions for bonds or stamps will be solicited. One thousand pledge cards have been printed for the campaign and more will be added as the need increases.

Men's dorms, sorority and fraternity houses, and co-op residence will be organized for pledging as soon as possible, Miss Sawyer said. Any off-campus student interested in subscribing immediately should contact Chairman Manny Mullen of CDC in the AWS office, second floor of Union annex.

Actual purchasing of war stamps or bonds will take place at a specified time, probably the first of each month, it was stated. Signing the pledge card is a promise that the student will buy the designated amount of stamps each month for the rest of his stay at M. S. C.

Local Residents Urged to 'Curb' Tin Cans Today

Cleaned and flattened tin cans will be picked up in Lansing and East Lansing tomorrow and Saturday, according to George T. Smith, chairman of the Lansing tin salvage committee.

The East Lansing pick-up will be Friday and all prepared cans should be placed in front of residences and commercial buildings by tonight. Lansing donors should have their cans out by tomorrow night in time for the pick-up Saturday. Trucks of the public service department will gather the cans, Smith said.

Ballet Theatre

Promises to Be Feature Attraction On This Year's Concert Series

By JOAN MEYERS

The Ballet Theatre, the streamlined Russian ballet with a preponderance of American dancers, will return to Michigan State on the Concert series for two programs to be presented Monday and Tuesday in the College auditorium at 8 p. m. They will be accompanied by a 125-piece symphony orchestra.

Some 40-odd dancers born in a dozen different states of the nation will be reinforced by some of the most important ballerinas and soloists from Europe, including the Russian ballerina, Irina Baronova, and two of England's classic dancers, Alicia Markova and Anton Dolin.

For the Monday evening performance the Ballet Theatre will present "Princess Aurora," "Pas de Quatre" and "Bluebird."

Tuesday night's program includes "Swan Lake," "Pillar of Fire," and "Petrouchka."

S. E. Crowe, chairman of the lecture and concert series, announced yesterday that new arrangements have made it possible for students to attend either performance of the Ballet Theatre on Monday and Tuesday.

The activity book coupon will be used for the first night, but those who attend the second performance only must exchange their coupon for a reserved seat at the accounting office.

Today's Campus

... All This Meat

Wiscres are in evident abundance in Mason dormitory this term. Yesterday after the noon meal there was attached to the door of the dining hall Potatoes by an anonymous resident, the following inscription: Food may win the war—but how can we get the enemy to eat here?

... Give 'em a Chance

"If at first you don't succeed"—try planting a few shrubs. That's the philosophy adopted by the B and G department in its attempt to prevent students from cutting across the Chem building lawn to the College auditorium. "Beware or I'll scratch" bushes provide a persuasive detour reminder for footloose students.

... Horse Laugh

What a difference one letter can make. That's what the good women in Shaw house found out the other day when a Wolverine appointment card reached them addressed Shaw Horse Fan Barn. Originally it was intended for Show-horse Mail Barn, but addressing some 6,000 cards to students is a tremendous job and legibility is bound to lag occasionally. (Wonder if they have been receiving any new-mown hay lately?)

Frosh Meet Ex-Bosses

New Students Will Meet High School Principals Saturday

By LOUISE ROTH

The annual student-principal conference will be held Saturday from 9 to 12 a. m. in the College auditorium, Registrar R. S. Linton announced yesterday.

Designed as a connecting link between new Michigan State college students and their former high schools, the conference helps the college and the high school to evaluate their curriculum to fit student needs.

In order that all new students may have an opportunity to talk to a representative from his former high school, individual conferences have been scheduled

through the registrar's office for Saturday morning. Satisfactory appointments with the principals and other high school representatives, all students are urged by Registrar Linton to stop at the College auditorium some time Saturday morning to talk with the representative from their respective high schools.

The annual student principal conferences have been helpful to Michigan State college in working out student problems, and have been an aid to high schools in their college preparatory courses, Linton commented.

As a result of former conferences, there have been "better

Although only freshman and transfer students have been no-meals in the dorms, bigger smiles on professor's faces, and less noise during studying hours," Registrar Linton pointed out.

Following the morning conference, the high school principals and representatives will be the college's guests at a luncheon and program in the Union ballroom. Pres. John A. Hannah will speak to the group, and the Men's Glee club will sing.

Promptly at 1:30 p. m. the group will adjourn to Macklin field for the Michigan State-West Virginia football game.

INFORMATION What - When - Where

C.D.C.—
 Coordinating Defense Council will hold a special meeting tonight in the Spartan room of the Union at 7:15. Chairman Manny Mullen has announced. At least one representative from each campus organization should attend the meeting.

DDC.—
 The Dormitory Defense council will meet tonight in room 111 of the Union annex.

STUDIO THEATER.—
 Studio theater will hold its last meeting of the term tonight at 7:15 in room 49 College auditorium. Pat Toelan, Joy Randall, and Ginny Knappe will present three one-act plays as part of the evening's program.

PRE-MED AND DENTAL.—
 An organization meeting of all pre-medical and pre-dental students will be held tonight in room 103 Union annex at 7:15. Announces Bob Bowersox.

ORATORY PRELIMS.—
 Preliminaries for oratory have been postponed until Jan. 3 for men and Jan. 13 for women, announced John McGraw, director.

CONSERVATION, FORESTRY.—
 Conservation and Forestry clubs' annual game supper will be held today at 6:30 p. m. in the Forestry cabin.

HILLEL PROGRAM.—
 Mayor Sam Street Hughes will address the students of M.S.C. this Sunday, Nov. 22, at 8 p. m. in the Spartan room of the Union. Bob Kamins, program

chairman of Hillel, announces. This will be the first campus address of the mayor since his reelection and everyone is invited to attend. "Defense—the Role of Youth" is Mayor Hughes' topic.

AG EDUCATION.—
 Initiation of new members will be held by the Ag Education club tonight at 7:30 in room 401, Ag hall.

SCABARD AND BLADE.—
 Scabbard and Blade will meet tonight in organization room 1 of the Union at 7 o'clock.

TOWN GIRLS.—
 A luncheon for town girls will be held in the Town Girls lounge today at noon, announces Doris Harford, president.

VET COUNCIL.—
 Members of the Veterinary council will meet today at 8 p. m. in room 108 of the Vet clinic.

P. E. M. CLUB.—
 All Phys. Ed. majors are invited to attend the P. E. M. club party tonight at 7:15 in the lounge of the women's gym. There will be a program and refreshments.

ALPHA PHI OMEGA.—
 Members of Alpha Phi Omega, national service fraternity, will meet at Hunt's Food shop tonight at 5:30 for their annual fall dinner. New officers will be formally installed and a group of pledges will be initiated. To reserve a place, members are requested to call either Art Mitchell at Mason hall or Bob Lenz at Abbot hall.

Mrs. Roosevelt Says U. S. Must Increase Wartime Effort

WASHINGTON, Nov. 18 (AP)—Mrs. Franklin D. Roosevelt, in the first recounting of her flying trip to Britain, said today that if Americans could realize that the length of the war depends largely on what they are willing to do, "we might put a great deal more into our war effort."

Asked for examples of what Americans could do, she suggested giving up non-essentials and the extended use of women in war work. She said she doubted if anyone in England now, no matter how rich, had servants.

Mrs. Roosevelt, who left for London Oct. 21 and whose return was announced by the White House yesterday, said that from her observation the average Briton is not getting as much food as before the war but it is better balanced. "Dull but adequate," she described it.

Laval Is Hitler Choice to Succeed Petain

LONDON, Nov. 18 (AP)—Pierre Laval, who has thrown in his chips for a German victory, was made Fascist dictator of Vichy France and designated successor to Marshal Philippe Petain tonight. Observers predicted a new terror reign and a desperate Laval effort to swing France militarily into the Axis fold.

The 86-year-old Marshal Petain named Laval his heir presumptive to replace Admiral Jean Darlan who went over to the Allied standard in French North Africa.

HAY FEVER

(Continued from Page 1)
 Buell revealed, which can be exchanged for reserve seats beginning Wednesday. Both season and single tickets are for reserved seats.

Most of the present campus players owe their start in Spartan dramatics to Buell (better known as "Brother B"), but this is the first time he has assumed the role of director of the all-college term play since Dr. W. Fawcett Thompson resigned his post as dramatics head to freelance in Hollywood.

Four veteran campus Thespians will be starred in the play, with Buell commenting that the "oldtimers will be in strong competition with the supporting newcomers who threaten to steal practically every comic scene."

"Hay Fever" is one of the early Coward successes, having played before capacity-crowded houses from coast to coast. Cast in an English pre-war setting, the plot revolves around a frivolous family and their party guests. "How to wolf in high society" would be an excellent subtitle for the drama, chuckles Buell.

Leading roles in the farce will be handled by Mary Elaine Childs, a Detroit senior; Fred Tyler, sophomore from Cleveland, O.; Bunny Buchholz, junior from Detroit, and Dave Lucas, East Lansing sophomore.

Newcomers into the campus dramatic spotlight will be Peg Hall, sophomore hailing from Owosso, junior Flossie Wilkins of Syracuse, N. Y., and Jill Jope, senior from Indianapolis, Ind. Two new Michigan Staters in the cast will include Albin Beck, sophomore transfer from Muskegon, and Tad Ashby, freshman of Jackson.

ALONG THE WINDING CEDAR

By Len Barnes

FROM all indications, the defense effort at State has bogged down badly this term. CDC Chairman Manny Mullen set up plans for a successful job, but students haven't been too cooperative in taking them up.

When volunteer organizations are called on to sponsor a certain phase of the program, they don't respond as they did last spring term. A lot of clubs have practically fallen by the wayside this fall for non-attendance of members at meetings. Some of them aren't functioning at all.

Groups with a real framework for doing a defense job, good examples being the Independent Student association and Interfraternity and PanHellenic council, could profitably pitch in with Mullen. Any organization or individual wishing to take on more work should contact him.

The ever-popular first aid course, one of the defense series, has been deserted by many students who signed up to take it at the beginning of the term. A total of 180-odd students signed up and began attending the classes, held once a week for two hours. Less than a third of that number is reporting for classes today.

Student Beet Pickers to Be Paid Soon

Students who have worked in sugar beet fields will be compensated soon, B. D. Kuhn, assistant county agent leader, announced yesterday. Weighings are being completed at the sugar beet factory, and money for student checks should be forthcoming "any day now," he said.

There is still time to volunteer for picking beets on Sunday. Those who wish to pick are asked to call at room 118, or at Dean Anthony's office in room 115, Agriculture hall.

The course is not given for credit, which is the reason given by many for dropping out. But it would be hard to find a more profitable way to spend 20 hours of the term. First aid training will fit into every possible situation students of college age could get into in later life, to say nothing of the war period.

It's a reflection on the war spirit at State that so many dropped out after enrolling for the course. A little more seriousness and a little less time devoted to pursuit of pleasure would seem in order today for many students.

Graduate Students Down to 161 This Year at MSC

Only 64% as many students are enrolled this fall in graduate schools of the land grant colleges as were enrolled last year, a survey shows.

Enrollment of the graduate school of Michigan State college is now 161 students, in comparison to last year's total of 309.

Grin and Bear It

By Lichty

"We're living at a hotel now—our cook got so domineering that we decided to simply walk out of the house and show her we can get along without her!"

Germans Retreat Toward Bengasi

CAIRO, Nov. 18 (AP)—The fleeing Axis army in Libya, with only 15 of its 500 first-line tanks left, reeled back today to within 70 miles of Bengasi with the British eighth army in pursuit on a broad front toward the El Aghella defile for what may well be the knockout punch.

The eighth army advanced 80 miles yesterday to within 230 miles of El Aghella and about 800 miles from the western boundary of Tunisia where the British first army and flying American columns are pressing eastward, closing the jaws of a great vise.

For the first time in days, Axis planes were found in the desert near Bengasi, and 12 were destroyed without Allied loss. Six were huge transports shot from the air; the others were destroyed on the ground. Allied bombers attacked Bengasi at low level, rifling barges in the harbor.

Pres. John A. Hannah announced yesterday that it is important for men who sign with one of the reserve programs to enlist under the same name with which he is registered in the college record.

If a student is listed in the reserves by one name and in the college record by another, he is in danger of being drafted, due to the confusion, President Hannah emphasized.

Wolverines and Ohio State Buckeyes Closely Matched in Coming Contest

ANN ARBOR, Nov. 17 (AP)—Football figures frequently are misleading, but several sets are available to show that Ohio State and Michigan are remarkably well matched for their showdown Western Conference game at Columbus Saturday.

By an odd mathematical quirk, the two bitter rivals have almost identical records in the Big Ten this year.

Both the Wolverines and the Buckeyes have averaged 25 points a game in the conference, and their opponents have averaged 15 points. Coach Paul Brown's Buckeyes have played five league games to Michigan's three, and each has lost one—Ohio to Wisconsin and Michigan to Minnesota.

Both Have Power

There are other signs, probably more reliable, that the teams measure up pretty well. Both are offensive minded. Both have big, fast lines and an abundance of fleet backs. They are traditional rivals and the game carries much of the old college spirit so popular in Hollywood. Last year they finished spectacularly in a 20 to 20 deadlock.

Michigan learned from Scout Ernie McCoy today that the Buckeyes possess a strong passing attack to throw at the usually vulnerable Wolverine aerial defense. McCoy presented statistics that the Bucks have completed approximately 50 per cent of their passes.

Ohio Backs Speedy

The Buckeyes also run the ends with great success, but Michigan thus far has had small trouble turning in flank attacks. Illinois last week held the Ohioans at the middle of the line, but the sheer speed of Ohio backs accounted for 133 yards in 11 plays around the ends.

Coach Fritz Crisler continued to play to dish out new plays. After eight games both teams are thoroughly scouted, thus making it necessary to introduce new tricks.

Volleyball Winners to Meet in Playoffs

South Williams, title holder of Block 1, will meet Tuesday's Block 3 winner in the finals of the championship playoffs tonight at 7:40 p. m. The winner of this game will then play the Block 2 champion for the top honors in the women's intramural volleyball league next Monday night at 7:40 p. m.

Intramural Playoffs

Intramural playoffs for tonight:

PRACTICE FIELD
 7 p. m.—ATO vs. Sigma Chi.
 8 p. m.—Delta Chi vs. Sigma Nu.
 9 p. m.—DZV vs. Pyjaky

BASEBALL FIELD
 7 p. m.—Mason 8 vs. Abbot 18.
 8 p. m.—Alpha Chi Sigma vs. Lansing All Stars.

The Michigan lineup in today's drills was unchanged from the starting eleven against Notre Dame. That means Tom Kuzma and Paul White are at the halfbacks, with Bob Wiese at fullback and Capt. George Ceitham at quarterback.

Wiese, sophomore successor to Bob Westfall, now is the team's leading ground gainer with 344 yards, 114 of which he picked up against the Irish. White has 324 yards and Kuzma 231, while White tops the scorers with 42 points and Kuzma has 36.

State Cage Men to Meet Marine Five Here Today

The Michigan State varsity basketball team will get its first taste of outside competition this afternoon when it entertains the Marine quintet, composed of Marines stationed in Lansing, in Jenison gymnasium at 4:30.

As his first five, Coach Ben VanAlstyne will probably have Carl Petroski and Dan Pejeski at forwards, Fred Stone, center, and Roy Deihl and Al Pepler as guards. Of these Stone, Deihl, and Petrowski are lettermen, while Pepler and Pejeski are sophomores.

As yet the Spartan cage schedule hasn't been completed, but the first game on December 7th against the University of Michigan in Ann Arbor is set.

DRAFT

(Continued from Page 1)

minimum draft age to include 18 and 19-year olds. Those who became 18 up to the end of last June had already registered.

Mr. Roosevelt provided three registration dates. Those who became 18 in July and August are to register during the week of Dec. 11. Those whose birthdays were in September and October, are to register during the week of Dec. 18.

Those becoming 18 in November and December are to register between Dec. 26 and 31, inclusive. After Jan. 1, men becoming 18 will register on their birthdays.

A little earlier, selective service headquarters issued regulations under which the 18 and 19 year olds will be called up for induction in the order of their birth-dates, with the oldest called first. This is a departure from the plan followed for older men, for whom the order of call was fixed by lottery drawings.

The regulations also stated more explicitly the rules covering deferments to be granted to high school students. By applying to their draft boards in writing, such youths may obtain de-

Bachman Prepares Spartans for Contest With Rugged West Virginia Mountaineers

Sophomores Ken Balge and Edo Mencotti to Start in Saturday's Tilt; Bill Monroe Will Be at Center in Place of Howie Beyer

By Tom Riordan

"It's going to be a tough one." is the way Michigan State's coach, Charley Bachman, considers his team's coming game with West Virginia; and for a good reason.

Last year he Mountaineers fell to the Spartans 14 to 12, and as the boys left the playing field they vowed they'd never run up against a harder working, all-out football team. The West Virginia grid-ers blocked and tackled hard. They used the old Knute Rockne system in which every play was a touchdown play.

The fact that the State first team was able to rest for a greater part of the second half against Purdue helps to make things easier, but there will probably be no rest for the first eleven Saturday.

Balge to Start

The aggressive play of Ken Balge, who started at end, will again give him the starting nod. With the Spartans featuring an aerial attack, Balge will get a chance to show some of his pass catching abilities that helped him to gain a place on the high school all-state team when he was in Fordson.

Another sophomore, Edo Mencotti, who saw quite a bit of action last week, may also be in the starting lineup. Bachman liked Mencotti's rugged blocking and sharp tackling, which may put him ahead of Veteran Pete Fornari at right halfback.

Monroe at Center

Still nursing a battered face acquired in the Purdue tilt, Bill

Roskopp will be at end with Balge, Alger Conner, and Dick Mangrum, tackles, George Radulescu and Don LeClair, guards and Monroe, center.

Measles Scare Over; Bachman Relieved

The all clear has been sounded. The measles scare at the Spartan grid camp is now a thing of the past. When Manager Bob Shedd was reported in College hospital with the measles, Coach Charley Bachman feared that some of his players had contracted them. However, Dr. C. Holland, team physician says that everybody is OK.

When the scare was announced, Bachman was unofficially quoted as saying, "That's all I need."

Monroe will probably be ready again to handle the center duties. Monroe took over the pivot spot and did a fine job against the Boilermakers when Regular Howie Beyer was forced out with a shoulder injury.

The backfield besides Mencotti, will be Dick Kieppe, passing, running and kicking ace, high-stepping Morgan Gingrass, and Russ Gilpin at quarterback. Gilpin will see his first duty since the Washington State game when he was injured.

Welsh Movie Will Be Saturday's Feature in Adventure Series

Michigan State students who plan to attend the next movie to be featured on the World Adventure series, "How Green Was My Valley," will hear the traditional Welsh folk music for which 20th Century-Fox films drafted Ll. Gomer Jones of the Michigan State music department as consultant on authenticity of the music. Jones is a nationally known pianist and composer.

The motion picture, a dramatic portrayal of life in a small Welsh mining town and starring Walter Pidgeon, will be presented in the college auditorium Saturday at 8 p. m.

Students will be admitted on student coupon according to S. E. Crowe, chairman of the series.

BULLETINS

(Continued from Page 1)

WASHINGTON, Nov. 18 (AP)—Legislation to permit coinage of three-cent pieces, half-dimes and pennies made from other materials than copper was approved today by the senate banking and currency committee.

Mrs. Nellie Taylor Ross, director of the mint, said the mint and treasury had discussed the making of half-dimes—a coin smaller and markedly different from the nickel—to relieve the "pressure" on the nickel supply, and three-cent pieces to offset some of the demand for pennies.

ALLIED HDQ. IN AUSTRALIA, Nov. 19 (AP)—U. S. and Australian troops closed in on the Japanese New Guinea base of Buna today as heavy bombers streaked ahead to attack eight enemy destroyers "maneuvering off the north coast, apparently in support of the enemy ground forces," a communique announced.

Any student expecting to classify in nine credits or less and pay \$2.50 per credit hour must obtain from his dean, before seeing his adviser, a statement of the amount of work to be carried. This statement must be presented at the gymnasium when sections are reserved.

BALLET

(Continued from Page 1)

"Each performance is entirely different and those who wish to attend both programs may use their coupons for Monday night and purchase a ticket for Tuesday night," Crowe said.

Ballet Theatre is the first large ballet group to employ a majority of American dancers. They have arranged their dances to retain the glamor of the traditional Russian ballet while adding American speed and precision.

The dancing personnel includes 42 Americans, four Russians, four Englishmen, two Canadians, one Frenchman, and one Pole.

Total victory is something to be won at home as well as abroad.

College Auditorium

S. HUOK presents the GREATEST in **RUSSIAN BALLET** by the **BALLET THEATRE** America's Foremost Ballet Company **COMPANY OF 125 • SYMPHONY ORCHESTRA**

PARACHUTISTS

(Continued from Page 1)

Allied headquarters communique on Radio Morocco as one of the most important air-borne operations ever accomplished.

British parachute troops dropped in Tunisia Monday from American planes also have been in contact with the enemy, the broadcast said.

The Fortress raid, in which Axis supplies were blown up in the key Bizerte naval-air base, was the first carried out in force by the big American bombers in Africa, although Brig.-Gen. Jimmy Doolittle already had had a taste of combat in a fortress enroute to the new battlefield.

Fortresses Fly Low

British accounts said the Fortress bombers swooped low over their objective at Bizerte and pounded it with bombs. On the way home they shot down a Messerschmitt 109 fighter plane.

These accounts said that French troops in Tunisia are making a fighting withdrawal toward the west to join the British first army advancing inside Tunisia from Algeria. The French have made two contacts with the Axis forces.

As the veterans of Dunkerque in the British first army picked their way toward the naval base of Bizerte, a flying American column was reported knifing across the waist of Tunisia in the direction of Tripoli on a Thursday.
