Mountaineers Favored Over Local Crew

Expect Overhead Game to Be Used by Both MSC and Visitors

By TOM RIORDAN
Coach Charley Bachman and his Michigan State Spartans will probably run into plenty of trouble when they clash with the West Virginia eleven on Macklin field today at 2 p. m. Tradition-ally an all-out club, the Mountaineers will be slight favorites because of their past record.

The Spartans, who have been playing "in and out" ball all season, will be trying for their fourth win of the season from a team that has yet to win from them in the three times the two teams have met previously.

hands stopping the Mountaineers' two leading backs, Dick McElwee and Dick Leonard. The latter is a freshman, the only one in the starting lineup, who handles the passing assignment.

In fact, the game may turn into an aerial duel between Leonard and the Spartans' Dick Kieppe, who does the tossing for State. Added threat with Kieppe is the fact that he is just as dangerous running with the ball as he is throwing it. This will no doubt cause the Mountaineers no end of worry.

... Time Will Tell

One morning recently, a still somewhat green frosh was seen pacing very patiently through the fog in front of the Union. A helpful upperclassman noticed his predicament and asked, "Expecting someone?"

The frosh cleared away the fog and replied, "No, just waiting for the cafeteria to open to get some breakfast."

When a Clock Won't
"You've a long wait, Bud, my watch says 12:30 a. m."

It was later suggested to Bill Willie that he adopt the two-alarm clock system—one to tell time, and another for pranksters to re-set.

... Privileged Pussies

Students may lead a dog's life, but a cat's life at Michigan State is pretty easy. One belonging to Miss Grace Richards, South Campbell housemother, for instance, gets practically all the privileges of the other residents even unto portions of cake and cookies. Another, official scavenger of the botany greenhouse mice, has a person specially appointed to see that she is not present during the frequent sessions when the greenhouse is fumigated.

Ballet Theatre Company to Bring 125 Frosh Will Confer With High School Principals Today

A scene from the "Pas de Quatre" is shown above, portraying the command performance of four great dancers of the nineteenth century. Those performing are Alicia Markova, Karen Conrad, Rosella Hightower, and Annabelle Lyon. This ballet will be presented Monday evening.

By JOAN MEYERS
Ballet Theater, a company of 125 complete with 42 dancers, choreographers, and symphony orchestra will arrive here Monday to present a two-day performance in the College auditorium at 8 p. m. on Monday and Tuesday evenings.

For the first performance the group will present the ballets "Princess Aurora" (music by Peter Tchaikowsky), "Pas de Quatre" with choreography by Anton Dolin, and "Bluebird," a ballet by Michel Fokine.

Tuesday evening's program will include "Swan Lake," "Pillar of Fire," and "Petrouchka."

Featured dancers will be Irina Baronova, the first Russian ballerina to appear in motion-pictures; Alicia Markova, the British dancer who has been called successor to the great Pavlova; Anton Dolin, and Karen Conrad, who was born and bred in Philadelphia.

"Princess Aurora," the first number of Monday's program, is a suite of dances selected from "The Sleeping Beauty."

Student's Brother Broadcasts from Africa

Jean Collingwood, L. A. '46, is a constant listener to all CBS news roundups these days—because her brother Charles C. Collingwood is in Africa with Gen. Dwight Eisenhower covering the Allied invasion for radio.

In fact Brother Charles was the first announcer to be heard from Africa Nov. 7, the day the United Nations set foot in the French colonies.

Students may attend either performance, according to S. E. Crowe, chairman of the entertainment series. The activity book coupon will be used for the first night, but those who attend the second performance must exchange their coupon for a reserved seat at the accounting office.

Seek to Close Jaws on Three Cornered Trap

French Drive from Lake Chad to Slice Axis at Tunisia, Tripoli

LONDON, Nov. 20 (AP)—The main U. S. and British armies engulfing Tunisia were only 25 or 30 miles outside Axis-held Bizerte and Tunis tonight and a death grapple for this strategic corner of the protectorate was expected to begin at any moment.

The Allies now control most of the French territory, and across the Sahara desert to the southeast a fighting French army was reported on the move to trap Marshal Rommel's Libyan remnants in a three-way squeeze.

The Nazis have seized Gabes in southeastern Tunisia, 100 miles from the Libyan border, Allied headquarters' dispatches said, but French troops in that area were said to be beating off Nazi efforts to link up that coastal region with the Axis base in Tripoli.

One Allied unit apparently bent on encircling Tunis was reported to have reached a point 25 miles southeast of that capital, radio Brazzaville, the Fighting French station in Equatorial Africa, said.

The Allied advance units destroyed a third of a panzer column sent out to meet them and sent two other Nazi columns tumbling back upon their main body.

British Sweep Past Abandoned Bengasi

CAIRO, Nov. 20 (AP)—Bengasi was sealed tight in a British trap today as the 8th army drove down along the Libyan coast to the port while its southern wing cut the coastal highway 50 miles to the south and advanced on the Agheila defile where narrow Axis defense positions already were being pulverized by Allied bombers.

(The German high command said Bengasi was evacuated. The Berlin radio said Marshal Rommel has retreated to positions "fairly far to the rear.")

Rubber-Czar Jeffers Defies Gas Rationing Opposition on Hill

WASHINGTON, Nov. 20 (AP)—Rubber Administrator William M. Jeffers served blunt notice today that national rationing of gasoline will become effective on Dec. 1 despite an opposition campaign which, he asserted, is financed "by people who should know better."

"The gasoline rationing in the east saved rubber," he said in an address at New York. "Nation-wide gasoline rationing which goes into effect Dec. 1 is only a means to an end."

"It will go into effect regardless of the organized opposition in the west. That opposition is based on the theory that there is no shortage of gasoline in the west."

NOVEL parties are the theme this week-end... the Lambda Chis had a "Hell-Za-Poppin'" costume party last night at the house. It is said that they put the gals through mild commando exercises.

The Chi Os held a Victory term party last night in the Union ballroom to the tunes of Bud Bell's band. "Don'ts" were put on cars, formals, and flowers.

The Hespies are having a cabaret party tonight at the house... while the Phi Deltis set up a bar in their living room to whip up some "weak" punch to add to the gay Hawaiian atmosphere. Guests will come dressed in beachcomber outfits... the Epsilon Chi girls are having their fall term party tonight in the W. A. A. cabin. Informal dress calls for slacks, sweaters and skirts. Entertainment will be games and dancing.

Last night the Delta Chi pledges entertained the actives and their dates at a radio party at the chapter house... The Delta Zetas are having an introductory tea for their housemother Sunday... all housemothers are invited... the Sigma Kappas have their term party tonight.

Exchange dinners ran riot this week... the Delta Sigs had one with the Thetas... the Kappas had one with the Phi Deltis... and the Alpha Chis had one with the ATOs, all of them on Wednesday night.

The Chi O's romance column writes of Rosemary Darlington receiving an AGR pin from Roger Bonine... while Peggy Ayres, Theta, is wearing a ring given to her by Ed Boehm, Phi Tau.

A housemother tea was held Wednesday afternoon at South Williams dorm. All of the campus dorm housemothers were hostesses to sorority, co-op, and off-campus housemothers... Mr. Chapman of the horticulture department gave a talk on the famous Kew gardens in England... Mrs. Edith Gilhooley, South Williams, was chairman of the affair.

Thursday night South Williams had its monthly birthday dinner... 22 girls were honored. Also Thursday night the officers of all the dorms had an exchange dinner... Miss Ruth Jameyson, secretary to President Hannah, was a guest at North Williams... Miss Mabel Petersen, assistant dean of women, was the guest at South Williams.

Marriage of the week is that of June Pointer, Alpha Chi, to Russell Martin at Christ's church, Cranbrook, today. Patty Reddy is the bridesmaid. Lyn Roberge, Virginia Knape, Jane Ellen Henkel and Earline LaBerge are hostesses at the reception... Wednesday night the girls gave June a towel shower at the house and a dinner at the Famous grill on Thursday night.

Seven ATOs who have just become actives are: John Blanchard, '44; Earle Copp, '44; Harry Huber, '45; Jim Frew, '45; Al Martin, '45; Bill Hagerman, '45; and Bill Scott, '45.

MSC Grads Help Rubber Problem in West Africa

By JANE FOLEY

If six Michigan State graduates have anything to say about it, they will increase the rubber supply from West Africa—and soon.

The six, all products of the M. S. C. forestry department, are located in Monrovia, Liberia, West Africa, under a two-year contract with the Firestone Rubber company. Men in the group include Robert Bartlett, '42; John Rawlinson, '38; Gordon King, '42; Edwin Sootaman, '42; Howard Burgess, '41, and Donald Richter, '42.

The prime purpose of their journey is experimentation with the rubber plant, not a native vegetation of that region. They are striving to find means of growing more rubber there, thus possibly increasing the future supply to the United States.

Bartlett is in charge of four villages with a male population of 900 natives, whom he supervises with the aid of native bosses.

The natives cut back the jungle growths, plant rubber trees, and cultivate them, keeping the jungle from growing back and obliterating their work. They also tap the trees and collect the juice from which rubber is made.

Bartlett says in a letter to Prof. P. A. Herbert, head of the forestry department here, that the boys have monkeys and alligators for pets and that they are isolated from all white people.

State Music Faculty to Present Musicum

"Eighteenth Century Chamber Music," will be the motif of the first Collegium Musicum of the season to be presented by members of the M. S. C. music faculty Sunday at 4 p. m. in the Music auditorium.

J. Murray Barbour will act as commentator and performers include Romeo Tata, violin; Arthur Best, oboe; Alexander Schuster, violincello; Charles Roberts, flute, and Barbour, harpsichord.

Faculty and staff members of Michigan State college, with the exception of those in the Agricultural division, who wish to petition for other than A gasoline rationing cards, are asked to turn in their completely filled out blanks at Sec. Earl McDonell's office in the Administration building.

Giltner to Attend Meet

Dr. Ward Giltner, dean of Vets, will attend the session of Deans of American Veterinary Medicine colleges to be held in Chicago Dec. 1. This year the main topic of the convention will be the effect of the war on veterinary students.

"The Army said he was too fat—the Navy said he was too old and his draft board said he was 4F—he gave me this to show his appreciation of me thinking he was okay!"

CAPITAL to CAMPUS

ACP's Jay Richter Reports from Washington

WASHINGTON (ACP) — Congress has passed no legislation ordering colleges to give students pre-military training. Nor is there a Student Army Training corps as in the last war. Yet...

Many colleges report that 70 to 90 per cent of their students are enrolled in one or another branch of the military forces...

The army expects to get about a third of all its officers from college campuses...

Colleges themselves will train about 250,000 men this academic year for the Student Enlisted Reserve corps, the army and navy ROTC...

Another 250,000 will be sent from the services to colleges for specialized training...

Besides that, 50,000 men now in uniform will receive instruction through army correspon-

dence courses offered by 77 colleges...

Furthermore, some 800,000 men and women will receive training this year, in 250 colleges and universities, for technical work in war plants...

All in all, 1,350,000 men and women will be provided the use of college facilities so that they may take an active part in prosecuting the war—either in combat service or in industry.

Despite the fact that regular student enrollment has dropped, colleges throughout the nation are crumpled with the greatest assemblage of men and women ever gathered on their collective campuses.

That's not a bad war record.

A survey at Stephens college, Columbia, Mo., showed 47 per cent of the 1,750 girls wanted courses in motor mechanics.

Touch Grid Teams Play for Dorm, Frat, and Independent Titles Monday

Intramural touch football championships will be decided Monday evening when the finals of the fraternity, dormitory and independent loops are played on the practice football field under the lights.

All three of last year's winners are back again ready to defend their crowns. The Alpha Tau Omegas, who copped the frat title last fall will tangle with the Sigma Nu seven, the same club that beat in the 1941 finals.

Mason 5 Winners Last Year
The dorm crown holders, Mason 5 will also tangle with the club it defeated for the championship last fall, Mason 8, while the DZV, independent winners will take on the Lansing All-Stars, who won their way into

the finals by beating the Alpha Chi Sigma club, two first downs to one, last night.

The two tallies came on passes from Roy Crissey to Jim Rutledge and Jack Warren to Doyal Jessen.

In the ATO lineup, Coach Les VonEberstein will be in the backfield with Howie Ladue, George Busch, and Bud Wilson, while the line will be composed of Ends Frank Pellerin and Don Fleischmann, with Frank Beeman at center.

Von Eberstein Star Passer

An unblemished record combined with Von Eberstein's passing ability and Ladue's, Pellerin's, and Fleischmann's aerial receiving talents, makes the ATO's slight favorites.

However, they'll have to content with Bucky Walsh and Jimmy Pingle, the Sigma Nu aerial artists, who have some pretty good pass snatchers in Bob Carrier and Bill Loomis.

Remainder of Sigma Nu lineup will include Jack Gale and Jim Bivins in the backfield with Pingle and Walsh while Jim Valence will fill out the line, taking over the pivot post.

Same as Last Year

Incidentally this year's entire ATO club is exactly the same who took the title last fall while the Sigma Nus had all but Carrier, Valence and Gale in its lineup in the 1941 crown game.

Although once beaten during the season, Mason 5 will be favored to retain its laurels when

it takes on Mason 8. Monday as last year, and so far this season, Eddie Lord will do most of the Mason 5 passing and running.

Teaming with Lord will be John Babula, Ed Erwin, and Hugh Webster in 5's backfield and the line will be made up of Bob Hudson and Bob Nordstrom, ends, and Dave Merrill, center.

Sheppard Might Play

There is a chance that Morris Sheppard, all-dorm pivot man, who was forced out of action three weeks ago with a twisted knee may be on the firing line for 5.

Mason 8's captain, Bob VanAndle will be depending on the accurate passing arm of Bob Swett, which carried 8 to an unbeaten season, to help counter 5's attack.

Starting along side of VanAndle and Swett will be Gordon Houser and Greg Taylor in the backfield with Ends Bill Hargreaves and Tom Riordan, and

Gar Williams at center, in the forward wall.

DZV's Once More

For the defending independent winners, and all-college crown holders, the powerful DZV aggregation's starting lineup will include Bob-Jance, Joe Skrocki, and Ted Wonch in the line with Dale Kaulitz, Dick Holloway, Roy Chlopan, and Walt Klewicki as backfield men.

The athletic brotherhood offense features an overhead game with Klewicki doing the throwing and Kaulitz or Wonch most of the catching.

In the starting lineup for the All-Stars will be Gil Haley and Bob Speelman, ends, Rutledge, center, Jack Warren, Charles Chambers, Crissey, and Jessen, as backs.

The ATO-Sigma Nu clash will open the evening's festivities at 7 with the Mason 8-Mason 5 game following at 8, and the DZV and Lansing All-Stars will take the field at 9.

Fraternity Bowlers Roll Ties in 2 Blocks

Kappa Sigma and Sigma Nu have taken top honors in Blocks 2 and 3, respectively, in the Interfraternity Bowling league.

Kappa Sigma finished the season with 7 wins and 2 losses, while Sigma Nu completed their season by winning 8 and losing 1.

A three way tie has occurred in Block 4 between Pi Kappa Phi, Alpha Tau Omega, and Alpha Gamma Rho. To declare a champion in this block, the teams will bowl three complete games next Tuesday. The total pins for the three games will determine the winner.

Hesperians and Lambda Chi Alpha tied in Block 1, both teams winning 6 and losing 3. They will also roll off their games next Tuesday.

Due to the existing ties, the championship games have been postponed until December 1.

Freshman Holds First String Spot on W. Virginia '11'

West Virginia university, which sends its football team here Saturday to tangle with our Spartans, is one of the many schools in the country that has relaxed its freshman eligibility rule.

So far only one first year man has been able to work his way into the first eleven. The frosh, Dick Leonard, is a big fullback that besides doing most of the smashing also handles the passing assignment. In the mountaineers 7 to 0 win over Kentucky last week, Leonard tossed the winning touchdown pass.

In the last 10 years State football teams have won 52, lost 26, and tied eight games for a .667 winning percentage.

Schools Bring Top-flight Teams Here for Intercollegiate 'X' Country Meet

M. S. C. will play host to 18 schools from all quarters of the country this morning at 11 in the fifth annual National Intercollegiate cross country meet.

Top-flight teams from Rhode Island State and Penn State, which took first and second places respectively in the IC 4A run at New York Monday, will be pitted against the best the midwest has to offer.

Individual stars here include LeRoy Schwartzkopf of Yale, a Saginaw boy and brother of Michigan's Ralph Schwartzkopf, great distance man of four years ago; Ollie Hunter, of Notre Dame; fleet-footed Bob McNichols of Rhode Island State, and Earl Mitchell, individual Western conference champion from Indiana.

Disappointed Showing

Coach Lauren Brown spent yesterday afternoon showing visiting coaches and their teams over the four-mile course and last night the visitors were guests at a dinner, after which movies of last year's Intercollegiate meet were shown.

The M.S.C. mentor was dissatisfied with his team's showing in New York Monday and the Spartans have been going through stiff workouts all week to get the kinks out after their brief eastern showing.

Monroe Leads Spartans

The Spartan team running today will be composed of Capt. Ralph Monroe, Bill Scott, Maurice Horski, Jerry Page, Bill Hershiser, Roy Niemeyer and Bill Fraser.

Indiana, Big Ten cross country champs, Rhode Island State, Penn State, and Notre Dame's strong aggregations are all expected to be well represented in the low score ledger.

The run will start on the R. O. T. C. drill field and will finish at the 100 yard stake on the var-

sity track. The best vantage point from which to see the meet will be the top of the west stadium stands at the south end. The start, last mile, and finish of the race are all visible from there.

Finals to Be Played on Monday Night in Volleyball

By ROSALIND FRIEDMAN

Kappa Kappa Gamma will meet Sigma Kappa, Block 2 champion, Monday night in the last game of the women's volleyball intramurals, as a result of their 40 to 20 victory over the Block 1 champion, South Williams, last night.

This game was the first of the two playoff tilts between the block champions, to determine the winner of the entire intramural volleyball series.

Playing their usual brilliant defensive game for the Kappas were Doris Zenz and Martie Kelly. Dottie Geyer, Kappa sparkplug, earned the scoring honors, rolling up eight points on service.

In the other games played, but having no direct bearing on the championship playoffs, the Thetas downed North Campbell 38 to 20, with Kay Evans taking scoring honors for the victors, and North hall won out over West Mayo with a 39 to 21 tally.

Football Coach Charley Bachman was named center on the All-Service team of 1916.

NEAREST Johnny:

Michigan State now boasts the 101st chapter of Sigma Chi, national social fraternity. Yep, after a long career, the Beta Chis, formerly Beta Kappa, again went national. With them went their dog, Blackie, who has now belonged to five fraternities.

Bruna Castagna, leading Metropolitan opera contralto, sang before 1,200 people Tuesday. She wowed 'em and came back for three encores.

And Tuesday was International Students' day, held in honor of 150 Czech students who were executed three years ago for resisting Nazi attempts to abolish free education in Czechoslovakia.

A new course will be added to the M.S.C. curriculum next term at the request of a group of coeds. A two-credit ag course for women will teach them tractor operation, care of equipment, milking, and fundamentals in poultry care.

There were 71 entrants in the annual Turkey Trot which was taken by the Lambda Chi team. Bill Maxwell took first place in individual honors for the second straight year. He may not be able to keep it, though, because he once ran in a varsity meet. In that case, awards will go to Harry Barnes, who came in second. More track news: The fifth annual cross-country track meet will be held here today at 11 a. m. At 2 p. m. the Spartan gridders meet West Virginia. They're favored, but so was Great Lakes!

Cavalry Night Riders Utilize Signal Corps

Michigan State's first "combined operations" problem for ROTC students, the joint cavalry-signal corps night ride last night, was a "surprising success," according to officers of both units.

No announcement of the signal corps' participation was made previous to the start of the ride because that unit knew the location of the stations in order to lay wires for telephone and radio communications.

At all times during the maneuvers between four stations, all posts were in communication by radio and telephone. The damp weather made the operations much easier for the signal corps students under Ted Banasik, Eng. '43, according to Lieut. Leland Esch, signal corps.

But the rain added to the discomfort of the cavalry. The ride, scheduled to last about two and a half hours, took over four for some of the 22 teams to complete.

The winning team included Chet Mackson, Ag. '43, and Allyn VanDyke, Ag. '43. Finishing second were Ralph Eggert, A. S. '43 and Bob Robinson, L. A. '43. Third place went to Jack Spelman, L. A. '43 and Doug Reeve, L. A. '43.

Beet Pick Cancelled Because of Weather

Because of wet weather and the consequent low turnout of students, there will not be a beet picking expedition Sunday, B. D. Kuhn, assistant county agent leader, announced yesterday.

Mr. Kuhn, in behalf of the sugar beet farmers, thanked the Michigan State student body for its splendid efforts and cooperation in helping to save so many thousands of pounds of sugar that otherwise would have been lost.

Legislature Taken by Speech League

LANSING, Nov. 20 (AP)—A group of college students took over the state house of representatives today for the first student legislative assembly of the Michigan Intercollegiate Speech League.

In their day-long sessions, 101 students employed the house chamber and its voting machines for a mock legislative session at which they debated the subjects of a need for federal action to remove interstate trade barriers and a United States offer to mediate "the dispute between India and Great Britain."

Postmaster Advises Mailing Gifts Early

Unprecedented war-time demands on the postal and transportation systems make it necessary that the bulk of Christmas mail be in the post offices by Dec. 1 if deliveries on time are to be assured, according to Smith W. Purdum, second assistant postmaster general.

"It is physically impossible for the railroads and air lines, burdened with vitally important war materials, to handle Christmas mailings as rapidly as in normal times," Purdum pointed out. "If the bulk of parcels and greeting cards are held back until the usual time . . . they simply cannot be distributed in time."

AWS Revokes Ban on Coeds' Slacks

Because of the changes on the national scene and additions to the college curriculum, the policy of A.W.S. council toward the wearing of slacks has been changed.

Restrictions on slacks have been lifted; however, the council recommends the wearing of hip-length jackets with the slacks, and that they be worn only when classes, work or cold weather justifies them.

The former A.W.S. ruling stated that slacks should only be worn in cases of extreme cold weather.

FOOTBALL

(Continued from Page 1)

Kieppe's running mate at fullback, Morgan Gingrass, was a thorn in the side of the West Virginia lads last fall and will probably be the same this afternoon. Gingrass really came into his own last week against Purdue when he ripped off plenty of yardage each time he took the ball.

The Spartan starter at right halfback will be Jack Fenton—if State elects to kick off. Otherwise it will either be Pete Fornari or Edo Mencotti.

The fact that Walt Pawlowski, out with a knee injury for the past three weeks, will be back in uniform should be a welcome sight to Spartan followers. Pawlowski, however, will not be ready for heavy duty and if used at all he'll only try the conversions.

In the line will be Ken Balge, who earned a starting job by virtue of his fine performance against Purdue, Bernie Roskopp, ends; Alger Conner and Dick Mangrum, tackles; George Radulescu and Don LeClair, guards, and either Bill Monroe or Howie Beyer at center.

Japs Take Rest of Timor; Aim At Australia

CANBERRA, Australia, Nov. 20 (AP)—Facing defeat in the Solomons islands and New Guinea, to the north and northeast of Australia, Japanese forces are strengthening their positions methodically on the island of Timor to the northwest, it was stated officially today.

Nine anchorages on the north shore of Portuguese Timor have been occupied, and the Japanese have moved in much equipment, including many major vehicles.

Prime Minister John Curtin expressed the belief that an action similar to the long and tedious campaigning in the Solomons and New Guinea region will have to be fought to prevent an invasion from the northwest.

Timor was being consolidated, it was believed, as a Japanese springboard for projected operations against Australia.

In New Guinea American and Australian jungle fighters were pushing the Japanese into an even more restricted strip of territory along the coast between Buna and Gona.

PRINCIPALS

(Continued from Page 1) to keep the appointment with his high school representative.

Principals and high school representatives will be given the midterm reports, results of the tests taken Freshman Week, and a book explaining the Freshman week test scores, to help in the discussions with new students.

Discussion of student problems in the classroom, dormitory, and social world will show high schools the value of their present college preparatory courses, and will indicate changes which might be valuable in Michigan State's curriculum to fit the needs of new students.

To Be Guests Following the morning conferences, the high school representatives will be guests of Michigan State college at a luncheon in the Union ballroom, and at the West Virginia-Michigan State football game.

By answering questions and acting as guides, members of Alpha Phi Omega, national service fraternity, will help with this morning's conference.

Large Crowd Sees Spartans Exhibit Physical Fitness

Almost a thousand students and guests crowded Jenison fieldhouse last night to watch Michigan State students exhibit every course taught in men's and women's physical education.

Among the throng were over 200 coaches from small colleges and high schools in Michigan.

The Spartans were put through their paces with rigid calisthenics, judo-wrestling, and other body-building exercises showing the extent of the M. S. C. physical fitness program.

President Hannah gave a short talk on the part colleges are playing in preparing young men and women to be physically prepared for the future as well as mentally.

Red Troops Launch General Offensive

MOSCOW, Nov. 20 (AP)—News of Russian counterattacks came from all sectors of the eastern front today, while in the central Caucasus the German withdrawals from Ordzhonikidze struck a quickening pace.

Battered Stalingrad remained a place in dispatches, the Russians announcing they had captured a height south of the city.

Within the city the Germans attacked several times. The Russians reported all these assaults were repulsed and that Soviet positions were strengthened.

In the Caucasus the general movement of the Germans was reported to be backward, some enemy units seeking safety in hills and dense forests.
