As a result of the recent discovery of Axis rear guard resistance at Agapelis and the pressing time of 70 miles of the rear guard, the Axis forces now face the sea and the inland salt marshes where the enemy can choke the rear supply lines and create a dangerous situation.

Britain has a new weapon in contact with the withdrawing German forces. "Our troops successfully engaged the enemy at the village Agapelis," the British command said. "Our troops to the south of the village were forced to withdraw.

Father-Son Rivalry Seen in Grid Game

The Oregon State-M.S.C. grid classic Saturday will hold some significance at least of one of the Spartan squad. Alex McDaniel, father of Bob McIIh, Spartan end, played tackle on the Oregon State team that beat Michigan State in their last meeting in 1913.

In that game, the Spartans were not especially concerned with the possibilities of losing to the coach's team, and as a result, the Beavers emerged victorious with a 24-0 score. The Orange men had a good team then as they do today, but this time there will be a Spartan eleven which will be fighting to even up the score.

Field grounds are probably of little importance.

Weather Cancels Football Playoffs

All championship football games scheduled for last night were cancelled and the three title will be played this evening on the practice field.

At the favored Alpha Tau Omega seven will defend its title against the Sigma Nu. Following this at 8 the Delta Tau Omega game will take place with the Mason 5. Last year's winner, the Phi Delta Theta, is expected to retain its title.

The evening's festivities will close with the DXVs independent alumni's all-night meeting in the adjoining Tama-Skar club.

1942-43 Spartan Cage Game

Oregon State to Close Year for 'S' Squad

Cross Country Run Honors Captured by Indiana University, Penn State

Favored teams from Indiana University and Penn State tied for first place honors with 17 points each in Saturday's annual Intercollegiate cross country run, but the bright spot in the meet was the fourth performance turned in by Beet-footed Oliver Hunter, Notre Dame junior.

Hunter was allowed to get off to a fast start and had his back track. He also had to run around the college cross-lander in his way in and still managed to break through 5 minutes of the meet record set by Fred Wight of Notre Dame.

The hard running Irishman's winning time was 28:18, and following the meet he said he would have been "way under 30" minutes flat if it had not been for his bad luck.

Spartan Retreat

About State Isd defending champ, was tied with 79 and the Spartans of M.S.C. showed up well against a strong field, taking fourth, with 108 points. Hunter was followed by Big Ten champs Earl Mitchell of Illinois and Leslie Schwartzkopf of Yale. A.-T. freshman Bill Scott paced the Spartans to taking 11th place. Other M.C.S. entries, Capt. Ralph Monroe, Jerry Brotchie, and Maurice Whitaker, finished 18th, 19th, 20th, and 21st, respectively.

Phillips Elected President

Other teams placed as follows: Penn, Illinois, Ohio, Notre Dame second, Miami, U. (Ohio) eighth, Purdue, and ninth, Cornell. Phili".

Friday night the N.C.A.A. Cross Country Coaches' association elected Herb C. Phillips of Butler university as president for the ensuing year and went on record as endorsing distance running as a vital part of the physical training programs being carried on in the colleges and universities of the nation.

Elected to the Hall of Fame

Mario Leto, widely recognized as one of the best in Spartan grid history is this year's recipient of the Beavers for end of 28 years career on the gridiron.

Hard Blocking

Spartan blocking by the Spartan forward wall with plenty of good defensive effort showed the way for Georgia and kept on most of their yardage.

The only bad played the second quarter went to Center Howard Bowl who naively thought he was going to get the Osage till dish for the Oregon State. If Deyer's sallow was answered, but only1942-43 Spartan Cage Game
