Three Nazi Generals Are Among 12,000 Made Captives

Mississippi, Nov. 25 (AP) — Russian troops cutting through weak German lines, 30 miles above and below Stalingrad killed 13,000 soldiers yesterday and inflicted 3,000,000 casualties among three million German soldiers and their units, the Soviet news agency Tass announced today.

The huge Russian attack on a 90-mile Army of 300,000 soldiers against Stalingrad already has gone beyond the limits of captured, not counting huge numbers of wounded. A Russian political commissar said that the Red army under offensive was gaining steadily in power.

Cut Communications

In the Don river about 200 miles west of Stalingrad the Red army announced that every German soldier is isolated. It was inside the strategic Don river loop that the three Nazi generals were seized.

Twelve more Russian villages were taken in this huge German movement. The German high command in a unique communiqué finally has admitted the gravity of the situation by accelerating moves to save some of the divisions of German defenses.

Home Ec: Women May Take New Courses in Homemaking

Three courses have been planned in the Home Economics division for students who are majoring in other fields and want to have a use for home management, Jeannette H. Holzer, dean, said yesterday.

These courses are not for Home Economics majors, but for women who are interested in cooking and homemaking.

Miss Holzer, who is also a food historian, professor of home economics and head of the department, said the courses are not for women who are majoring in Home Economics, but for others who want to learn about homemaking.

The courses will be offered in the fall and spring semesters.

Home Ec Club

The Home Ec club will hold an old-fashioned Christmas party at 7:30 p.m. on Dec. 2 in the Little theater of the Home Ec building, according to Doris Jean Holzer, president. The meeting will be open to all members.

S. W. L.

S. W. L. radio group will meet at 6 p.m. today in room 104 Union on campus, according to Chairman Peg Hall. Alex Dilman, director of the future, will be the guest speaker.

Clothing Drive

An all-campus drive for the collection of old unwearable clothes is being sponsored by the Home Ec club, according to Prof. Doris Jean Holzer. This clothing will be passed on to the Salvation Army for proper distribution.

Denyta for collecting cast-off clothing will be announced later.

Y. W. C. A.

Y. W. C. A. meeting Wednesday will consist of a workshop on "war vacations" by five women postmasters, a study of the Christian Science church and an outline view of the student problem in China.

Y. W. C. A. to Sponsor Red Cross Classes

War-minded State women will have an opportunity to do their bit at the Y. W. C. A. sponsored Red Cross meetings which will be held in the student parlor of the People's church every Tuesday from 1:30 till 3 p.m. and from 7:15 until 8 p.m. The classes will work making small dressings, according to Pres. Betty Wirth.

Lamina's quota for the November 10 to January 1 quarter is 275,000 dressings and the aid of as many people as possible is needed to further the work, Mrs. Wirth said.

The dress requirements for class include wearing a scarf or handkerchief and cotton blouse or green, to insure the sterilization of dressing. If nail polish is worn, it should be a flesh application.

When the Michigan State football team closes its season Saturday against Georgia State in Spartan territory, Dick Kieppe, who may be injured, will be a leg injury sustained in the West Virginia game. Kieppe has earned two varsity letters.

At Top right is 212-pound Guard GEORGE RADULESCU, one of the forward wall marvels. From Bowie City, Tex., the Radulescu is Flanker BOB McNEIL, who hailed from Phoenix, Ariz., with two varsity monograms to his credit.

At Left is JACK FENTON, speedy right halfback who has been hampered by injuries so far. Fenton, from Hills, is a two-scrouter. WALT PAWLOWKI, below Fenton, a Spartan end, has been performing giant deeds for the Spartan eleven the last three seasons, all of which years he was lettered. Due to a knee injury he is probably only see limited duty in his last performance on Michigan field.

In a group below is Quarterback BILL MILLIKEN, one of the most successful passers in the Big Ten. Aside from his individual ability, he has been a threat to the opponents of the Michigan eleven. Guard BARNEY NEUMER, another Chicago boy, and Fullback ED RIPMASTER from Grand Rapids, will add to the strength of this Michigan eleven. Milliken and Ripmaster will all probably be in the starting lineup.

Northwestern university is one of the most successful teams in the conference. It has a new coach, and the new coach is Bill Doan, who has taken over from the retiring coach, who has been with Northwestern for 20 years. The Northwestern eleven is expected to play a very strong game on Saturday.

Kieppe May Miss Oregon State

Michigan State's hope for fielding its season opener with a full complement of players for the first time since last season, Blue Devil coach Joe Kieppe, was severely shaken yesterday when it was reported that center Morgen Ginnings was possibly out with a separated shoulder. The injury occurred in the second quarter of yesterday's workout.

Faculty Pleased With Auto Deadline on Campus, Will Warn Offenders

By LOUISE KOTH

The faculty is well pleased with the cooperation students have given them to get the elimination of cars from campus. Just now Karl H. McDanel announced following the administration met yesterday.

According to the latest survey of cars on campus, there were 150 cars parked in the student parking lot. This shows a definite improvement over past reports from the police.

Commenting on students who persist in driving cars on campus, McDanel said that those students who are found to be violating the intentions of the faculty will be punished in driving on campus. McDanel said that identification would probably apply to such students as those who are physically handicapped.
