In Campus Quarters
By Helen Schmidt and Scottie McNeal

With the beginning of a new term, we soon familiarize ourselves with the gurgling of the water fountain, the distinctive sounds of the building, and the varied activities that take place within the walls. This week, we highlight the engagement of Kappa Sigma's Bob Brown. Bob, a junior majoring in Agriculture, has been selected as the homecoming dance partner for the Fall Term of 1966. His selection is a testament to his academic and social achievements at Michigan State University. Bob is involved in various extracurricular activities, including the Farmington Hills Kiwanis Club, where he serves as president. His dedication to community service and his academic pursuits make him an excellent choice for the Dance Committee.

Bob and his partner, a junior named Alice Smith, will be featured in the upcoming Minnesota State University Homecoming Dance. The dance is scheduled for Saturday, October 8, at 8 p.m. in the Student Union Building, and it promises to be a memorable event. In addition to the homecoming dance, Bob is also active in the Michigan State University Agriculture Club, where he serves as the chapter president. His involvement in these organizations reflects his commitment to the university community.

In conclusion, Bob's selection as the homecoming dance partner is a testament to his leadership qualities and his dedication to community service. His presence at the upcoming dance will undoubtedly add to the excitement and energy of the event. We congratulate Bob and Alice on their engagement and look forward to seeing them at the dance and all future campus events.
Bluesocket tilt, while the rest of the lineup remains a mystery.

Preckly Pickey

The predictions are that Dan Pickey, son of Rogers Pickey, will get the best of guard Joe Hodge. Eddie Hill, Alton Hill, and John Caroll will all be double-act in the front line with Stone.

Ideal addition to the squad is Pete Fornari, a letterman in football and baseball. Fornari didn't make the trip as he just came out for the team at the start of winter term.

In his high school days at Detroit, he won fame as the quarterback of a team known as one of the state's best. He performed like a two-all-city honors in his senior year—the year he played here from the city championship. 

"You" fizzes because the time the club returns from its trip Fornari will be ready to help out at one of the guard spots.

North's basketball team will head north to Buss and take on the basketball club, which is growing for hoops and handballs, and stage their first big activity of the season—the All-State basketball game at Berkeley Park next Sunday at 9 a.m. All students are invited to attend.

The club, an off-shoot of last winter's ski team, has an enrollment of 20 boys and the women students. Since the clubs was formed, teams have been developed in all the sports and will be maintained this year. The club will meet in the gymnasium.

The first big event of the season will be the All-State basketball game, which will be held in the gymnasium.
