Annual Parade Will Include Aircrewmen

110th CTD Band to Lead Air Forces in Lansing Appearance

Leading the efforts. Initial arrangements have been made for the annual parade to be held on the campus of Michigan State College by the school's largest student group. The parade will be held on Sunday, April 17, with the school's 110th CTD Band, under the direction of Lt. Col. F. E. Fulton, playing the featured music.

The parade will include units from the student body, state, local and military organizations. The parade route will be along the main street of the State College and will be open to the public.

News of the 310th College Training Detachment

Fighter Plane Used in Advanced, Army Flight Training

EDITOR—Pvt. Joe Ritter

Thursday, May 22, 1947

WING OVER MSC

During World War II, the 310th College Training Detachment used fighter planes for its flight training. The planes were specially designed for this purpose, and were flown by the school's student pilots. The planes were later used in the war effort, and were eventually sold to other countries.

GREMLIN GOSSIP

BY JOE GREMLIN

11th Street Ball

No plans for a 13th Street Ball this year, according to the student council. The plans for the 13th Street Ball were held on the campus of the school, and were later moved to another location.

WARM Plans For 'Heplers' Bond

The warm plans for the 'Heplers' Bond are moving along, and will be announced soon. The plans are being handled by the bank's bond division, and are expected to be announced soon.
