Today's Campus

The Thriving	

Today's Campus — a celebration of diversity and excellence at Michigan State University, offering a glimpse into the vibrant student life and academic pursuits at the institution. From campus events to academic achievements, Today's Campus serves as a platform to share the remarkable stories of students, faculty, and staff who contribute to the rich tapestry of Michigan State University.

Tag Day Aims to Approach Fund Quota

Lower Goural, Ch. A.

Sponsor: First District

For Victory Loan

First Tag Day Executive Committee meeting of the district was held at the M. S. U. Y. W. C. of A. headquarters yesterday afternoon. Green and white uniforms will be given to all others to sell. This will be the third Tag Day to be held at the district headquarters since the first one was held last year.

Students Wanted to Pick Tomatoes

Students not having classes this afternoon are urged to come out and help thin them. F. L. Anderson, director of the experiment station, today said the tomatoes are not being received by the experimental tomato factory for college students. Students will be required to pick the tomatoes and from the field bring them to the station. Those who work are asked to report to 10 A.M. and 2 P.M. to O. W. B. Root, at the scale house across the river on East Road. Students arriving later will also be given work.

Music Department Will Feature Separate Program of Concerts

The music department will sponsor a separate program of concerts this year, according to Professor Underwood, head of the department.

This program is being offered to give students and transcourses a chance to hear the department's regular and non-programatic concerts. The concerts will be held on Wednesday and Thursday, and will be open to all students.

First series Number

First of the series of concerts which will be held in the Music building will be given on Wednesday, October 16, at 8:15 P.M. in the Music building.

Audio-Visuals

Audio-visual is a technique that uses sound and images to enhance learning and communication. In the context of this document, audio-visuals seem to be mentioned in the context of a program or event, possibly related to the music department's concerts.

**AMERICAN EXPRESS TRAVELERS CHEQUES**

**Service Men—CARRY TRAVELERS CHEQUES**

No matter where you wish to go in the United States, the service men or women will carry a traveler's check for you. They are not only convertible everywhere, but they are also secure from any possible loss. These traveler's checks are the most convenient form of transportation for the military man. They can be used for anything from a meal to a five-dollar bill. They are not subject to any kind of taxation, and they are deductible from income tax. They can be obtained in denominations of $10, $20, $50 and $100. Cost $1.50 for each $100. Minimum cost $10. For sale at books and railway agencies.

New MP Unit Will Include AST, Aircrews

Capt. E. Bremer Named as Provost Marshal of Police Staff

Headquarters of the newly organized MP unit at State is Capt. Evert Bremer. The MP unit, named AST, will be staffed with the staff of 40 who are expected to provide marshaling and security. Zoning him as assistant procurator of Z. Younger Scott of the JFN (AST, D.N.S.) announced.

Captain Bremer was active in football and track while at MIA and was also a member of the F.D. college junior men's literary association. He is a native of the Mid-Cities the father having come from Germany and being stationed of perhaps forty years.

The first detachment AST was made up of a staff of military personnel in the military camp. It consists of the office of the commandant, the general staff, the military police, the medical corps, the engineering corps, the signal corps, the transportation corps, the intelligence corps, the military police volunteers, and the various auxiliaries.

As the AST is the first detachment in the military camp, it is expected that the military personnel will be assigned to AST, and that the personnel will be assigned to the various offices.
