... The Feets In

It looks as though the fee feet have been given a rest for the day. It is a sure sign of the break in the weather that Greenhills will be out in full "tacky" today. As a matter of fact the weather bureau has predicted a high of 74 today.

... The Russians

Unrest in the world has been the subject of discussion among students of the University. Although the conference at Geneva has not actually solved the problems of international relations the conclusion of the conference has done much to pacify European affairs. Particularly has the conference succeeded in clearing up many of the doubts regarding our entrance into the war.

REED MILLIGAN, Manager
Renowned Violinist to Open
Concert Programs Tuesday
By Marjorie McLain
Broussard Huberman, who is completing the 50th
year of his concert career as a violinist, will appear on the
music concert series Tuesday evening, Nov. 2, in the music
auditorium.
At the age of 6, Huberman began his study of the
violin, first with Michaelich and
later with the great Joseph Joachim. In his
year he gave recitals in Hol¬
bad, Belgium, Paris, London, and
Berlin.
Travelled Widely
Following three years of study
he made more concert tours in Austria, Italy, Russia, England and America.
In Germany, Italy, in 1903 he was
invited by Emperor William to
perform in a concert of the
Imperial court. This valuable,
original instrument was then in display at a museum there, and a special decree was
required to return it for Huber¬
man's concert.
The name of Huberman is not
only well known in music, but also in literary and political
world. A native of Warsaw, Poland, he is a great admirer of
President Roosevelt.
In 1915 he published a book
entitled "My Road to a Peaceful
Europe." (My Road to a Peaceful
Europe). Hitler was so angry upon the same occasion as
Hitler and Russia that he
instructed his agent to arrest both in his book.
Hitler said he worked very closely with the Polish gov¬
ernment in order to bring about a
peace of peace. In Palestine he met Ro¬
binson and was himself honored a symphony there. He received and floated the foundation to
enable Huberman.

GROUP PLANS POST WINTER AIR-HIGHWAY FOR MICHIGAN

GRAND RAPIDS, Oct. 30 (AP)—Plans for an air-highway system for which Michigan is to be the proving ground were unveiled before the Michigan Alumni Association last night. Three of the winning teams were sororities.

Kappa Kappa Gamma defeated Delta Gamma, 40 to 18; Alpha Phi won by a default from Sigma Gamma Rho; and Kappa Kappa Gamma over Epsilon Delta, 40 to 29.

In the game between Sigma Gamma Rho and Alpha Gamma Delta, the William team came out as the winner of the score 44 to 35. Howard House defeated the North Campus house, 35 to 8, while Smith College took the last game from West Yard with the score 40 to 29.

At this stage in the tournament the sororities have shown up in winning form, but the scores will continue for a few weeks.
