Republican Victories
Increase GOP Hopes
for '51 Sweep

WASHINGTON--Nov. 3--AP.--The
Republican victory in the
election of two Democratic
congressmen in New York, New
Jersey, and Pennsylvania, and the
President's election in California
make the Republicans more
optimistic than ever that they
will recapture the Congress
in '51. The President's
triumph was the result of
Republican efforts in the
primary, and the election of
the two congressmen indicates
the strength of the party in
the South. The President's
victory indicates that the
Republican party will have
a better chance of winning
the presidency in '52.

Largest Bomber
Force Smashes
Wilhelmshaven

LEEDS, Nov. 3--AP.--The
heaviest force of B-47's
bombers ever to strike a
military target was dropped
on Wilhelmshaven, Germany
by the American Bomber
Force. The attack was
repeated until the city
was destroyed. The
American Bomber Force
is the largest bomber
force in the world and is
expected to play a large
part in the war.

Jeffries Re-election
Brings First Third
Term in 25 Years

JEFFRIES, Nov. 3--AP.--The
re-election of Rep. Jeffries
brings a third term to the
Republican in the 25th
district, thus making him
the first third-term
Republican congressman
in the history of the
country. Jeffries has
been in Congress for 25
years and is expected to
continue his service for
another 25 years.
