Letter Exchange Plans Announced

The foreign language department, in making arrangements to send students to correspond with persons in foreign countries, according to Prof. L. C. Hughes, head of the department, students may specify whether they wish to write in a familiar language or to have the student respond in a language they do not understand. The same plans and facilities are provided for correspondence in Spanish and French, as well as in English.

Pre-Med Men to Take Aptitude Test Today

The pre-medical students of the university were notified yesterday that they must take an aptitude test today to determine their eligibility for the pre-medical program.

Three students have already completed the test, and it is expected that more will take it today. The test is given by the American Medical Association, and students who score above a certain level are eligible for admission to medical schools.

For More Information, Please Contact the Pre-Medical Office.
