Annual Engineers' Ball Tops Weekend Social Events

Boston's Groups to Entertain Sunday

Back to the "dead dead days before revolt" of the war will sponsor the annual Engineers' Ball tonight at the Hotel Statler. The proceeds of the "dead" department—civilians and service men—are expected to pull a crowd into shape. They will be in reserve for the "live" department—soldiers and airmen—tonight at the same hotel. A reception will be held for the "dead" department at the Statler, 8 p.m. Thursday. The proceeds will go to the "live" department to help pay for the dinner and entertainment.

TODAY'S CAMPUS

Field Golf

Held under the green desk in the field house, the golf tournament attracted a large number of students yesterday. The golfers met at the west end of the field house and remained there until late in the afternoon.

SQUADRONS, PASS IN REVIEW

By the Brite Boys

Squadron B

We, Squadron B, Commanded by A.W. D. Brosius, took the lead in our Review. We were wearing the yellow and black helmets manufactured by the old Walter Colby Co. in Kalamazoo. We were the only group that paraded in dual mode, and it was a sight to see. We were followed by the first squadron, which paraded in single mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron 1

Squadron 1 paraded in single mode, and we were pleased with our performance. We were followed by the second squadron, which paraded in dual mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron H

Squadron H paraded in dual mode, and we were pleased with our performance. We were followed by the third squadron, which paraded in single mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron F

All of our leadership teams paraded in dual mode, and we were pleased with our performance. We were followed by the fourth squadron, which paraded in single mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron D

Squadron D paraded in single mode, and we were pleased with our performance. We were followed by the fifth squadron, which paraded in dual mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron E

Squadron E paraded in dual mode, and we were pleased with our performance. We were followed by the sixth squadron, which paraded in single mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron G

Squadron G paraded in single mode, and we were pleased with our performance. We were followed by the seventh squadron, which paraded in dual mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron A

Squadron A paraded in dual mode, and we were pleased with our performance. We were followed by the eighth squadron, which paraded in single mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron C

Squadron C paraded in single mode, and we were pleased with our performance. We were followed by the ninth squadron, which paraded in dual mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron B

Squadron B paraded in dual mode, and we were pleased with our performance. We were followed by the tenth squadron, which paraded in single mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron E

Squadron E paraded in dual mode, and we were pleased with our performance. We were followed by the eleventh squadron, which paraded in single mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.

Squadron C

Squadron C paraded in single mode, and we were pleased with our performance. We were followed by the twelfth squadron, which paraded in dual mode. We were very pleased with our performance, and we believe we have set a new standard for future parades.
