Jap Bombers Raid Marshalls for First Time Since Invasion

Americans Avenge

ATTACK BY NEW STRATEGIC FOE

U.S. PACIFIC FLEET (AP) — Pearl Harbor, Feb. 17 — Japanese bombers
launched a surprise attack on Midway Island today, bringing the first
long-range raid against American soil since Japan declared war.

The Japanese attack, announced
by Japanese Admiral Kurita, was the first known
raid by the Japanese against
the American mainland. It came
as a surprise to the Americans,
who had been expecting an attack
on Midway, but not on the
mainland.

The Japanese aircraft, which
were captured by American
forces, included a number of
B-24 Liberators and P-38 Lightnings.

Reds Take Korsun, Ukraine, Rail Hub, After 11-Day Siege

LONDON, Feb. 11 (AP)—The Red army today captured the Ukrainian village of Korsun, the core of resistance for the remnants of 10 trapped German divisions of prisoners of war who have fought with the ferocity of wounded beasts for 11 days.

In breaking the fall of Korsun—a key for the raising of the local population—Stalin’s barrel-bands have left large German forces attacking outside the town, while Korsun had succeeded in driving a small wedge into Soviet lines at the cost of heavy casualties.

On the northern front Russian troops captured several positions on a 20-mile front between Lake and Pei in their drive southeast toward Peiping, less than 80 miles beyond Soviet spoorthwaits.

In the Soviet Ukraine fighting the Russians gave no indication that German tanks and infantry forces outside the Korsun area were ready to make a direct attack in reaching their trapped comrades.

The German trapped in the Soviet sector, 300 miles southeast of Kiev, apparently hold a sector of territory only four miles deep on either side of the River Tsi, between Korsun and Sevastopol, 120 miles west of Korsun. The center of the Ger¬man relief army attack outside Korsun was described as the front line of the Allied hold line northwest of Kiev.
