Weekly Letter to Men in the Service 
(This open letter to men in the service is a weekly feature of the Michigan State News, describing the outstanding events on campus. Clip it out and mail it to a friend in the service.) 

Feb. 19, 1944

Dear Johnny,

The campus is still a whipped cream cake today with camera fans clicking their shutters in numbers that would bring back a Hollywood ground. Scenes held their primacies, with Pete Bush and Larry Froehner working out on the president's race. Rer Arnetto, Leffler and Nancy Gaynor will compete for the offices of vice-president, Nick Martinelli and Carlough Morgan along for the same hot secretarial job. Running for chancellorship of the campus (which is always a plebe job) are Hal Ordendal and Harold Boskwick.

The second week will be a change this week with several home parties lined up for tonight and an ANV-shaking too. The '44' men who are going to have parties should have their shining hour this afternoon when they are honored at the university dance.

Glad you didn't forget me on Valentine's day but I must say it was a little pinpoint of you to hang around, of all things. There'll be lots of hearts left at the derbys happenings this evening when another group will pull out for classification. Pats for their first MPS blowout last night with a formal dance in the Union.

Speak to your community officer about a three-day pass, because if you aren't careful I'll get to be there with someone besides my younger brother. Fletcher has decided to be free, so if I'm not around.

In California held an inviting Thursday for the reception competed on with little Miss. Rambo who were tapped for the honorary last week. In the best Spadish, I closed with:

A C John E. Leder at Seymour Johnson field, N. C, where he is taking his technical training in the armed forces.
