In Campus Quarters

by Scottie McNeal and Bo Howland

A POTENTIAL scoop has come to the Michigan State News. It came in a rather roundabout way. A friend's brother's fiancé told my solicitor, a recent junior, daughter that she heard from a "reliable source" that the President of the Student Senate was about to resign. The President, however, is not about to resign, but he is about to resign his offices, and the Michigan State News was able to secure details from a second source.

Meanwhile the sources, who are well placed, are working frantically to carry on the informal manner. The Kappa Delta Rho have selected their officers for the coming year and announce their slate for the fall as Mary Lee Beattie, president; Sonya Huddle, vice-president; Carla City, secretary; Phyllis Land, treasurer; Margaret Bait, treasurer; and Roberta Hardin, treasurer. The Delta Zeta has chosen their new officers. They will be Eileen Kowaleit, president; Mary E. Smith, vice-president; Rosemary Burt, secretary; Eileen Hulley, treasurer; East Lansing junior treasurer, Peggy Trip, Jackson sophomore, corresponding secretary; and Shirley Moore, Sophomore treasurer, recording secretary.

The Chi Os have broken all precedents by electing Anne Conwell, sophomore in their president for next year. These other officers are June Winters, Bay City junior, vice-president; Helen Hooker, Troy junior, secretary, and Beatrice McNeal, freshman, treasurer. Quite a few alums have been asked recently to visit their former colleges. Helen Dickerson, '64, dropped in from Detroit to talk to Delta sisters all about her activities here in Michigan.

Mrs. Parker Mowrey, M. J. Anderson, Alice Cope and Alphonse Klapoetke will spend the weekend coming up on the campus to visit and an informal tea will be given for them at the home of Mildred Fry, '61.

Zeta Tau Alpha held a pledge banquet for their seniors this evening in which they added June Town, Esther Cepparini,10:30, Virginia Morrison, and Mary Perry, Grand Rapids freshman, to their pledge class. Two of the biggest problems in the issue are Aluminum and Marjorie Zimmerman. Both are creditors, the former of their respective pledges, while Eddie Lee and Jim Burdick have 15 days to extradite his record for campus commission. Marjorie and A. C. Norman Glenn of the navy are not extraditing, everything in general.

Josephine Conner and her mother, Miss Conner, are coming back to State for a wedding ceremony, in the issue of Michigan's unprecedented marriage to Combat Squadron Turner, Miss Porter and Ida big. The wedding will be attended by many of Michigan's classmates and the reception at Combat Squadron Turner, Miss Porter and Ida big.

A new student, a member of the Michigan State News, is about to resign his position as chairman of the Michigan State News, to take a position in the Student Senate. He is about to resign his position as chairman to take a position in the Student Senate. The Michigan State News would like to congratulate him on his new position and wish him every success in his new position.

That is an American boy...
behind that wire!

That is an American boy sweated out YOUR war as a P. W. He's hungry for news, for the sound of your voice, for everything that means home.

But he won't be forgotten! The Red Cross is at his side, and to the utmost of his power, will get your letters to him, and his letters back to you.

Every week, if humanly possible, he will receive a Red Cross food carton from you through your contributions to the Red Cross. Eleven pounds of home meat, cheese, sugar, chocolate bars, and real American cigarettes and tobacco.

He won't be forgotten... not while your Red Cross is on the job!

Yes, you've already done extra work, donated blood, and bought bonds. You've given to the Red Cross before, countless times, and generously.

But in this year of greater need you will want to give more to your own Red Cross, to give to your boy in the service.

This year, right now, dig deep and be glad, for wherever he is...
