In Campus Quarters

NANCY MILSTEIN, Alumnus Alpha Phi, has been chosen to join the Alumnae Association of Alpha Phi, a national organization of alumnae of Alpha Phi. She will join the Alumnae Association in May.

Nancy is a magna cum laude graduate of the University of Michigan with a degree in history. She has been active in campus activities and is a member of the University Women's Club.

Nancy will be attending the National Alumnae Association of Alpha Phi convention in June. She is looking forward to meeting other alumnae and hearing about the latest developments in the fraternity.

Nancy and her husband, John, are expecting their first child in August. They are planning a small ceremony for the birth of their daughter.

Future of Athletics to be Reviewed

Tentative Plans Being Set Up for Baseball

With the immediate future of intercollegiate athletics in question, the advice of a faculty meeting was sought on the matter of Coach John Schnable's return to coaching baseball in the fall. After the meeting, Coach Schnable reported that all funds were in order for the construction of a new baseball diamond. He also announced that all officers were elected to the baseball committee. The committee consists of the principal, coaches, and students.

Role of Radar Told in Churchill Talk

A discussion of the role of radar in the Second World War was held at the Churchill Club. The speaker, Dr. Smith, emphasized the importance of radar in detecting enemy aircraft and ships.

Women's Sports
