Red Cross Heads Take Over Duties for MSC Chapter

Red Cross officers for the Michigan State unit, with Blanche Raymond as president, are preparing to represent their organization through the morning. Other women heading the branch are Mary Gage, first assistant, Olive Portier, second assistant, and Dorothy Raymond, third assistant.

Potential leadership shown during the early years of campus, is the basis for appointment to Morton Tower, as service to the college and general character. Women interested must also have an all-merit average of 3.1.

Planes Chalk up Record Air Blows

LONDON, April 27 (AP)— The British Eighth air force made rendezvous last week in a blowout of a spectacular double line of flak bursts that obliterated the American bombers. The Allied planes blasted and burned the enemy with approximately 8,500 tons of bombs and risked almost every man to keep the thirteenth straight.

For Those Who Are Tempted

Once upon a time, grasping and gathering, the food in the door and things in general was accepted, unexpected perhaps. But we stopped expecting that when we stopped expecting Sunday afternoon drives and a steak dinner every other night.

The student body of this college symbolizes the youth of America not at war. And we have come back. They have seen the horrors of a bloody battlefield and felt the pain of a piece of shrapnel. War is not a shallow, overrated word for them. They have seen for what it is.

What do they think when they look around and see the indifference and smugness still too prevalent on this campus as we sat and got the idea that we just don't care?

Let's not take chances on making them cynical or bitter. Cholesterol ice cream is hard to get or because the trip home has to be made by bus, an immeasurable other complaint.

THE GENERAL LED . . .

In the last issue, our war correspondent from the Allied forces in Europe, William, the Hamboldt bell boy on New Orleans to the Washington bureau, reviewed the activities of the war in the United States over the past week. In the last week, our forces in the United States have been able to secure their position in the nation's capital by securing a position in Europe.

Along with the arms manufacturers, who have manufactured ships and planes, there has been a manufacturing effort by the United States government. This includes the production of ships, planes, and other military equipment.

General MacArthur was at the general staff meeting of the military leaders. He stated that he had not seen any evidence of the "war industry".

TWELVE IN A ROW . . .

For the first time in their lives, the Defense Department has named twelve women as "military".

New names will be added to the list. The first three were Ann Shriver, Mary Brown, and Betty Brown.

The Gamma Phi and alphas have a big weekend of entertainment ahead of them. Their guest of honor at a Tuesday evening dinner will be Mrs. Charles C. Hall, wife of the New York Times editor.

Also, the alumnae of Zeta Tau Alpha and Alpha Tau Omega will be present.

Miss Addie Newton, president of the New York chapter, will be present.

**Kobs Drills Team for Tomorrow's Wayne U Game**

After defeating Reo Motors Wednesday, the Spartan football team settled down to prepare for tomorrow's game with Wayne University at 3 p.m.

Coach John Kobs commended the Reo team for its playing against the Reo team, he said, however, that in the second half, the Reo team played better than the Spartan team could have done with the Spartan pitchers.

Kobs expressed some concern over the injury to Bob Campbell, first string end-tackle, who pulled a muscle in the first inning of Wednesday's game. Warren Hennessy, left end, also was slightly injured in the game but he will start tomorrow.

Bob Kreidler, who struck out five Reo batters will probably be the starting pitcher. Bob reduction will catch Kobs said.

Yearbook Staff Gives Tickets With Sales

Wolverine salesmen will take orders for the 1944 yearbook in the Union lounge today, according to Douglas Hurl, Farmington sophomore.

To encourage sales, a lucky number will be given to those who purchase a book that week. For a free ticket to an all-college game, the lucky number will be held late.

This year's Wolverine yearbook pictures of men in uniforms, pictures and information concerning many college activities of the year.

Books also will be sold to members of the union, at $1.00. Following this, will give the address of the student who purchased the book with the check or money order.

**Snooping in the Shops**

**By BARBIE**

The store of shoes, Curtin's, are going to lead the fashion lines this year. For men and women, we found wonderful new sports shoes in green, brown. In sizes 12 and 14, any gioumst person will be the envy of the other group in duplicate shoes, especially now when cords are so scarce. Jackets in tan and brown are $13.36, in brown, $11.96.

And for you pretty females who are giving gift buying for that all important man about to receive a commission, or for birth day and the like where a man is involved, we heartily recommend the Sportsman, line of shaving cream, talc, toilet water and after-shave lotion.

**Strictly masculine, but definitely attractive to the girls, the sports tops record nominal area due on each article for the summer season and all on sets.**

Try this line at Curtin's.

In times like these where we hear that prices will rise the next article to think of is that gentleman's formal, the perfect answer to the problem of summer attire with important play suits which will be a little later on make work suits suits.
Burma Campaign Gains Momentum
Counter-Invasion Battles Expected in Kohima Area

SOUTHEAST ASIA
HDQ., Kandy, Ceylon, April 27 (AP)—With the monsoon rains less than three weeks away, Lt. Gen. Joseph W. Stilwell's Chinese and American forces appear to have broken the back of Japanese resistance in northern Burma.

In a spectacular six-mile advance yesterday, "Uncle Joe's" infantry and tanks swept through the Mogaung valley jungle into the village of Mani, only 10 miles from Kamaing and no more than 45 miles from Myitkyina, the enemy's main base of operations north of Mandalay.

The campaign to open a land supply route from India to China—Stilwell's pet project—already had carried his mixed force some 120 miles into Burma, nearly halfway to a junction with the Army of Burma road at a point inside China.

The enemy's counter-invasion to India, meantime, appeared to be rushing toward a bloody climax in the 6,000-foot hills ringing the northern base of Kohima. Reports that a major battle had begun there was expected almost hourly.

Beatle Wings

Dispatches today said Allied reinforcements of men, tanks and guns continued to stream into Kohima along the 35-mile highway from Dimapur on the Bengal-Assam railway, and that an assault to break the Japanese and send them reeling back along the trails toward Burma was imminent. The Japanese hold the highest points and road junctions around Kohima, and just outside the town Allied reinforcements were confronted with a large white sign that said: "From this point you are in view of the enemy."

Short Course Grads to Hold Exercises

Sixty short course students will take part in the graduation exercises and banquet tonight at 8:30 in the Union, according to Ralph W. Tenny, director of the course.

The entire program will be under the chairmanship of Glenn Meter of Maple City, recording secretary of the course club. Distinguished guests will be presented to the graduates by Dean Marie Dyer of the Economics division, and Ernest L. Anthony, dean of Agriculture, Awards will be presented for outstanding scholarship, leadership, and citizenship.

Toastmaster of the banquet is Robert H. Masters. Rehearsal directors are R. H. Masters, educational director of the W. K. Kellogg foundation, will address the group.

Two Lake Erie Freighter Collisions Cause Death of 10 Crew Members

CLEVELAND, April 27 (AP)—A freighter struck through a fog, nose-dived over Lake Erie today, causing separate collisions which sank two ore freighters and took the lives of at least 10 crew members.

The ore carrier James H. Reed, operated by Parkside, Mather and company, for the Interlake Steamship company of Cleveland, sank quickly after a head-on collision with the Canada Steamship Line's steamer Arvon, 25 miles north of Ashtabula, Ohio carrying four men and a woman to their deaths and resulting in fatal injuries to five others.

The Interlake company reported late today at least two other crewmen were unaccounted for.

Seventy-five miles to the west, the Columbus Transportation company's Fargo Voyager, carrying 60 members of a band of air cadets from Chicago, had a head-on collision with the steamer Philip Murch, operated by the Kinman Transport company.

There were nine seriously injured in the collision of the Voyager and the Murch, which occurred in Pigeon Passage, on the Canadian side of the lake opposite Sandusky.

Don't be a tradition breaker—no smoking on campus.
