Spartan Nine Starts Season
With 12-3 Win Over Wayne
State to Play Coast Guard Away Thursday

Coach John Koho and his Spartan baseball squad un¬
veiled their baseball season Saturday with a resounding
12-3 victory over Wayne University. The team's first
two games will be played today at two, Away 10, and
against Michigan State tomorrow. The Spartan nine
also is scheduled to play four games with the University of
Michigan this season.

Good battering was the key to the Spartan win. Besides
the hitting of Brian Soloway, who had a two-run home run
in the first, the Spartan president, and the base hitting of
Junior John Ryan, who had four runners in scoring posi¬
tion, the Spartan second baseman, Spartan nine held a
high output. The Wayne base running was cut down by
three Spartan fielders. Carryin was the head of the Spartan
eight, and the midfield was active and strong.

Soviets Struggle Against Germans in Bloody Battle

LONDON, Tuesday, May 3 (AP) — Masses of Soviet soldiers attacking Brest-Litovsk Sunday night started nearly a score of fires in that fortress city which the Germans captured two days after their 1941 invasion of Russia, and Red army troops yesterday killed 1,500 Germans in local struggles, Moscow announced today.

A midnight bulletin said 900 Germans were slain in two unsuccessful attempts to capture "advantageous positions" north of Brest-Litovsk, while a battle of 800 to 1,000 attacking Axis troops failed to gain ground and was wiped out southeast of Stanislavlou in old Poland.

Brest-Litovsk is 115 miles east of the Polish capital of Warsaw, and about 80 miles northwest of Soviet land forces operating in the Soviet sector. It was seized by the Germans June 24, 1941, and now serves the nearby Dzuz river demarcation line.

Seven fires were started in the rail junction and enemy military trains carrying troops, ammunition and equipment. Also broadcast by the Soviet radio bulletins tell of German reverses.

Brest-Litovsk is with 20 German generals, among them Barat, Raxen and Prusmann, but his British guards say that the officers never speak to him. To them he is "just a civilian."

Former Leader of Nazi Troops Says Germany Will Lose War

SOMEWHERE IN ENGLAND, May 1 (AP) — Gen. Hitler, one-time commander of the Nazi Air Force and Brit-

ian's No. 1 war prison, is quite frank today in saying that Germany already has lost the war, according to sources at de-
terences quarters.

Rudolf Hess, the former Hit-
ler deputy who is the most cele-
brated of the Allies' prisoners is also declared to be a changed man after three years of captivity here. He no longer parrots "All live! All live!" when British radio bulletins tell of German reverses.

Hess is confined with 20 Ger-
man generals, among them Ba-
rat, Raxen and Prusmann, but his British guards say that the officers never speak to him. To

them he is "just a civilian."

Von Thoma was captured in
Africa No. 4, 1942, and Gen.
Ludwig Cruewel, an African Cor-
pus deputy commander, was seized May 28 of that year. In
counter to von Thoma and other offi-
cers, the Prussian Cruewel does not admit Germany has lost.

But his guards say the man
known as "The Butcher of Bel-
garde" tempers his remarks with an assertion that if Ger-

many does lose she'll win a fin-
three war.
