President of Ohio State to Speak at Exercises Saturday, June 10

Six hundred forty-one seniors will be graduated in the third wartime commencement exercises, which will be held in the auditorium on Saturday, June 10, at 3 p.m. according to Pres. John A. Hannah.

This figure includes 220 seniors who received degree during fall and winter terms, 279 who will complete graduation requirements by June 10 and 132 seniors who expect to finish by the end of summer term.

Dr. Howard L. Devin, president of the Ohio State University, will be the principal speaker for the graduation ceremonies. In addition to his appointment as president in 1930, Dr. Devin has served as governor, and will be governor of the state of Ohio, judge of the Ohio Supreme Court and president of the law school at the University of Cincinnati.

Speaker at the baccalaureate exercises for seniors will be David W. Wight, president of the Women's College and chairman of the National Education Association.

Senior Activities

Commencement activities for seniors will begin on Wednesday, May 21, when the graduating class will hold its annual dinner at 7:30 p.m. in the Auditorium.

Senior band will be present at the commencement exercises on Saturday, June 10, and will make its last public appearance of the year at the commencement exercises.

Grand Album pictures will be taken after the commencement exercises.

Senior dinner will be held at 7:30 p.m. on Wednesday, June 10, in the college dining hall.

Senior Banquet will be held at 7:30 p.m. on Thursday, June 11, at the Western Reserve Hotel in Cleveland.

Women's club is expected to attend the commencement exercises and the senior dinner.

The housing plan for women's students, who will attend Michigan State summer school sessions, has been formed.

East Mary hall is to accommodate women students enrolled in the twelve-week session.

Because of an unexpectedly large enrollment in the twelve-week session, Mary hall, which originally was only to house the six-week course students, will be used to house both dormitories.

Women May Live in Houses

Security houses will only have permission to stay open during the summer, if a sufficient number of women will be attending the summer sessions from the particular house.

There is only one security house listed to house women as residents, however others are considered security houses by the activities director, but are not listed due to other restrictions.

The entire list of security houses will be available upon payment of the $2.00 for the purchase of the particular house.

Independent Units

Independent of the Student Senate, the glee club is the only student organization on campus.

This group is composed of many individual students from various colleges and departments across the United States.

In May 1937, Mrs. Mary E. protests the presence of the glee club, which she claimed was an organization that only benefited those who were members.

As of 2023, the glee club continues to maintain its status as an independent unit,不受学生会的管理和监督。

Grin and Bear It... By Lichton

RUBIK has it that "dishes are just as real as the people in the classes you take." At MSU, however, most students are making their courses the center of activity. Then there is the suite that makes the holiday activities they are interested in for their roommates.

Three of the Alpha Chi Omega suite are planning a volunteer dance this Saturday, April 30, at 9 p.m. in the basement of the Alpha Chi. The suite, which includes Barbara McMillin, Betty Jo Conradi, and Harriet Baguley, is planning to serve up an exciting evening of music and dancing.

Several of the Alpha Chi Omegas are also planning a "best dressed" contest for Wednesday, April 27, at 6 p.m. in the basement of the Alpha Chi. The suite is planning to have a lot of fun with the contest.

There was no indication that the ladies would be discontented with the inactivity of the war and would commence to keep busy with other activities. The suite continues to give no indication where or when the invasion will be launched.

In an attempt to regain their winning ways the Spartans will take to the road today, and travel to Detroit. They will meet the Wayne Tartars for the second time this season today at 4 p.m., and the University of Michigan Saturday at 3 p.m.

State started their season by drubbing the Tartars 12-4, and will be out to make it two straight. Coach John A. Kubs has given Jack Ashley the nod for the starting pitching assignment.

Three Seasons

The 'Tmrs' record is not too impressive, but they should add a good amount of trouble.

Kubs has nominated Bob Kratka as his starting pitcher to throw when the big firepower of the Spartans will be at their third victory.

Beef on Friday

The Spartans will be at full strength for the week end, with the exception of second baseman Russ Housh, who will not be able to play Friday, but will join the team Saturday. Bill Turk or Dick Treharne will take over the Keystone duties Friday.
