The first session will be held Friday evening at 6:30 in the Little Theater of the University, according to Franklin Yates, Jeanette Mahler, in charge of the meeting.

The Three PT's

A speaker will be entitled "Prize" in the first PT, "Personalities and Persona," and will give information on those in the group, stressing the pleasant and the important in the big sister game. The second PT will be the Fall Institute, in which the group will discuss how to meet and get along with the freshman women.

The third PT will be a campaign on the largest quota to date, because of the increase of freshmen in the department under a system started last year. Counseling and help to freshmen who want to help freshmen in the big sister game will be the only purpose of the session.
