Queen Voting To End Early, Price Says

Mitchell, Not Hannah, Will Place Crown On New Queen

The final race for the queen to reign over the annual Mardi Gras will end Thursday at noon, in place of the originally scheduled Friday noon deadline, according to voting chairman Bob Price, Belding junior. The coronation rehearsal, slated for Thursday night, necessitated the change, Price stated.

General Chairman Jack Breslin, Battle Creek junior, announced yesterday that Pres. John A. Hannah would be unable to preside over the coronation ceremonies as previously announced. Officiating in his place will be Counselor of Men Fred T. Mitchell.

Patrons for the semi-formal dance, according to Chairman Mary True, Armada junior, include Prof. and Mrs. C. A. Lawson, Prof. and Mrs. R. A. Rannels, Prof. and Mrs. C. H. Nickle, and Prof. and Mrs. D. H. Stark.

Dance tickets may be purchased at the Union desk or the Administration building. Scheduled for Friday from 8 p. m. to midnight the Mardi Gras will feature Blue Barron and his orchestra.

Queen candidates designated in the primaries may call for their pictures today at the Union desk.

Beginning with two piano compositions by Carlos Lopez Buchardo, based on Argentine folklore, Patricia Hough, Adrian freshman, will play "Campera" and "Balecito." Buchardo, director of the National Conservatory in Buenos Aires, is a master at painting popular scenes in music.

Turning to Uruguay, the second group of numbers are English adaptations by Evangelina Lehman. Soprano Constance Huffy, East Lansing sophomore, accompanied by her mother, Mrs. Fred Huffy, will begin the group with Linz Cluzeau Morlet's "Mar de Luna." Mariet, a violinist in the National Orchestra, has composed numerous works for piano, orchestra, and voice. "Para pasar la Ribera," "Dance-la-mona," and "Esti" by Celia Correa Luna complete the section.

Brazil will be the next country, represented by Villa Leticia, composer of nearly 1,500 works of all types of music. Bethyne Bischoff, Grand Rapids sophomore, will come to the piano to play "Lenda de carbocel" and "A Mare Encheu."

Mexican music also Mexican in character, Manuel M. Ponce's "A Balala Appassionata From Trio in B minor," will be presented by Phyllis Collins, Spring Lake cellist, Jean Wahl, Battle Creek pianist, and Elizabeth Warner, Muskegon violinist. Although the composition was first presented 25 years ago, Ponce composed several songs in the last three years. Teresa Gadsden—LATIN AMERICA—Page 4

Churchill, Truman, Stalin Say Nothing

Last German Holdout Near Prague Agrees to Complete Surrender

By ALEX SINGLETON

LONDON, May 7 (AP)—Complete victory in Europe was won by the Allies today with the unconditional surrender of Germany.

President Truman, Prime Minister Churchill and Premier Marshal Stalin are scheduled to proclaim the historic conquest simultaneously at 9 a. m. Eastern War time tomorrow from Washington, London and Moscow.

Final capitulation came at 2:41 a. m. French time from the headquarters of General Eisenhower supreme commander of the allies in the west.

President To Address U. S. Today

WASHINGTON, May 7 (AP)—President Truman made arrangements tonight to make a radio address at 9 a. m. (eastern war time) tomorrow, presumably to proclaim the victory over Germany which is already known to be won.

While this capital greeted calmly as just another battle won—the largest yet but not the last—the President struck so meticulously to the Big Three announcement agreement that it was never said in so many words that it is a V-E day speech he will make.

Earlier London had announced through the Ministry of Information that tomorrow details

Postponement of the joint concert by Bidu Sayao, Brazilian coloratura soprano and Nino Martini, Metropolitan tenor, was announced by S. E. Crowe, dean of students. Miss Sayao has had to cancel all immediate engagements because of illness.

The recital will be held Wednesday, May 23 at College auditorium at 8:15 p. m. Nino Martini will not be able to appear with Miss Sayao at this date because of previous engagements.

ately will be V-E day, but at that time Mr. Truman had only this to say.

"I have agreed with the London and Moscow governments that I will make no announcement with reference to surrender of the enemy forces in Europe or elsewhere until a simultaneous statement can be made by the three governments."

Montgomery Reads North German Surrender Pact

LONDON, Tuesday, May 8 (AP) — The Czech-controlled Prague radio announced today that the Germans in Prague and throughout Bohemia, a last major holdout pocket of Nazi resistance, had accepted unconditional surrender.

The announcement came as the U. S. Third army and three Russian armies battled to the outskirts of the Czech capital.

The only details of Germany's ignominious end came from Ed Kennedy, chief of the Associated Press staff on the Western front, who was the first to flash the word the world had long awaited.

"Germany surrendered unconditionally to the Western Allies and Russia at 0241 (French time) today in the Reims red schoolhouse, headquarters of Gen. Dwight D. Eisenhower."

"The surrender which brought the war in Europe to a formal end after five years and eight months of bloodshed and destruction was signed for Germany by Col. Gen. Gustaf Jodl, new chief of staff of the Wehrmacht. "It was signed for the supreme allied command—the United States and Britain—by Lt. Gen. Walter B. Smith, Eisenhower's chief of staff, for Russia by Gen. Ivan Susloparov, member of a military mission on the western front, and for France by Gen. Francois Sevez."

"Gen. Eisenhower was not present at the signing," Kennedy said, "but immediately afterward Jodl and his fellow delegate, Gen. Admiral Hans Georg Friedburg, were received by him."

"They were asked sternly if they understood the surrender terms imposed upon Germany and if they would be carried out by Germany," Kennedy continued. "They answered, 'Yes.'"

"With this signature," Jodl said softly, "the German people and the armed forces are for better or worse delivered into the victors' hands. In this way, both have achieved and suffered more than perhaps any other people in the world."

Governor's V-E Day Proclamation

LANSING, May 7 (AP) — Governor Kelly today issued the following Victory day proclamation:

"No words of mine, or any other man, can adequately pay tribute to this glorious achievement of Allied arms. I can not do more than to say to these brave men of ours, the dead and the living, that their nation is both humble and grateful.

"This is a time for prayer and thanksgiving. It is also a time for the solemn reflection that the task is but half finished. Our other ruthless, barbaric and unrelenting enemy, Japan, remains to threaten the dignity and freedom of the human race. We must resolve at this time to make an even greater effort to destroy the war lords of Japan and uproot every vestige of their pagan 'New World Order'.

"We must stand fast and true during the days ahead so that we, as a united nation, may march with our valiant Allies down that road that leads to the final and complete victory and an enduring world-wide peace."

LT. HAROLD M. PRICE . . .

was killed May 3 in the explosion of a B-29 bomber on a flight over Oklahoma, while on a routine flight. His cool and rapid action saved the lives of seven other members of the crew, according to Capt. John Cannon, commander of the huge airplane and one of the survivors.

He said, "The trouble started with a fire in one of the left engines which spread rapidly to the second motor. We had less than 90 seconds to get out of the plane and Lieutenant Price relayed the orders to the other men while I manned the controls."

The captain ordered the lieutenant to get the other two men out who were in the back of the plane and then to bail out himself. The captain was then thrown from the ship and the next thing he knew he was parachuting to the earth. It is believed that Price adjusted Captain Cannon's chute before going back to the escape hatch, and that the explosion occurred a few seconds afterward.

'Frim' Looks Into Records to Find History of Athletics at College

By BILL LAMBRIGHT

Twenty-five years ago, because he couldn't locate background material in connection with a track meet he was preparing to stage, Lyman ("Frim") Frimodig launched a project in research that has been going on as a part-time job ever since.

"Our records were sadly lacking years ago," Frim explains, "and the recorded tenure of athletes wasn't getting the breaks. So we set out to remedy the situation."

It's a project compiling details

regarding athletics at Michigan State college, and other factual material that the Spartan assistant athletic director has been able to ferret out in his research. Now, in quarters of a century later, Frim reveals that with the exception of learning the first name of a substitute baseball player listed as Johnson who competed in 1901, the records are complete. Football is being the finish line as are records in baseball, track, and tennis. These are the State's other sports that rank in the 1800's. **Work Fills Five Books**

His research fills five ledgers each one about 100 pages. He says that before he is finished he expects to fill another ledger, after that posterity will determine the number of record books.

Frimodig suspects that baseball was played by the college during the immediate post-Civil War days. His suspicion is based on an article in "The Banister," a typhoid campus publication dated Aug. 29, 1868, which referring to the sport as an amusement, said: Broken limbs and deformed bodies, when resulting from warfare are honorable, but when resulting from an over indulgence of amusement, are objectionable.

Records Date to 1884
Football records date from the gridiron game inception at Michigan State in 1884; basketball got under way at the college in 1899. Ledgers, old campus publications, newspapers, and lip service have formed part of Frim's source of material.

Frim was named to his present job in the fall of 1920, less than two years after he joined the Michigan State coaching staff.

Five Colleges Enter Track, Field Meet

Alma college has filed an entry list of 18 men for the coming State Intercollegiate Track and Field Meet, to be held here next Saturday. This 18 man entry has given Alma entries in 25 events. Wayne university has reported that it will send 12 men to the meet, and they will enter in 33 events. Western Michigan, the favorite in the coming meeting because of its navy personnel will arrive with 27 men for 39 entries.

Michigan State will enter 16 of its track men in 44 events, while Albion will enter the smallest number, seven men in 16 events. This gives a total of 80 men participating in 177 events.

Spartan tracksters, the defending champions, have men entered in all of the 13 events. Wayne university has covered all but the pole vault. Albion has omitted the disc throw, high jump, broad jump and the javelin.

Western Michigan college has blanketed the field with a man in every track and field event. Alma has all but two, the two mile run and the pole vault. On Saturday afternoon at 1:45 the field events, pole vault, shot put, and high jump will be held while at 2 p.m. the track sports will get under way with the 120 yard high hurdle.

McCormick, Yarling Likely Ball Hurlers

Either Norman McCormick, Detroit sophomore, or Meredith Yarling, Elwood, Ind., junior, will be on the mound for the Spartan nine when it faces the Hurons at Michigan Normal college in Ypsilanti tomorrow. McCormick was knocked out of the box by Indiana after pitching 1 1/2 innings.

Coach John Kobs stated that there would be no other changes in the line-up for the game. He said that he would hold Bill Page, Muskegon freshman; Keith Steffe, Sturgis junior, and Darrell Couey, Detroit junior, in reserve for the coming two game series with Ohio State Friday.

Coach Kobs Hears 1941 Team Captain Missing in Navy

Norman Duncan, captain of the 1941 baseball team has been reported missing in action in the Pacific as of April 17. Coach John Kobs was advised today. Duncan, a lieutenant (jg) USNR, was commissioned an ensign in the navy in March of 1943, and was last reported in the Pacific.

As captain of the 1941 baseball team he led the Spartan nine to many victories and is regarded by Kobs as the best short stop he has ever seen.

Following his graduation he was signed by the St. Louis Browns, and played the 1941 season with St. Joseph of the Michigan State league. In 1942 he was sold to the Toledo Mud-hens but he did not report to the team's practice because of the war. During the indoor training season for the 1942 baseball team he served as an assistant coach of the varsity team.

In the 1939-40 season he led the team batting list with 341 and 396, respectively. At bat 58 times in 1939, he finished the circuit with 30 hits and 16 runs to his credit. 1940 was even better, at bat 88 times again he had 35 hits, and 18 runs.

His wife, Marjorie, and one-year-old son live in Lansing, and his parents at RFD No. 2, Mayville.

Germans Hear of Surrender

Von Krosigk Requests Countrymen To Regain Respect of Other Nations

LONDON, May 7 (AP)—German Foreign Minister Count Ludwig Schwerin von Krosigk announced Germany's unconditional surrender to his countrymen today and summoned them to a new life, guided by respect for internal and international law so that "we may hope the atmosphere of hatred which today surrounds Germany all over the world will give place to a spirit of reconciliation among nations without which the world cannot recover."

The foreign minister's announcement broadcast over the Flensburg radio, followed by a three-minute silence, said that "the high command of the armed forces today at the order of Grand Admiral Doenitz declared the unconditional surrender of all fighting German troops."

U-Boats to Stop
A few hours earlier the Flensburg radio had broadcast an order of the day from Admiral Doenitz, Adolf Hitler's successor, notifying all U-boats to "cease activity."

Von Krosigk, in announcing the surrender of Germany, declared that "after a heroic fight of almost six years of incomparable hardness, Germany has succumbed to the overwhelming power of her enemies."

Some Refuse Surrender
The foreign minister mentioned none of these enemies by name and there were still some loose ends on the east front where German commanders in Czechoslovakia refused to immediately lay down their arms and fought on against the Russians and Czechs for "free passage out of the country."

The German communique broadcast after von Krosigk's statement — said German troops still were fighting the Russians in Moravia and Nazi broadcasts over the Prague radio said the Germans in Bohemia-Moravia had refused to recognize any term which included Russia.

Von Krosigk Stands Pat
But, according to von Krosigk, it was all over and he said the Doenitz government had performed "its noblest task" — in surrendering to prevent further senseless bloodshed and a futile disintegration."

Von Krosigk pleaded with the German people to "retain their unity" and be prepared "to make heavy sacrifices . . ."

The German spokesman said the Allied terms were "harsh" but unavoidable and he called on the Germans to "accept this burden and stand loyally by the obligations we have undertaken."

Tenth Army Gains On Okinawa Front In Stiff Battle

GUAM, May 8 (AP)—U. S. tenth army Yanks scored advances in all sectors of the southern Okinawa front yesterday, Fleet Admiral Chester W. Nimitz reported today in a communique listing 36,535 Japanese killed thus far in the Okinawa land fighting which began April 1.

American ground casualties have been given as 2,337 killed, 11,432 wounded and 514 missing.

Nimitz reported the 77th infantry division, paced by flame-throwing tanks, scored gains in the center of the stubbornly-held Okinawa line, the first marine division on the west flank reached Dakeshi village and the seventh division drove ahead on the east flank to an undesignated point.

Fleet guns and aircraft gave close support, knocking out numerous blockhouses, pillboxes and other defensive structures.

Earlier, the reported silence of Japanese artillery indicated withdrawal of guns to new rear position.

A neutralizing attack on the Sakishima group of the southern Ryukyu islands, just northeast of Formosa, was carried out by U. S. carrier planes Sunday. No details were given as to damage inflicted.

Naval search bombers, again sweeping shipping lanes vital to Japan, struck in Korean waters yesterday at masthead level, sinking two good-sized cargo ships and two oilers. In addition, two small freighters were set afire, two other freighters were damaged and a large cargo ship was seen to explode.

CHURCHES

(Continued from Page 1)

Rev. John M. Vander Meulen will also conduct a worship service at 7:30 p.m. in the Presbyterian church.

The First Baptist church will have its special prayer service at 8 p.m. It will be led by Dr. Fischbach. St. Paul's Episcopal church will hold its service at 7:30 p.m.

Liberian Articles To Depict Native Customs, Life

Approximately 100 articles depicting life and customs of natives in Liberia will be on display in the college museum beginning tomorrow, according to Joseph W. Stack, director of the museum.

The collection was sent to the college by two former forestry students, Robert Bartlett, East Lansing, who was graduated in 1942, and Howard Burgess, Scotts, 1940 graduate. Both employees of rubber companies in Liberia, Bartlett and Burgess gathered the collection while overseeing the work of tribesmen on rubber plantations.

Brass anklets weighing as much as four pounds, leopard tooth necklaces, native money, a wife beater, various native weapons, devil masks, a bracelet made from an elephant foot pad, a chief's gown, a hand-woven hammock, and ceremonial headgear are included in the collection. Some of the articles have been given to the museum, others loaned.

The museum will be open from 1 to 5 p.m. weekdays.

LATIN AMERICA

aleto, former music major from Lansing, will sing a group of them, accompanied by Mary Goodell, Lansing freshman.

Returning to Argentina, two piano selections will be featured with Miss Goodell as soloist. "La colino Sombreada," by Alberto Williams, "Dean of Music" in Argentina, will be followed by Mortet's "Junto al Fegon."

None of the music to be presented on the program has been published in the United States, except the concluding numbers. Arranged by Evangeline Lehman, the songs will be sung by Jacqueline Bullen, Jackson contralto; Norma Lou Gregg, Lansing soprano, and Miss Wahl, mezzo soprano.
