## Jap Homeland Strafed By Yank Task Force

### Falcone to Direct MSC Band In Spring Concert Tonight

Program Will Be in Shell, Weather Permitting

The 48-piece MSC band will be heard tonight at 8 in its last formal concert of the year. Scheduled for the bandshell, it will be held in College auditorium in case of bad weather, according to Conductor Leonard Falcone, associate professor of music.

The light, diversified program will open with Bellini's overture to the opera "Norma." Delle Cese's concert march, "Inglesina," which depicts a little English girl, will follow, with a Strauss waltz, "Voices of Spring" as the third number.

Rachmaninoff's "Italian Polka" will be followed by the four movements of Delibes' ballet "La Source."

Conductor Falcone will be featured in a euphonium solo, accompanied by Roy Underwood, music department head. The solo piece is "Fantasie Original" which consists of one main theme with series of variations.

Beethoven's "Amparita Roca," a Spanish march, will follow the concert.

In direct contrast to usual concert music, the band will play an arrangement of "Make Believe," from Jerome Kern's "Swing Boat."

Mozart's overture "Orpheus Under Unterwelt" will conclude the program.

FALCONE  
... director ...

### Italy to Obey Terms Of Armistice, Truce

ROME, May 15 (AP)—Premier Ivanhoe Bonomi's government is expected to resign shortly and it was learned today that the Allied commission for Italy has been advised by Washington in London that any new government must obey the armistice terms and also observe a truce with the monarchy.

Resignation of the Bonomi government in accordance with the liberation pledge is expected after the ministers and representatives of the committee of national liberation complete a tour of northern Italy.

### Pinetum Chosen For Senior Picnic June 6

The senior picnic will be held at Pinetum Wednesday, June 6, at 7 p.m. Picnic lunches and cokes will be distributed and there will also be entertainment and group singing. Students may come by car, by bike, or on foot, as no transportation will be furnished.

Shirley Logan, Detroit; Clara Dowling Jackson, Ben Hekhuis, Fremont; and Merle Paragon, Athens, are chairman of the event.

All seniors who plan to attend are to sign up today and tomorrow when they pick up their commencement invitation in the Union. Only those students who have signed up will be allowed to go.

Graduation announcements and invitations must be picked up at the Union lobby today and tomorrow, according to Dorothy Geyer, Saginaw sophomore.

### IFC Chooses New Council Heads at Annual Meeting

Following the annual Interfraternity council elections last night, Ralph Fenstemacher, Hudson sophomore and member of Theta Chi, will become the new IFC president. Another Theta Chi, Bob Butler, Trenton sophomore, will assist as vice-president.

Delta Chi Bob Price, Belding junior, won the office of secretary, while Bob Buckenizer, Detroit sophomore, of Alpha Tau Omega, was chosen treasurer for the coming year.

Two men were also elected to executive council in last night's elections. They will be Bud Smith, and Lee Grant, Grosse Ile sophomore. Smith is a Sigma Chi and Grant is a member of Psi Upsilon.

IFC is the governing body of all fraternities on campus and, as such, supervises the rushing and joint social activities of the chapters. The "Spring Fling" to be held this weekend is one of the activities of IFC.

### Eisenhower Greeted By Mobs in Private V-E Day Celebration

LONDON, May 15 (AP)—Gen. Dwight Eisenhower came back to London today for a personal belated victory celebration and was given a hero's welcome by cheering throngs which surged about his car, crowded up to shake his hand and applauded his appearance at a theater and night club.

The surprise visit of the supreme commander and Gen. Omar N. Bradley was not officially announced and no official reason given. However, word spread quickly and when the big staff car appeared in downtown streets crowds gathered fast.

"This is the general's own private V-E day celebration," a member of the party told a reporter at a night club where the General went after seeing a musical comedy, "Strike It Again," at the Prince of Wales theater.

It's his first night out since before the war," the aide said.

Eisenhower, Bradley and several aides flew here this morning and were joined by a few friends for an evening of relaxation which their official duties kept them from enjoying.

### Kyushu Raked By Carrier Planes As More Than 500 B-29s Attack Aircraft Production Center

GUAM, May 16 (AP)—Planes of Adm. Raymond A. Spruance's fast carrier task force bombed and strafed the Japanese homeland in a two-day attack, May 12-13.

The carrier pilots destroyed 71 Nipponese planes in the air and another 108 on the ground, with results undetermined on another 73 grounded enemy planes brought under bomb and rocket attacks.

### MSC Man Named To Fill Vacancy

E. H. THORNE

Monday night the board of education appointed Dr. E. H. Thorne, assistant professor of education and director of teacher placement at Michigan State college, as assistant superintendent of Eastern high school.

Dr. Thorne was chosen to fill a vacancy that will occur at the close of spring term. He will succeed Miss Alice Wagenvoort.

Three other appointments were also made by the board to major executive positions in the Lansing public school system. All appointments are made to fill vacancies caused by retirements or elevations within the system.

### Summer Session Will Commence on June 19

Summer quarter will begin June 19 with three, six, and 12 week sessions open to all schools including basic college. Summer school schedule books and catalogs are now available in the registrar's office or summer school office.

North Campbell will accommodate college women for the first six weeks only, while South Campbell will be open for the full 12 weeks.

The carrier planes swept over Kyushu, southernmost Japanese homeland island, destroying targets of opportunity. Fleet Adm. Chester W. Nimitz announced today.

An oil train, four locomotives and a chemical plant were destroyed. A preliminary report said that American losses consisted of 10 planes.

### Yank Losses Unreported

No report was made on American surface losses and it is presumed the task force sailed without damage.

During the carrier assault, more than 500 B-29s went further north to put the torch to Nagoya, Japan's third largest city and principal aircraft production center.

Land fighting continued with unabated fury on Okinawa, the communiqué said. Little change in lines was reported.

### Ryukyus Attacked

Twelve additional planes were destroyed the previous night in the Ryukyus.

An additional 73 Japanese aircraft on the ground were brought under attack with bombs and rockets but results were not observed.

Nimitz said fierce ground fighting continued on Okinawa, where machines are edging into the bombed out shell of Yaha, capital city on the west coast, and attempting to widen their breach in the Shuri defense line on the eastern sector.

### Prominent Educators To Confer at MSC

A conference on education of foreign students will be held in the Union building at Michigan State college next Wednesday under the auspices of the department of public instruction.

Representing Michigan State will be Dean Lloyd C. Fairbank, School of Science and Arts; Arthur J. Clark, professor of chemistry; and Dr. S. C. Lee, professor in the Institute of Foreign Studies.

## Today's Campus

### ... All American

Algonac Campbell, Algonac is stretching patriotism to its breaking point. Feeling the need to send a rush letter, Connie hastily put a 10 cent stamp and a three cent stamp on her special delivery letter and only to have Sunny Wagoner, Lowell, Ind., senior, mention at the dinner table that she doesn't understand why Connie was trying to mail her letter with a war stamp. Maybe the postman will take pity and keep the war stamp in exchange for the special.

### ... Taken Too Literally

Beneath the advertisement for a recent showing of "Woman in the Window" was a theater notice saying, "No persons will be seated during the last five minutes of the picture."

One bright young woman, after scanning the ad, with a puzzled expression inquired, "Is it true that everyone must stand up for the last few minutes?"

## Actors Tussle With Dialects in Term Play

"Pygmalion," one of the best known and best liked plays of the English playwright, George Bernard Shaw, which is being presented June 1 and 2 as the senior term play, is causing numerous difficulties for the cast. It's the Cockney and British dialects involved which are the source of difficulty.

The whole play centers around the transformation of a little "guttersnipe" from the curbstones of London into a glamorous and cultured guest at the ambassador's garden party, which is a change very largely dependent upon different dialects.

In the first two acts, the little guttersnipe, Eliza—Doolittle, played by Patricia Beechler, Charlotte junior, is her natural self with a strong Cockney dialect. It is a manner of speaking typical of the uneducated class of Britishers. By the third act, Eliza has acquired a very cultured and almost Oxfordian di-

lect. A lot of riotous comedy results when Eliza uses this cultured tone in her uncouth manners of the gutter.

Eliza in the fourth and fifth acts has changed so completely that she enables the phonetics professor, Henry Higgins, played by Paul Genschel of the speech department, to win his bet that he could completely transform such a little "Draggletail."

When rehearsals were begun for the play, actual records made in London and brought to this country by the play's director, Prof. Don Buell, when he attended the summer session of the University of London in 1938 were used.

For Bill Thielicke, Alhambra, Calif., junior, who plays the role of Eliza's father, the Cockney dialect has been comparatively easy to assume because he lived in Australia a number of years before coming to the United States. Thielicke says, "It has

been a matter of recalling all the taxi drivers I've heard speak in their Cockney dialects."

Shaw's mastery of style has been the chief source of help for Miss Beechler. Besides the transition which she must make from the Cockney to the cultured manner of speaking, the complex characterization is also a difficulty. All of the lines have been learned in dialect.

Work has progressed very well on the play, according to Buell, and it could now be presented before British audiences with ease, but bystanders at recent rehearsals have commented that an American audience would be unable to understand the rapid-fire speech.

The play will be presented only twice this term, according to Buell. A Basic College comprehensive examination which will be held in Fairchild theater prevents the customary Saturday matinee.

## Robed Seniors Uphold Tradition

Today seniors will appear on campus in caps and gowns, thus upholding one of State's oldest traditions.

Not only will the robe of the seniors indicate to each of their instructors that they are persons privileged to be absent when final examinations are distributed, but other students will become aware of those who are now completing four years of study.

Graduating seniors now have in their past approximately four years of college, marked by memories of standing in registration lines at Jenison gym, studying for midterm tests, writing term papers, putting in lab hours, and taking final examinations.

Underclassmen and staff members honor and appreciate knowing those, appearing today and every Wednesday in academic apparel, who will soon leave MSC.

When college days are memories, traditions and carrying them out are the pictures that will remain. Here's to upholding MSC's traditions so they will not become another outdated practice. J.J.

## Yanks Use Savage Tactics on Nips

MANILA, May 16 (AP)—Fighting so savage that Americans attacked Japanese with bayonets, knives and their fists, with at least two Yanks drowning enemy troops by holding their heads below waters on a river, raged west of Davao city in Mindanao island today.

The Japanese had fled westward from Davao toward rugged mountains inland but their retreat was slowed by two rivers, the Talamo and Davao, between which Maj. Gen. Roscoe B. Woodruff's famous 24th Division trapped them.

Meantime, Gen. Douglas MacArthur announced in today's communique that Mindanao was

90 percent liberated. Mindanao, with 36,906 square miles, is the second largest island in the Philippines.

## Spartans At War

By BONNIE ESSERT

LT. ROBERT H. TURNER . . . with the third army in Germany, recently was awarded the purple heart. He is with the mortar section of the 89th division.

LT. FLOYD GUEST . . . 43, has been presented the oak leaf cluster to his air medal. He is navigator aboard a B-24 Liberator of the Bomber Bar. The award was for noteworthy achievements while participating in many bombing missions against Jap shore installations, airdromes and shipping in the South and Southwest Pacific and the Philippine area.

## In Campus Quarters

By DOTTIE LA MONT and NAN TRABUE

WHO'S interested in the sixty-four dollar question? Namely, is it ever going to clear up so we can cut a few classes? (only kidding profs!) We're from Missouri and take everything with a pretty well-filled salt shaker, so if anyone comes around saying the sun is going to shine—watch out. It's getting to be one of those closed subjects.

Enough said of what's wrong around here. Let's have a look at what's right. Things are all right with Shirley Marzean, Grand ledge freshman. Object of her bright days is Lt. Jerry Anderson, also from Grand Ledge, who recently placed a diamond on her left hand.

Joan Naylor, Alpha Gam, is definitely not listing any complaints about her status quo these days since she received a ring from Jack Mulholland, Durand freshman. Jack was formerly in the air forces and was stationed here at State for a while.

Sorority sister Doris Vogel, who left school last year, has slightly outdone Joan though, because she is to be married in Ludington tomorrow. Her husband will be Ward Richardson of the U.S. army, who just returned to this country after being a German prisoner of war.

From way out in California comes the news of the marriage of a former Spartan. It concerns Lt. Roy E. Chaddock, '45, of the army air forces, who took Louise Horn, of Selma, Calif., as his bride last April the 13.

Two flower-filled ivy rings with pictures of Sue Graff, Kappa, and Pvt. Harold Smith, army air forces, announced their engagement at a tea last Sunday. Pvt. Smith is stationed in Kingman, Ariz., and the couple will be married in the early summer.

We want you to be sure to notice the new pin Gifty Moss has added to her Alpha Gam one. It happens to have belonged to Merrill Walker, Phi Tau, before last week-end when he gave it to her.

Another Sigma Chi pin has found its way to a co-ed sweater and Dottie Langley, Chi O, is the particular co-ed. Entrusting his white cross in her care is George Lolly, who passed his favorite possession last Sunday.

There has been quite a bit of Greek and just plain engagement jewelry circulating lately, and we aren't through yet. Doris Ruehl, Grosse Pointe freshman is another of those selected persons to wear a ring. She is showing her engagement to Pvt. Bob Keydel, '48.

The Alpha Gams have been busy with pledging and have added one more coed to their group. Wearing the pledge pin is Rosemary Kean, Trenton freshman.

# March Weather Hampers State's Sport Program

### All Teams Schedule Full Program This Week

Michigan State is passing the mid-point in their spring sports schedule, and as yet the college students have had hardly a chance to view any of the Spartan teams in action. The one exception is the track team that bowed to the Broncos of Western Michigan in Saturday's intercollegiate track and field meet.

The three previous starts the football team has been shut out by rain and so the story goes that the rest of the Spartan teams. Racket wielders of Coach Ball's tennis team have been as tough a break as have the footballers, having been rained out in the past three net engagements.

**Delayed by Rain**  
Track men have been hampered by a water soaked track to date and the cold weather has slowed the running that were previously planned.

Clay tennis courts have been heavy and unusable, forcing the men to swat the ball inside on the canvas covered basketball court. The difference in the bounce of the balls on the two different surfaces has also slowed down the usually fast game.

With a favorable break in the weather this week, MSC students met their eyes full of the college teams in action. There is a track meet scheduled for today at East Lansing with the Tartars of Wayne State out on the greens of the Hills course. The Detroit team holds a 15-2 record over the Spartans since May 4.

**Self Meet Saturday**  
On Saturday the linksmen will meet on the course again at the University of Detroit. The team had two victories over the Spartans. See SPORTS, Page 4

# Four Freedom Bill of Rights Discussed

### Conference to Consider Bill of Rights for United Nations

SAN FRANCISCO, May 15 (AP) — Secretary of State Stettinius proposed today that drafting of an international bill of rights based on the four freedoms become the first task of a new world organization of united nations.

At a news conference, the leader of the American delegation declared that the issue of human rights may well be the most important raised in the San Francisco conference.

**Four Freedoms As Basis**  
It was the first pronouncement since Soviet Foreign Commissar Molotov spoke of this question more than a week ago. Stettinius voiced the opinion that the economic and social council of the new league should act to establish standards for freedom of speech, freedom of religion, freedom from want and freedom from fear.

Explaining that the Big Four had agreed that the enumeration of individual and collective human rights could not be attempted at this conference, Stettinius said a "commission on human rights" under a social and economic council should draft a code which could be accepted by member nations and made an integral part of their own systems of law.

**U.S. Favors Self-government**  
Stettinius simultaneously reaffirmed the American position in favor of giving dependent peoples self-government when they are ready for it.

The Secretary of State met the press in the big five powers—Russia, Britain, China, France and the United States—tried out steps for agreements that would cross the treatyship and regional security issues off the list of conference problems. But they had to wait for guidance from London and Moscow for the British and Soviet delegations.

# SPORT SPOTLIGHT

BY BILL LAMBRIGHT

Sport Spotlight will be written twice a week in an effort to introduce the readers to outstanding Spartans who represent

baseball team. Although this is Breslin's first year on the varsity squad, he has served State in many other ways.

JACK BRESLIN  
... ball player ...

Michigan State on the various fields of competition.

In the first issue of the Spotlight swings to Jack Breslin, Battle Creek junior, who plays first base on the Spartan varsity

baseball team. Although this is Breslin's first year on the varsity squad, he has served State in many other ways.

Breslin is an active member of the Alpha Tau Omega fraternity and belongs to the Varsity club of Michigan State. He is Union board representative to the Student council.

Before coming to State, he played three years of high school baseball and three years of semi-pro ball. Breslin is an all around athlete having played football, baseball and basketball in high school.

Breslin's football record is impressive. Last fall he was voted the most valuable player of 1944 by his teammates. Breslin received the governor's award for American achievement; the coveted Croix de Guerre, which was presented to him by Auditor General at the annual football dinner.

Having this award, he was also honored by being one of two State men to play in the annual East-West Shrine football game in San Francisco. Frank Brogger was the other State man to go to the East-West game.

# Nine Swimmers Newly Initiated Into Honorary

Monday evening nine men were initiated into State's Beta chapter of Porpoise, national men's swimming honorary. Having completed the requirements in swimming and water skills, they were inducted with Tom Barber, MSC's star diver, presiding at the occasion.

Upon completion of the initiation, election of officers took place with Barber, who has been the only active member, yielding the presidency to John McGrath, Pontiac sophomore. Other officer posts were filled by Jack Kasten, New York city freshman, vice president, Robert Byerly, Owosso freshman, secretary and treasurer.

Active members include: Jack Carrier, Detroit senior; Leonard Carr, Lansing freshman; Arthur Wright, Lansing freshman; Ralph Mercer, Lansing freshman; Robert Ramsey, Detroit freshman; and Bill Stevens, Detroit freshman.

Joe Mueller, Detroit freshman, now in the navy, and three ASTPs, Richard Chesney, Monroe; Leonard Davis, Milwaukee; and Harold Wood, Pontiac, were included in the initiation, although they were not present.

# THE 7<sup>TH</sup> WAR LOAN IS ON!

Yes, the Seventh War Loan is on right now!

There are new planes to be built... new tanks... new ships. All to bring the war to an earlier close.

Our fighting men will do it for us. But we must do ours!

And right now, the most important job we have is to meet our personal quotas in the Seventh War Loan drive!

Those quotas are big. Uncle Sam needs \$7,000,000,000 from individuals. For this loan is really 2 in 1—there had been 2 drives in 1944, by this time. So now—we've

got to do a two-loan job in one.

But Americans have never failed to meet a War Bond quota yet—and we won't fail now! So find out what your quota is—and meet it!

### FIND YOUR QUOTA... AND MAKE IT!

IF YOUR AVERAGE INCOME PER MONTH IS—	YOUR PERSONAL WAR BOND QUOTA IS (CASH VALUE)	MATURITY VALUE OF 7TH WAR LOAN BONDS BOUGHT
\$200	\$167.50	\$250
200-209	150.00	200
210-219	131.25	175
220-229	112.50	150
230-239	93.75	125
240-249	75.00	100

## Dances, Picnics to Highlight College Weekend Activities

### Spring Fling, Term Parties, Playday Planned

Week-end events will keep everyone busy as the list of "things to do" is long, and provides many variations during the after class hours.

This evening the Union ballroom will be the scene of the second senior dance\* where Gene Devine and his orchestra will provide music. All rules and regulations pertaining to the first dance will also apply to this one. The time is set from 8:30 to 11:30 p.m.

Women, who are graduating seniors, will be given permission to stay for the entire dance, and although underclass women may come if escorted by a graduating senior, late permission will not be given except on surrender of a D coupon.

#### Spring Dance

Slated for Friday evening is the IFC "Spring Fling." Tickets at the Union desk will provide admission to music from Dick Snook and his band, which will be in full sway from 9 to 12 p.m.

YMCA is giving a picnic at the WAA cabin from 7 to 11:30 Friday evening. The patrons will be Prof. and Mrs. Herbert Humphreys and Mr. and Mrs. John Price.

The 4-H clubs are also holding a picnic from 5:15 to 9 p.m., at the East Lansing park. Mr. and Mrs. Milburn Avery and Mr. and Mrs. Louie Webb will be the patrons.

The Kappa Deltas are going so far as to make their dates pick them up at the dorms, even if they live at the house, as their informal party is being kept a complete surprise from everyone. Of course the planning committee knows the inside news enough to say the hours of entertainment are from 8 to 12 p.m. and that the patrons will be Prof. and Mrs. Stuart Gallacher and Mr. and Mrs. Bernard Knittle.

#### Playday Begins

Mason hall, camouflaged as a ship, will entertain from 9 to 12 Saturday evening. Cliff Claycomb will be the band leader who will give out with the music. The patrons will be Prof. and Mrs. Keith Stein, Prof. and Mrs. Paul Luker, and Mr. and Mrs. Curtis Beachum.

The schedule for Saturday will also include the Gamma Phi radio party, the Zeta Tau term party, the Alice Cowles term party, Robinson house term party, and the Alpha Chi radio party. Further plans for these affairs will be announced later.

WAA is presenting "Playday" from 9 to 4 Saturday afternoon. Everyone is invited to come to the Women's gym for games and entertainment which will enable anyone interested to become familiar with WAA and its many activities.

Fern house is having a tea Sunday afternoon from 3 to 5, while the Sigma Kappas will wind up their mothers' weekend with an informal afternoon party.

## SPORTS

(Continued from Page 3) the Spartan team, having defeated State in the recent triangular meet at Columbus, Ohio, by the score of 6½ to 5½. On May 5 the Titans also won by the score of 11½ to 6½.

Coach Karl A. Schlademan is still undecided as to whom he will send against Indiana university at Bloomington next Saturday outside chance to win the meet, in the history of the two schools. Schlademan has been running time trials and starts in an attempt to pick the best men for the trip.

#### More Home Games

Having taken a third place in the Indiana State track meet last weekend, the Spartans have an outside chance to win the meet.

Baseball will take the spotlight in the home events when the Spartan nine takes on the University of Ohio on both Friday and Saturday. Kobs stated that he will start either Bill Page or Darrell Couey on Friday and Keith Steffee on Saturday.

## Truman Suggests Possible Meeting Of Big Three

WASHINGTON, May 15 (AP) —President Harry S. Truman expressed the hope today that a meeting with Prime Minister Churchill and Marshal Stalin could be arranged in the not far distant future to discuss the coming peace program. He was not ready, however, to talk about the time or place.

The chief executive made the statement in reply to a news conference question. On the foreign news front, he also:

1. Declared that the prime objective in working out a reparations policy is "absolute insurance against German or Japanese rearmament—ever again."
2. Said General Dwight D. Eisenhower favored, with the president's support, a "free press and a free flow of information and ideas" in Germany consistent with military security.
3. Favored repeal of the Johnson act which bars loans to nations in default on their first world war debts to this country.

## INFORMATION

All 4-H club members are urged to attend a meeting tonight in the Little Theater of the Home Economics building at 7:15.

#### SWL

SWL groups will meet tonight at 7:15 in the Union annex: personality and social group, room 107; radio group, M1; service group, 115; art group, 11.

#### LE TRICOLORE

All members going on the French club picnic will meet at 5:30 p.m. on the upper deck of the Union today. Each person is asked to bring a knife and fork with him and to be at the appointed place on time.

#### INTERNATIONAL FESTIVAL

All those connected with the International Festival are requested to attend a meeting tonight in 104 Union annex at 7:30.

#### TOWER GUARD

Tower Guard will hold pledging at 7 tonight behind the Tower. In case of rain the ceremony will take place in the Union.

#### YWCA

YWCA will meet tonight in the Student Parlors of Peoples church at 7:15. Clarence Edwards, Basic College instructor, will lead a discussion on the San Francisco conference.

Special guests will be the "In-betweeners" of the Lansing YWCA. Junior cabinet members will be hostesses. Dorothy Tyrrell, Tacoma Park, Md., sophomore is in charge of the affair at which refreshments will be served.

#### YMCA

The Spartan YMCA will hold an informal party Friday evening at the WAA cabin. The group will meet in front of Peoples church at 7 and hike to the cabin.

#### MARDI GRAS PICTURES

All Mardi Gras queen candidates are requested to pick up their pictures at the Union desk as soon as possible, according to Bob Price, Belding junior.

two down

and one to go

- In baseball they don't pay off on two outs...it's the third one that counts. ● Wars aren't much different...not until every enemy is whipped can a real Peace come. We're two up on our opponents in this fight...now it's got to be the Nips!
- We can do it...but we want to do it without sacrificing a single life needlessly. None will be...if the men who are in the scrap keep getting all they need now...to finish the job fast. They will...if we support the Seventh War Loan by buying extra — and bigger — War Bonds!
